**The Analogical Reader** Peter Dixon, Marisa Bortolussi, 2023-11-08 Perspective taking is a critical component of approaches to literature and narrative but there is no coherent broadly applicable and process based account of what it is and how it occurs This book provides a multidisciplinary coverage of the topic weaving together key insights from different disciplines into a comprehensive theory of perspective taking in literature and in life The essential insight is that taking a perspective requires constructing an analogy between one's own personal knowledge and experience and that of the perspective taking target This analysis is used to reassess a broad swath of research in mind reading and literary studies It develops the dynamics of how analogy is used in perspective taking and the challenges that must be overcome

under some circumstances New empirical evidence is provided in support of the theory and numerous examples from popular and literary fiction are used to illustrate the concepts This title is part of the Flip it Open programme and may also be available Open Access Check our website Cambridge Core for details *Deliverer* C. J. Cherryh, 2007-02-06 The ninth novel in Cherryh's *Foreigner* space opera series a groundbreaking tale of first contact and its consequences In the aftermath of civil war the world of the atevi is still perilously unstable Tabini aiji powerful ruler of the Western Association along with his son and heir Cajeiri and his human paidhi Bren Cameron have returned to the seat of power The usurper Murini has escaped to the lands of his supporters but the danger these rebels pose is far from over Ilisidi Tabini's grandmother the aiji dowager has returned to her ancient castle in the East for she has powerful ties in the lands of the rebels and she seeks to muster whatever support for her grandson that she can from among those enemy strongholds In his father's tightly guarded headquarters eight year old Cajeiri is horribly bored Two years on an interstellar starship surrounded by human children have left him craving excitement But unbeknownst to this dissatisfied youngster he has become a target for forces bent on destroying his father's rule and everything it stands for Though still a child Cajeiri embodies a unique threat to the venerable tradition defined lifestyle of his people For this young boy is the first ateva youth to have lived in a human environment And after hundreds of years of tenuous atevi human coexistence Cajeiri may very well be the first ateva to ever truly understand the so similar yet so dangerously different aliens who share his home planet and threaten the hidebound customs of his race The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub trilogy installments *Deliverer* is the 9th *Foreigner* novel and the 3rd book in the third subtrilogy
