Michael D.C. Drout

Hobbit 50th Anniversary Ed:

The Hobbit and Tolkien's Mythology Bradford Lee Eden, 2014-10-27 At the 2013 Celebrating The Hobbit conference at Valparaiso University marking the 75th anniversary of the book's publication and the first installment of Peter Jackson's Hobbit movies two plenary papers were presented Anchoring the Myth The Impact of The Hobbit on Tolkien's Legendarium by John D Rateliff provided numerous examples of The Hobbit's influence on Tolkien's legendarium and Tolkien's French Connections by Verlyn Flieger discussed French influences on the development of Bilbo Baggins and his adventures In discussions with the plenary speakers and other presenters it became apparent that a book focusing on how The Hobbit influenced the subsequent development of Tolkien's legendarium was sorely needed This collection of 15 previously unpublished essays fills that need With Rateliff's and Flieger's papers included the book presents two chapters on the Evolution of the Dwarven Race two chapters on Durin's Day examining the Dwarven lunar calendar and 11 chapters on themes exploring various topics on influences and revisions between The Hobbit and Tolkien's legendarium **The**

Fellowship Philip Zaleski, Carol Zaleski, 2015-06-02 A stirring group biography of the Inklings the Oxford writing club featuring J R R Tolkien and C S Lewis *The Hobbit* J. R. R. Tolkien, 2024-02-27 This is the story of how a Baggins had an adventure and found himself doing and saying things altogether unexpected A flawless masterpiece The Times Bilbo Baggins is a hobbit who enjoys a comfortable unambitious life rarely travelling further than the pantry of his hobbit hole in Bag End But his contentment is disturbed when the wizard Gandalf and a company of thirteen dwarves arrive on his doorstep one day to whisk him away on a journey there and back again They have a plot to raid the treasure hoard of Smaug the Magnificent a large and very dangerous dragon The prelude to THE LORD OF THE RINGS THE HOBBIT has sold many millions of copies since its publication in 1937 establishing itself as one of the most beloved and influential books of the twentieth century

The Hobbit Illustrated by the Author J. R. R. Tolkien, 2023-09-19 For the first time ever a special enhanced edition of the enchanting prelude to The Lord of the Rings illustrated throughout with over 50 sketches drawings paintings and maps by J R R Tolkien himself Bilbo Baggins is a hobbit who enjoys a comfortable unambitious life rarely travelling further than the pantry of his hobbit hole in Bag End But his contentment is disturbed when the wizard Gandalf and a company of thirteen dwarves arrive on his doorstep one day to whisk him away on an unexpected journey there and back again They have a plot to raid the treasure hoard of Smaug the Magnificent a large and very dangerous dragon Written for J R R Tolkien's own children The Hobbit was published on 21 September 1937 With a beautiful cover design a handful of black white drawings and two maps by the author himself the book became an instant success and was reprinted shortly afterwards with five color plates Tolkien's own selection of finished paintings and drawings have become inseparable from his text adorning editions of The Hobbit for more than 85 years But the published art has afforded only a glimpse of Tolkien's creative process and many additional sketches colored drawings and maps although exhibited and published elsewhere have never appeared within the

pages of *The Hobbit* In this unique enhanced edition of Tolkien's enchanting classic tale the full panoply of his art is reproduced for the first time presenting more than 50 illustrations to accompany Bilbo Baggins on his adventure there and back again

J.R.R. Tolkien Matthew Townend, 2024-08-27 Very Short Introductions Brilliant Sharp Inspiring J R R Tolkien was the author of two of the most extraordinary most original and most popular books of the twentieth century *The Hobbit* and *The Lord of the Rings* The encounter with his works has had profound and far reaching consequences for millions of readers who have experienced a form of re enchantment in the midst of the modern world Tolkien's works have opened a door to myth folklore and fairy tale and to the discovery of what we now call fantasy literature He is also a writer who has changed our common culture This Very Short Introduction by Matthew Townend offers an accessible and authoritative guide to the full range of Tolkien's extensive writings including his academic and posthumously published work It places Tolkien's writing in the time and context of their composition and it takes a thematic approach by exploring recurrent ideas and preoccupations in his writings Throughout the author offers new ideas and insights on Tolkien

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The History of the Hobbit: Mr Baggins and Return to Bag-End John D. Rateliff, J. R. R. Tolkien, 2011-11-24 This revised and updated examination of how J R R Tolkien came to write his original masterpiece *The Hobbit* includes his complete unpublished draft version of the story together with notes and illustrations by Tolkien himself

Beowulf and the Critics John Ronald Reuel Tolkien, 2002 The most important essay in the history of Beowulf scholarship J R R Tolkien's *Beowulf the monsters and the critics* has been much studied and discussed But scholars of both Beowulf and Tolkien have to this point been unaware that Tolkien's essay was a redaction of a much longer and more substantial work *Beowulf and the critics* which Tolkien wrote in the 1930s and probably delivered as a series of Oxford lectures This critical edition of *Beowulf and the critics* presents both unpublished versions of Tolkien's lecture each substantially different from the other and from the final published essay The edition included a description of the manuscript complete textual and explanatory notes and a detailed critical introduction that explains the place of Tolkien's Anglo Saxon scholarship both in the history of Beowulf scholarship and in literary history

