Multicultural Literature and Literacies Suzanne M. Miller, Barbara McCaskill, 1993-10-05 Does literature serve a humanizing function Can it achieve social transformation What roles does literature play for defining self creating community and achieving global perspective This is the first book to thoroughly explore the methods by which educators creative writers and policymakers have constructed workable models of teaching literature in multicultural classrooms The authors provide an interdisciplinary dialogue on the setbacks solutions silences and successes that often occur in classes of multicultural literature They all take the stance that definitions of literacy and literature originate as much outside the classroom as within it With the inclusion of essays by writers themselves a feature provided by no other book on this subject the authors offer a unique vocalization of the nationalistic economic empowering and moral purposes that reading and writing serve The book also includes a current guide to selected resources in multicultural literature in hopes of encouraging and facilitating instructors in the transformation of their own literature courses into multicultural ones

The Hip-Hop Education Guidebook Volume 1 Marcella Runell, Martha Diaz, 2007 How can we utilize the energy and creativity of Hip Hop music and culture to make schools and classrooms more engaging *The H2Ed Guidebook* provides answers *The H2Ed Guidebook* addresses the tenets of a critical Hip Hop pedagogy framing the issues of concern and strength within Hip Hop culture by providing in depth analysis from parents teachers and scholars And most importantly the *H2Ed Guidebook* offers an array of innovative interdisciplinary standards referenced lessons written by teachers for teachers

Children's Books from Other Countries Carl M. Tomlinson, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in

other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United State *Cooking Up World History* Suzanne I.
