Forty Years of Sport and Social Change, 1968-2008 Russell Field, Bruce Kidd, 2013-09-13 1968 was a year of protest in civil society Prague Paris Chicago and a year of protest in sport After a world wide campaign the anti apartheid movement succeeded in barring South Africa from the Olympic Games while US athletes from the Olympic Project for Human Rights used the medals podium to decry the racism of North America Meanwhile students in Mexico demonstrated against social priorities in Mexico the host of the 1968 Games These events contributed significantly to the rejection of the idea that sports are apolitical and stimulated the scholarly study of sport across the social sciences Leading up to the Beijing Olympic Games similar dynamics were played out across the globe while a campaign was underway to boycott the Genocide Olympics The volume *To Remember is to Resist* came out of a three day conference on sports human rights and social change hosted by the University of Toronto forty years after Mexico and eighty days before the Beijing Opening Ceremony The contributions to this volume

capture the memories of activists who were on the ground using sport as a site for the struggle for human rights and provide scholarly examinations of past and current human rights movements in sport This book was previously published as a special issue of *Sport in Society* **Klondikers** Tim Falconer, 2021-10-05 For readers of *The Boys in the Boat* and *Against All Odds* Join a ragtag group of misfits from Dawson City as they scrap to become the 1905 Stanley Cup champions and cement hockey as Canada's national pastime An underdog hockey team traveled for three and a half weeks from Dawson City to Ottawa to play for the Stanley Cup in 1905 The Klondikers' eagerness to make the journey and the public's enthusiastic response revealed just how deeply and how quickly Canadians had fallen in love with hockey After Governor General Stanley donated a championship trophy in 1893 new rinks appeared in big cities and small towns leading to more players teams and leagues And more fans When Montreal challenged Winnipeg for the Cup in December 1896 supporters in both cities followed the play by play via telegraph updates As the country escaped the Victorian era and entered a promising new century a different nation was emerging Canadians fell for hockey amid industrialization urbanization and shifting social and cultural attitudes Class and race based British ideals of amateurism attempted to fend off a more egalitarian professionalism Ottawa star Weldy Young moved to the Yukon in 1899 and within a year was talking about a Cup challenge With the help of Klondike businessman Joe Boyle it finally happened six years later Ottawa pounded the exhausted visitors with One Eyed Frank McGee scoring an astonishing 14 goals in one game But there was no doubt hockey was now the national pastime **Sam Steele** Norman S. Leach, 2015-04-04 A GLOBE AND MAIL BESTSELLER Had there been no Sam Steele it has been observed Hollywood would have had to invent him Born into the comparative stability of the Victorian era's Pax Britannica Steele lived to witness the postwar turmoil of the Lost Generation From humble beginnings in what is now Bracebridge Ontario to his knighthood in England two years before his death in 1919 Steele's life epitomized the themes of personal adventure service to crown and country and the zeal for modernization and social order that characterized nineteenth century Canada within the British Empire Steele's long and storied career threaded through many pivotal moments in Canada's settlement and development history the Fenian raids the expansion of law and order on horseback and sporting red serge across the North West Territories the exile of Sitting Bull into Canada the construction of the national railway that welded together the nation Riel's Rebellion the Klondike Gold Rush and opening of the North the Boer War and the Canada's coming of age during the First World War **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information

as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
