Manson, An Anthology of Poets coming together to Celebrate the life of Jeanette Moser who sadly passed away this book is dedicated to her      *Chrysalis* James Edwards,2011      Game of the Shadowed Crown Mars Algiros,2025-06-11 Long after the storm swallowed Seamus s trail and the tides stitched shut the paths he once walked another stood where shadow and moonlight meet A place not marked on any map not whispered in any prayer Where the veil is thinnest Where memory becomes myth and myth becomes prophecy A hare golden as the last light of a dying sun bound by threads unseen The last glimmer of a dying line The final syllable in a verse the world has tried to forget Kaiven O Hare bearer of forgotten hopes knelt at the edge of two worlds his heart still beating though the shadow had touched him He should not have survived The game was not meant to spare pieces so marked And yet something ancient watched and something older still waited Beneath the crown where silence weeps A fallen star a promise keeps The key was lost the gate half sealed Yet in his blood the past revealed There are doors that open only for the broken There are truths only the lost can find The Shadowed Crown did not cast him down no it did something far more dangerous It spared him And mercy when granted by the dark is seldom given freely Through shattered runes the whispers creep Through broken dreams the lost ones sleep A soul unclaimed a debt still owed A path unwritten yet foretold Some call it fate Others folly But the wind carries names older than destiny and Kaiven s is among them The grip of darkness loosened the verdict unwritten A mercy or a deeper snare The winds do not say The world has shifted The moon leans closer The stars have begun to speak again in tongues carved from silver and storm And somewhere in the forgotten wilds of Cirtalis the old magic wakes restless and unkind In the hush between heartbeats the mist stirred A crown unclaimed a door unopened And Kaiven a wanderer stitched in gold drifted between fate s trembling fingers There are threads that defy cutting just as there are stories that refuse to end The storm has stilled but the game is not done Not while the board is still laid Not while one piece yet moves The compass hums faintly the runes sleep restlessly and the path yet waits for its seeker And the seeker still bleeding still breathing still burdened with stars takes one step forward Listen now dreamer Not all who fall are broken Not all who are spared are free There are chains made not of iron but of memory There are prisons shaped like mercy The tale once Seamus s now unfurls anew a weave tighter darker keener to the touch Every knot within it tightens Every choice made echoes louder than the last Kaiven last hope of Duskmoore s old blood carries the weight of a riddle yet unsolved When mercy wears a crown of shadows What price must be paid to walk the path of light When the shadow grants a borrowed breath Is it life or only a slower death There is an old saying among the Moon s Glow Even the brightest flame must cast a shadow Even the truest heart must be weighed Above him unseen the stars lean closer as if to hear the next move Below the sea murmurs secrets still left to drown And somewhere between breath and silence the old winds whisper The seeker is not lost The crown is not yet won The story has not ended it has only just begun The Game of the Shadowed Crown has begun anew The storm sleeps but it dreams with open eyes And those who dream beneath it are not untouched So turn the page traveler The storm sleeps for now but the dream oh the dream is wide

awake So stay your breath dear reader I have a story for you A thread lost to the world but not to me I think I know where Kaiven drifts and if you have the courage I ll take you there to the place between the last sigh and the first dawn Wait with me for the hour when even dreams dare not speak his name And remember Some tales are not told They are remembered And Kaiven s is one the world tried to forget But you dreamer You were meant to find it     The Land of Bondage Eli Eden,2024-06-21 The tranquil dawn of April 20 1997 in the blossoming town of Cambridge Springs PA unexpectedly veers into the precipice of a global cataclysm World peace teeters on the edge as a confrontation unfolds between a Soviet nuclear submarine and a U S vessel in the chilly waters off Alaska s coast a moment in history that threatens to plummet humanity into a nightmarish abyss On this fateful morning Ben Forsythe the esteemed mayor of Cambridge Springs orchestrates a delightful lawn party at his elegant estate hosting the town s dignitaries While his wife is away in Philadelphia a myriad of guests including the endearing yet cantankerous Shuler Whitfield grace the event Unbeknownst to them this idyllic gathering is but the calm before a storm of apocalyptic proportions A few hours hence Ben finds himself awakened amidst the ruins of his once grand abode the echoes of a fiery cataclysm reverberating through the charred remains of his haven The ghastly spectacle of devastation unveils itself as he steps into a world mourning the loss of life his guests and housekeeper now mere memories amidst the ashes The sorrow laden trees and the silence of the land accompany Ben s desperate gaze as he scans the horizon a solitary figure yearning for a sign of humanity amidst the gloom With a heart heavy yet undeterred Ben embarks on an odyssey of survival in a world unhinged from its yesteryears of peace The Land of Bondage unfolds a chilling narrative of a nuclear showdown between the Soviet Union and the U S painting a stark yet compelling tale that mirrors the looming fears of a world on the brink Readers traversing through this haunting narrative will find themselves entwined with a dire prophecy a harrowing reminder of a path that must never be tread     **Nietzsche, Freud, Benn, and the Azure Spell of Liguria** Martina Kolb,2013-06-18 The Mediterranean region of Liguria where the Maritime Alps sweep down to the coasts of northwest Italy and southeast France the Riviera marks the intersection of two of Europe s major cultural landscapes Remote liminal compact and steep the terrain has influenced many international authors and artists In this study Martina Kolb traces Liguria s specific impact on the works of three seminal German writing modernists Friedrich Nietzsche Sigmund Freud and Gottfried Benn whose encounters with Ligurian lands and seas led to an innovative geopoetic fusion of word and world Kolb examines each of these authors acquired affinities with Ligurian and Proven al landscapes and seascapes revisiting and reassessing the long tradition of northern longing for a Mediterranean south She also shows how Freud and Benn followed in the footsteps of Nietzsche in his most prolific years a topic which has received little critical attention to date Nietzsche Freud Benn and the Azure Spell of Liguria offers a fresh approach to these writers groundbreaking literary achievements and profound interest in poetic expression as cathartic self liberation     **Bodies of Water** Astrida Neimanis,2017-01-26 This book is available as open access through the Bloomsbury Open Access programme
