Blood of the Forgotten King Sebastian Hale,2025-04-11 In the heart of a decaying empire where the stench of death hangs thick in the air and the cries of the forgotten echo through plague ridden cities a fallen knight embarks on a perilous quest that might be the last flicker of hope in a world consumed by darkness Blood of the Forgotten King plunges readers into a gritty tapestry of despair and resilience where honor flickers like a dying candle in the face of a tyrant s ascent Darius once a noble knight now wanders through the ruins of his homeland haunted by memories of glory long extinguished As the empire collapses under the weight of corruption and unrelenting warlords he learns of a hidden heir an elusive figure shrouded in mystery destined to reclaim the throne and restore a semblance of justice With time running out and the tyrant s grip tightening Darius must navigate a treacherous landscape where betrayal lurks behind every corner and comrades are as fickle as the wind At his side is Elara a fierce and resourceful scavenger with her own agenda Her sharp wit and unyielding spirit make her an invaluable ally but her motives remain shrouded in secrecy Together they traverse the crumbling streets of their once great empire where the remnants of a glorious past are interwoven with the grim realities of survival As they close in on the Nameless Heir a figure whose very existence could tip the balance of power they must confront not only external foes but also the demons that threaten to tear them apart Captain Wolfe a ruthless warlord with eyes set on the throne is determined to extinguish any flicker of hope His ambition knows no bounds and his relentless pursuit of power sends shockwaves through the already fragile realm As Darius and Elara fight against time and their own inner turmoil they must grapple with the weight of their choices and the very essence of honor in a world that has all but forgotten its meaning Blood of the Forgotten King weaves a tale of desperation and defiance where every decision could lead to salvation or ruin In a landscape ravaged by plague and tyranny where hope is a luxury few can afford Darius and Elara must discover whether honor can truly rise from the ashes of despair Will they uncover the truth of the Nameless Heir before it s too late or will the

empire fall into eternal darkness **From Alexander to Jesus** Ory Amitay,2010-10-28 Scholars have long recognized the relevance to Christianity of the many stories surrounding the life of Alexander the Great who claimed to be the son of Zeus But until now no comprehensive effort has been made to connect the mythic life and career of Alexander to the stories about Jesus and to the earliest theology of the nascent Christian churches Ory Amitay delves into a wide range of primary texts in Greek Latin and Hebrew to trace Alexander as a mythological figure from his relationship to his ancestor and rival Herakles to the idea of his divinity as the son of a god In compelling detail Amitay illuminates both Alexander s links to Herakles and to two important and enduring ideas that of divine sonship and that of reconciliation among peoples The Man Known as Prei PREI,2004-05-12 If you are looking to not just read poetry but rather experience it if you are looking to feel the heart of another if you have ever wondered if todays young man is different than most perceive look no further This is not a book of poetry but a book of life Of living It is a book of development In this book nothing is held back It is the feelings and thoughts of the author unrestricted Take a glimpse of another vision through a form that will last forever poetry **The Creeping Terror** Pasquale De Marco,2025-04-07 In a world teetering on the brink of chaos a creeping terror emerges from the depths of darkness threatening to engulf all in its path As fear and uncertainty grip the hearts of humanity a beacon of hope ignites in the form of ordinary individuals who rise to confront the looming menace United by a common purpose they embark on a perilous journey into the heart of the unknown With unwavering determination they navigate treacherous landscapes decipher cryptic clues and unravel the hidden truth behind the lurking terror Along the way they encounter allies from all walks of life forging unlikely bonds that transcend differences and prejudices As they delve deeper into the mystery they uncover a sinister plot that threatens to annihilate entire civilizations The creeping terror is not merely a force of nature it is a malevolent entity with a cunning intellect and insatiable hunger for destruction The fate of humanity hangs in the balance as the heroes race against time to stop the terror before it consumes everything in its path In a climactic showdown that will determine the fate of the world the heroes confront the terror in a battle of wills that pushes them to their limits With unwavering resolve they harness their combined strength and ingenuity to overcome seemingly insurmountable odds The fate of humanity rests on their shoulders as they face the ultimate test of courage resilience and unity In the aftermath of their victory the heroes emerge as symbols of hope and inspiration for a world yearning for peace and stability They embark on a mission to rebuild and heal the wounds inflicted by the terror fostering reconciliation and understanding among nations As they reflect on their extraordinary journey they recognize the legacy of the creeping terror and vow to remain vigilant against future threats With newfound purpose and determination they embrace a hopeful future knowing that unity and perseverance can overcome even the darkest of challenges The creeping terror may have been vanquished but the heroes quest for justice and peace continues ensuring that the world will never forget the lessons learned and the sacrifices made If you like this book write a review **Endless Holocausts** David Michael Smith,2023-01-01 An argument against the myth of

American exceptionalism Endless Holocausts Mass Death in the History of the United States Empire helps us to come to terms with what we have long suspected the rise of the U S Empire has relied upon an almost unimaginable loss of life from its inception during the European colonial period to the present And yet in the face of a series of endless holocausts at home and abroad the doctrine of American exceptionalism has plagued the globe for over a century However much the ruling class insists on U S superiority we find ourselves in the midst of a sea change Perpetual wars deteriorating economic conditions the resurgence of white supremacy and the rise of the Far Right have led millions of people to abandon their illusions about this country Never before have so many people rejected or questioned traditional platitudes about the United States In Endless Holocausts author David Michael Smith demolishes the myth of exceptionalism by demonstrating that manifold forms of mass death far from being unfortunate exceptions to an otherwise benign historical record have been indispensable in the rise of the wealthiest and most powerful imperium in the history of the world At the same time Smith points to an extraordinary history of resistance by Indigenous peoples people of African descent people in other nations brutalized by U S imperialism workers and democratic minded people around the world determined to fight for common dignity and the sake of the greater good

Vanishing Point Tom Wilber, 2023-05-15 In Vanishing Point award winning journalist and author

Tom Wilber pieces together the largely forgotten story of the bomber Getaway Gertie and an eclectic group of enthusiasts who have spent years searching for it At the height of World War II a B 24 Liberator bomber vanished with its crew while on a training mission over upstate New York The final hours and ultimate resting place of pilot Keith Ponder and seven other US aviators aboard the plane remain mysteries to this day The tale is at once a compelling instance of loss on the World War II American home front and a more extensive largely unreported history Ponder a 21 year old from rural Mississippi and his crew were tragically unexceptional casualties in the monumental effort to recruit and train an air force en masse to counter the global conquest of Nazi Germany and Imperial Japan More than fifteen thousand American airmen and in some cases women burned crashed or fell to their deaths in stateside training accidents during the war their lives and stories shuffled away in piles of Air Force bureaucracy The forgotten story of Getaway Gertie was originally inspired by summer evenings around the campfire on the shores of Lake Ontario where parts of the plane have washed up Building on those campfire tales Wilber deftly connects myth with fact and memory with historicity The result is a vivid portrait of the forgotten soldier of the home front and a new take on the meaning of wartime sacrifice as the last survivors of the Greatest Generation pass away

A Hint of Murder Bill Valiontis, 2024-01-22 Rain lashed against the Victorian townhouse each drop a staccato note on the cobblestones below Detective Inspector Eira Davies pulled her collar tighter a shiver snaking down her spine despite the heavy wool coat The iron railing felt cold against her palm as she peered into the gaping maw of the open door A yellow crime scene tape blocked the way stark against the gloom This wasn't her usual stomping ground the elegant streets of Kensington were a world away from the gritty back alleys of Whitechapel where Eira honed her skills But tonight fate or perhaps a perverse sense of irony had delivered her here
