The F-Word Jesse Sheidlower, 2024-11-04 A masterfully updated edition of *The F Word* which renders a comprehensive portrait of English's most notorious and colorful word. No word has generated more uses, more creative euphemisms and more strong opinions than fuck. Jesse Sheidlower's historical dictionary, now in print for over 25 years, charts the uses of fuck and its many permutations from absofuckinglutely to zipless fuck. It illustrates every sense of every entry with quotations from the earliest that can be found to a recent example showing exactly how the word has been used throughout history. This new edition is not just a minor update but a comprehensive revision of Sheidlower's groundbreaking text for the internet age. Major new discoveries push back the known history of fuck by almost two hundred years. Sheidlower also considers rapidly changing attitudes towards the use of fuck in public discourse. The volume includes over 1,000 new quotations, over 100 antedatings, earlier examples of existing entries, improving our understanding of the word's development, and many dozens of new entries, including high-profile recent uses such as AF as fuck, fuckboi, and the group of expressions of the sort to give no fucks or zero fucks given.

Encouragement for the Day Charles Allard, 2022-04-12 *Encouragement for the Day: Messages of Inspiration and Challenge* expands on the messages Pastor Charles Allard delivered on three North Carolina radio stations in the 1980s and 1990s. The popular daily messages of encouragement were broadcast at random times, reaching a wide audience of listeners. High school students riding buses were known to hush their classmates to hear the messages. One listener even called Allard at 1:30 a.m. to tell him that he had just heard one of his messages and that was in a place he should not be and wanted to turn his life over to Jesus. Topics featured include setting priorities, finding your purpose, giving glory to God, hearing the Lord speak, being patient, counting your blessings, focusing on what matters, and taking responsibility for your actions. Written for daily meditation, prayer, and spiritual growth, the devotional will help you overcome everyday struggles, encourage others to walk with the Lord, and look to Christ for help, strength, and salvation. Hebrews 10:24-25 NIV: let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another and all the more as you see the Day approaching.

Multifactorial Analysis in Corpus Linguistics Stefan Thomas Gries, 2003-05-01 This book presents a new analysis of the word order alternation of English transitive phrasal verbs, aka Particle Movement, from a cognitive functional and psycholinguistic perspective. Its main objective, however, is a methodological one: namely, to demonstrate the superiority of corpus-based multifactorial and probabilistic approaches towards grammatical phenomena over traditional analyses based on acceptability judgements and minimal pair tests.
