Interior Design Masters Mark Hinchman, Elyssa Yoneda, 2018-06-27 Interior Design Masters contains 300 biographical entries of people who have significantly impacted design They are the people historical and contemporary that students and practitioners should know Coverage starts in the late Renaissance with a focus on the twentieth and twenty first centuries The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide

The seventeenth and eighteenth century section covers figures from Thomas Chippendale to Horace Walpole The nineteenth century section includes William Morris and Candace Wheeler The early twentieth century section presents modernism s design heroes including Marcel Breuer Eileen Gray and Gilbert Rohde The post World War II designers range from Madeleine Castaing to Raymond Loewy The final contemporary section includes Ron Arad and the Bouroullec brothers These are the canonical figures who belong to any design history The book also contains less well known figures who deserve attention such as Betty Joel the British art deco furniture designer Paul Veyseyre the Frenchman active in China in the 1930s and more recently Lanzavecchia Wai the Italian Singaporean duo whose work ranges from health care to helicopters Global in its coverage the book is richly illustrated with over 600 black and white and color photographs Piero Fornasetti Patrick Mauriès, 2015-09-08 An extensive illustrated survey of one of the most inventive design minds of the twentieth century Combining whimsy and elegance Piero Fornasetti transformed everyday objects like cups scarves and plates into much sought after works of art with his idiosyncratic motifs such as the hand the female face and luminescent fish His dazzling pieces of trompe l oeil furniture created in collaboration with Gio Ponti are also highly prized by collectors worldwide Fornasetti s boundless imagination is celebrated here in a book published to document a major retrospective exhibition at the Musée des Arts Décoratifs in Paris The first half of the monograph is organized by type and includes Fornasetti s paintings drawings and furniture The second half focuses on favorite themes his use of trompe l oeil architectural drawings and his variations on the face of a famous operatic beauty Featuring 400 illustrations covering almost fifty years of a protean and prolific designer and artist like no other this is a must have for Fornasetti connoisseurs and anyone interested in design **Design** Thomas Hauffe, 1998 Aiming to place design developments in their broader context this text describes the history of design from its emergence as a separate discipline around 1750 to the present Arranged chronologically and with colour coded pages for ease of reference the book includes time lines and designers biographies as well as feature spreads on notable designers and companies There is also a detailed list of major design museums and collections The Victoria and Albert Museum Elizabeth James, 2013-10-15 A comprehensive bibliography and exhibition chronology of the world s greatest museum of the decorative arts and design The Victoria and Albert Museum or South Kensington Museum as it used to be known was founded by the British Government in 1852 out of the proceeds from the Great Exhibition of 1851 Like the Exhibition it aimed to improve the expertise of designers and the taste of the public by exposing them to examples of good design from all countries and periods 2 500 publications have to date been produced by for or in association with the V A The National Art Library which is part of the Museum has prepared this detailed catalogue supplemented by a secondary list of 500 other books closely related to the V A The 1 500 exhibitions and displays recorded include those held in the main Museum and at its branches the Bethnal Green Museum now the National Museum of Childhood and the Theatre Museum Covent Garden and additionally those it has organized at external venues in Great

Britain and abroad The exhibitions and publications are fully cross referenced and there are name title and subject indexes to the whole work as well as an explanatory introduction **Mid-Century Modernism in Turkey** Meltem Ö Gürel,2018-02-05

Mid Century Modernism in Turkey studies the unfolding of modern architecture in Turkey during the 1950s and 1960s The book brings together scholars who have carried out extensive research on post WWII modernism in a global context The authors situate Turkish architectural case studies within an international framework during this period providing a close reading of how architectural culture responded to ubiquitous post war ideas and ideals and how it became intertwined with politics of modernization and urbanization This book contributes to contemporary scholarship to reconsider post war architecture beyond canonical explanations The Design Encyclopedia Mel Byars,2004 Design has an increasingly high profile figures like Philippe Starck are as venerated and well known as more traditional artists But where the literature on fine art is vast design is still comparatively ill served This encyclopedia provides an account of the still largely unknown story of design *Design for Living* David A. Hanks,Anne H. Hoy,Musée des arts décoratifs de Montréal,Montreal Museum of Fine Arts,2000 A lively and lavishly illustrated history of decorative arts from 1950 through 2000 this survey presents 130 key examples of later twentieth century design in their cultural contexts The primary focus is furniture both one of a kind examples and mass produced works by international designers and architects Here are classic designs for chairs shelving units and lamps by well known masters from Aarnio to Zanuso as well as provocative works by newcomers All the works in Design for Living are from the Liliane and David M Stewart Collection of the Montreal Museum of Decorative Arts Montreal Museum of Fine Arts The furniture is presented in five chapters which establish decade by decade the historical artistic and technical currents that led from Good Design and traditional Modernism to Pop Art and Post Modernism and to concerns for ecology pluralism and spirituality Full color photographs and entries on each object profile the design process and the designer while illustrations show these works in their original period settings All this recommends Design for Living to the general reader as well as to the designer collector and scholar Here is an accessible guide and resource to the fifty years of exuberant creativity that mark the second half of the twentieth century **Interior Design** ,1992 **Contemporary**
