Formazione dell'uomo Maria Montessori, 1993 **The "New Man" in Radical Right Ideology and Practice, 1919-45** Jorge Dagnino, Matthew Feldman, Paul Stocker, 2018-01-25 Bringing together an expert group of established and emerging scholars this book analyses the pervasive myth of the new man in various fascist movements and far right regimes between 1919 and 1945 Through a series of ground breaking case studies focusing on countries in Europe but with additional chapters on Argentina Brazil and Japan The New Man in Radical Right Ideology and Practice 1919 45 argues that what many national forms of far right politics understood at the time as a so called anthropological revolution is essential to understanding this ideology's bio political often revolutionary dynamics It explores how these movements promoted the creation of a new ideal human what this ideal looked like and what this things tell us about fascism's emergence in the 20th century The years after World War One saw the rise of regimes and movements professing totalitarian aims In the case of revolutionary radical right movements these totalising goals extended to changing the very nature of humanity through modern science propaganda and conquest At its most extreme one of the key aims of fascism the most extreme manifestation of radical right politics between the wars was to create a new man Naturally this manifested itself in different ways in varying national contexts and this volume explores these manifestations in order to better comprehend early 20th century fascism both within national boundaries and in a broader transnational context **Itinerari di storia sociale**

dell'educazione occidentale - Volume Secondo Rita Minello, 2014-03-05 Nel momento in cui si parla di crisi dell'istruzione eppure si realizza almeno nelle aree occidentali del benessere l'obiettivo per tanti secoli considerato utopico dell'educazione per tutta la vita dell'accesso a tutti alla lettura alla cultura che conosciamo abbiamo in materia di storia dell'istruzione dell'educazione della formazione Quali conoscenze e competenze ci sono state tramandate come appartenenti a coloro genitori educatori insegnanti formatori facilitatori e tante altre figure di adulti che sono stati in un momento o un altro della loro vita in posizione di educatori formatori coach etc I tradizionali manuali di storia della pedagogia da questo punto di vista segnano il passo poiché concepiscono la storia educativa sostanzialmente come storia delle idee e del pensiero dei grandi Autori e Ideologi del passato non tanto come storia di fatti ed eventi educativo formativi che hanno segnato realmente i passaggi epocali della trasmissione dei saperi delle pratiche dell'identità stessa Ma la ricerca contemporanea nasce ancora da quella storica dove lo studio delle esperienze socio educative fondamentali dell'uomo o la storia della mentalità formativa sono inevitabilmente fonte di esperienza per costruire o ricostruire le azioni formative del presente A partire dalla modernità gli orientamenti formativi ratificano un'esigenza percepita diffusamente di responsabilità umanesimo metodologico Barocco Scienza Nuova Illuminismo e di intenzionalità formative umanesimo storico e dialettico Romanticismo e movimenti dell'Ottocento e Primo Novecento di valorizzazione delle potenzialità del singolo che rifiuta le forme di omologazione e standardizzazione di pensiero e atteggiamenti che frammentano e impoveriscono la condizione esistenziale degli individui

Lanciando uno sguardo al futuro sulla base del passato la ricerca storico educativa si conclude con la proposta di un framework dinamico dell'eco identit' inteso come contributo per elaborare un nuovo progetto di uomo per la formazione contemporanea
