Williams, 2009-03-26 African American Humor Irony and Satire Ishmael Reed *Satirically Speaking* includes select proceedings from the annual Heart's Day Conference sponsored by the Department of English at Howard University Among the collection's many strengths is the range of essays included here Essays on Ishmael Reed center the collection and satirists from George Schuyler to Aaron McGruder are examined as are popular culture comedians Richard Pryor and Dave Chappelle Thus the collection adds broadly to the body of scholarship on traditional and non traditional interpretations of humor irony and satire What these essays also reveal is how the lens of humor irony and satire as a way of reading texts is especially useful in highlighting the complexity of African American life and culture The essays also uncover crucial but not so obvious connections between African Americans and other world cultures
