Scripture's life transforming message and to share it with others      **The Book of Ezekiel, Chapters 1-24** Daniel I. Block, 1997-08-26 To most modern readers the book of Ezekiel is a mystery Few can handle Ezekiel's relentless denunciations his unconventional antics his repetitive style and his bewildering array of topics This excellent commentary by Daniel I Block makes sense of this obscure and often misunderstood prophet and demonstrates the relevance of Ezekiel's message for the church today      A Guide to the Study of the Holy Scriptures in the Form of a Catechism Augusta Arbuthnot, 2025-08-03 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Miscellaneous Records of the Kuling Training (2)* Watchman Nee, 1994-09-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry      Jesus in Time William C. **Bible Myths and Their Parallels in Other Religions** T.W Doane, 2020-07-18 Reproduction of the original Bible Myths and Their Parallels in Other Religions by T W Doane      **Mysteries Revealed** , Migs, 2023-02-09 This book is going to inspire generations to come It will wake us all up from all the deceit and lies colleges seminaries and churches have been teaching and give you sound doctrine in the times of the worst in history since the days of Noah and Lot Migs drains the swamp by showing us all how to rely on God's Words not the messengers and pastors who have taught doctrines of devils for

centuries 80 percent truth with 20 percent imagination lies and allegories just won't cut it in these times of tribulation the church is going through now It's time to wake up ride out the storm and rise up mighty warriors Those who have ears let them hear and those who have eyes let them see In Daniel it is said there is a great awakening and a gathering and today's times in this book will set us straight This book is an in depth look at the Bible like you have never seen before It will show you how to read a Bible in context and illuminate the conjecture and controversy because the Bible never contradicts itself in the correct version There is coming a day in Amos 8:11a that says you will seek the Word but not find it With AI and quantum computers and all these Bible versions you are just about at that point Mysteries Revealed is something every Christian should embrace and with all readiness of mind search the Scriptures daily Read Acts 17:11 while you still have a chance Last call for alcohol BECAUSE the bar is closing LOL no last call for you to edify saints and see souls saved with TRUTH and be ye not ignorant my brethren

*ARCANA CCELESTIA: OR HEAVENLY MYSTERIES CONTAINED IN THE SACRED SCRIPTURES, OR WORD OF THE LORD, MANIFESTED AND LAID OPEN: BEGINNING WITH THE BOOK OF GENESIS INTERSPERSED IN THE WORLD OF SPIRITS AND THE HEAVEN OF ANGELS.* EMANUEL SWEDENBORG, 1803

*God Means What He Says* Dennis Stackhouse, 2020-02-26 Have you ever heard anyone ask Does God really mean what He says That sounds like a silly question doesn't it especially if you claim to be a Christian But even as a Christian have you ever thought Well I know this is what God said I'm supposed to do but it doesn't seem that He would mind if I did it my way If so did you realize you may be putting your own will above God's will that you could be defying and disobeying God's direct commands The ultimate question is Are you expressing obedience to God and His desires through your words actions and thoughts Do His commands guide your life causing you to flee from sinful activities and live in purity and holiness The objective of this book and the impact it should have on each of our lives can be simply stated in the question Does God really mean what He says From the Christian perspective we would quickly say that we do believe God means what He says But again does our life reflect that profession You see how we live our lives is an undeniable demonstration of whether or not we believe that God means what He says Have you truly died to sin which is an expectation God has for His followers If not can you truly say that you believe God means what He says Does your life reflect a purity and holiness that is consistent with the pattern found in God's word If not can you truly say that you believe God means what He says These and other related issues which are vital to all of us will be explored in this book Most importantly throughout the course of our study together we will rely upon the only source of divine authority for our answers the word of God Once we have completed this journey my fervent prayer is that each of us will not hesitate even one moment to answer the question Does God really mean what He says with a resounding yes This is critical because as we shall see God does mean what He says
