The Fortunate Pilgrim Mario Puzo, 2004-09-28 FROM BESTSELLING AUTHOR OF THE GODFATHER A classic The novel is lifted into literature by its highly charged language its penetrating insights and its mixture of tenderness and rage New York Times Book Review Described by the author as his best and most literary book Puzo's classic story about the loves crimes and struggles confronted by one family of New York City immigrants living in Hell's Kitchen Fresh from the farms in Italy Lucia Santa struggles to hold her family together in a strange land At turns poignant comic and violent The Fortunate Pilgrim is Italian American fiction at its very best The book's hero Lucia Santa is an incredibly captivating character and based on Puzo's very own mother he describes her wisdom her ruthlessness and her unconquerable love for her family and for life itself qualities not valued in women at the time

Fortunate Pilgrim Mario Puzo, 2009-07-01 Fresh from the farms in Italy Lucia Santa struggles to hold her family together in a strange land At turns poignant comic and violent and with a new preface by the author THE FORTUNATE PILGRIM is Italian American fiction at its very best

The Godfather and American Culture Chris Messenger, 2012-02-01 Mario Puzo's The Godfather is an American pop phenomenon whose driving force is reflected not only in book sales and cable television movie marathons but also in such related works as the hit television series The Sopranos In The Godfather and American Culture Chris Messenger offers an important and comprehensive study of this classic work of popular fiction and its hold on the American imagination As Messenger shows the Corleones have indeed become our gang and we see our family business in America reflected in them Examining The Godfather and its many incarnations within a variety of texts and contexts Messenger also addresses Puzo's inconsistent affiliation with his Italian heritage his denial of the multiethnic literary subject and his decades long struggle for respect as a writer in contemporary America The study ultimately offers a way of looking at the much maligned genre of popular or bestselling fiction itself By placing both the novel and films within a number of revealing critical situations Messenger addresses the continuing problem of how we talk about elite and popular fiction in America and what we mean when we take sides

An Offer We Can't Refuse George De Stefano, 2007-01-23 A provocative and entertaining look at the mafia the media and the unmaking of Italian Americans As evidenced in countless films novels and television portrayals the Mafia has maintained an enduring hold on the American cultural imagination even as it continues to wrongly color our real life perception of Italian Americans In An Offer We Can't Refuse George De Stefano takes a close look at the origins and prevalence of the Mafia mythos in America Beginning with a consideration of Italian emigration in the early twentieth century and the fear and prejudice among both Americans and Italians that informed our earliest conception of what was at the time the largest immigrant group to enter the United States De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to illuminate and explore the variety and allure of Mafia stories from Coppola's romanticized paeans to Scorsese's bloody realism to the bourgeois world of David Chase's Sopranos

while discussing the cultural richness often contained in these works De Stefano addresses the lingering power of the goodfella cliché and the lamentable extent to which it is embedded in our consciousness making it all but impossible to green light a project about the Italian American experience not set in gangland Invites Italian Americans of all backgrounds to the family table to discuss how mob related movies and television shows have affected the very notion of what their heritage still means in the 21st century Allen Barra The New York Sun

Must Read: Rediscovering American Bestsellers Sarah Churchwell,Thomas Ruys Smith,2012-08-02 What is it about certain books that makes them bestsellers Why do some of these books remain popular for centuries and others fade gently into obscurity And why is it that when scholars do turn their attention to bestsellers they seem only to be interested in the same handful of blockbusters when so many books that were once immensely popular remain under examined Addressing those and other equally pressing questions about popular literature *Must Read* is the first scholarly collection to offer both a survey of the evolution of American bestsellers as well as critical readings of some of the key texts that have shaped the American imagination since the nation's founding Focusing on a mix of enduring and forgotten bestsellers the essays in this collection consider 18th and 19th century works like *Charlotte Temple* or *Ben Hur* that were once considered epochal but are now virtually ignored 20th century favorites such as *The Sheik* and *Peyton Place* and 21st century blockbusters including the novels of Nicholas Sparks *The Kite Runner* and *The Da Vinci Code*

Italian Signs, American Streets Fred L. Gardaphé, 1996 In the first major critical reading of Italian American narrative literature in two decades Fred L. Gardaph presents an interpretive overview of Italian American literary history Examining works from the turn of the twentieth century to the present he develops a new perspective variously historical philosophical and cultural by which American writers of Italian descent can be read increasing the discursive power of an ethnic literature that has received too little serious critical attention Gardaph draws on Vico's concept of history as well as the work of Gramsci to establish a culture specific approach to reading Italian American literature He begins his historical reading with narratives informed by oral traditions primarily autobiography and autobiographical fiction written by immigrants From these earliest social realist narratives Gardaph traces the evolution of this literature through tales of the godfather and the mafia the reinvention of ethnicity in works by Helen Barolini Tina DeRosa and Carole Maso the move beyond ethnicity in fiction by Don DeLillo and Gilbert Sorrentino to the short fiction of Mary Caponegro which points to a new direction in Italian American writing The result is both an ethnography of Italian American narrative and a model for reading the signs that mark the self fashioning inherent in literary and cultural production Italian Signs American Streets promises to become a landmark in the understanding of literature and culture produced by Italian Americans It will be of interest not only to students critics and scholars of this ethnic experience but also to those concerned with American literature in general and the place of immigrant and ethnic literatures within that wide framework