Tree of Tales Trevor A. Hart, Ivan Khovacs, 2007 This work examines the theological relationship between creation and creativity in the works of J R R Tolkien It does so by bringing together a synthesis of various disciplines and perspectives to the creativity of J R R Tolkien Hart and Khovacs provide a fresh reading of these important themes in Tolkien and the result captures the multi faceted nature of Tolkien's own vivid theology and literary imagination Amazon com

is an international open access journal for innovative transdisciplinary classical studies edited by Annemarie Ambühl Filippo Carl Uhlir Christian Rollinger and Christine Walde. The site expands classical reception studies by publishing original scholarship free of charge and by reflecting on Greco Roman antiquity as present phenomenon and diachronic culture that is part of today's transcultural and highly diverse world. Antiquity in our understanding does not merely belong to the past but is always experienced and engaged in the present. The site contributes to the critical review on methods theories approaches and subjects in classical scholarship which currently seems to be awkwardly divided between traditional perspectives and cultural turns. The site brings together scholars writers essayists artists and all kinds of agents in the culture industry to get a better understanding of how antiquity constitutes a part of today's culture and transforms our present. The site appears twice yearly and publishes regular issues as well as specially themed and guest edited issues focused on individual subjects and questions. Call for papers are released regularly and long in advance on our homepage <https://www.thersites-journal.de> and on other pages that feature announcements for classical studies APA Mommsen Gesellschaft etc.

Tolkien Devin Brown, 2014-10-21 J.R.R. Tolkien transformed his love for arcane linguistic studies into a fantastic world of Middle Earth a world filled with characters that readers the world over have loved and learned from for generations. Devin Brown focuses on the story behind how Tolkien became one of the best known writers in the history of literature a tale as fascinating and as inspiring as any of the fictional ones he would go on to write. Weaving in the major aspects of the author's life career and faith Brown shares how Tolkien's beloved works came to be written. With a third follow up film and the book's release the same month there's a large interest in the faith values for these works. This book addresses that deep hunger to know what fuels the world and worldview of The Hobbit's celebrated author Tolkien. *Narrative and Belief* Markus Altena Davidsen, 2018-10-16 The Lord of the Rings Star Wars and certain other works of fantasy and science fiction have inspired some of their readers and viewers to believe that the superhuman powers of the story worlds such as Gandalf and the Force exist also in the real world. We can say that such fictional narratives possess religious affordance for they contain certain textual features that afford or make possible a religious rather than just a fictional use of the text. This book aims to identify those features of the text that make it possible for a fictional narrative to inspire belief in the supernatural beings of the story or even to facilitate ritual interaction with these beings. The contributions analyse the religious affordance and actual use of a wide range of texts spanning from Harry Potter and Star Wars over The Lord of the Rings and late 19th century Scandinavian fantasy to the Christian Gospels. Although we focus on the religious affordance of fictional texts we also spell out implications for the study of religious narratives in general and for the narrativist study of religion. This book was originally published as a special issue of the journal Religion.

J.R.R. Tolkien Encyclopedia Michael D.C. Drout, 2006-11-06 This book presents the most recent scholarship on J.R.R. Tolkien but also introduces and explores the author and scholar's life and work within their historical and cultural contexts. It examines Tolkien's fiction and his sources of influence along with his artistic and academic

achievements including his translations of medieval texts

Mythprint, 2007

The Making of Middle-earth

Christopher A. Snyder, 2024-10-08 This volume is perhaps the most in depth exploration ever undertaken of Tolkien's world. Accessible but authoritative and fully illustrated it is now being reissued with a stunning new cover treatment and updated commentary on new books, films, games and shows. This book originally published in 2013 and richly illustrated with photographs and artwork was the first to connect all the threads of influence on Tolkien that infused his creation of Middle-earth from the languages, poetry and mythology of medieval Europe and ancient Greece and Rome to the halls of Oxford and the battlefields of World War I. Snyder examines the impact of these works on our modern culture from 1960s counterculture to fantasy publishing, gaming, music and beyond. The reissue has a gorgeous updated cover design with a custom illustration on foil stamped faux cloth and additional pages of material covering new developments.

Intelligence, Creativity and

Fantasy Mário Ming Kong, Maria do Rosário Monteiro, Maria João Pereira Neto, 2019-09-30 The texts presented in *Proportion: Harmonies and Identities* PHI INTELLIGENCE CREATIVITY AND FANTASY were compiled with the intent to establish a multidisciplinary platform for the presentation, interaction and dissemination of research. The aim is also to foster the awareness and discussion on the topics of Harmony and Proportion with a focus on different visions relevant to Architecture, Arts and Humanities, Design, Engineering, Social and Natural Sciences and their importance and benefits for the sense of both individual and community identity. The idea of modernity has been a significant motor for development since the Western Early Modern Age. Its theoretical and practical foundations have become the working tools of scientists, philosophers and artists who seek strategies and policies to accelerate the development process in different contexts.

Remote Warfare

Rebecca A. Adelman, David Kieran, 2020-10-27 Considers how people have confronted, challenged and resisted remote warfare. Drone warfare is now a routine, if not predominant, aspect of military engagement. Although this method of delivering violence at a distance has been a part of military arsenals for two decades, scholarly debate on remote warfare writ large has remained stuck in tired debates about practicality, efficacy and ethics. *Remote Warfare* broadens the conversation, interrogating the cultural and political dimensions of distant warfare and examining how various stakeholders have responded to the reality of state-sponsored remote violence. The essays here represent a panoply of viewpoints revealing overlooked histories of remoteness, novel methodologies and new intellectual challenges. From the story arc of *Homeland* to redefining the idea of a warrior, these thirteen pieces consider the new nature of surveillance, similarities between killing with drones and gaming, literature written by veterans and much more. Timely and provocative, *Remote Warfare* makes significant and lasting contributions to our understanding of drones and the cultural forces that shape and sustain them.
