

# TOLKIEN'S *HOBBIT*

A BOOK OF  
20 POSTCARDS

# Hobbit Postcard

**Perry C. Bramlett**

## **Hobbit Postcard:**

The Hobbit Postcard Book J. R. R. Tolkien, 1997 A book of 20 postcards featuring a selection of artists interpretations of J R R Tolkien s The Hobbit      **I Am in Fact a Hobbit** Perry C. Bramlett, 2003 John Ronald Reuel Tolkien 1892 1973 was a brilliant writer who continues to leave his imaginative imprint on the mind and hearts of readers He was once called the creative equivalent of a people and for more than sixty years his Middle earth tales have captivated and delighted readers of all ages from all over the world The Hobbit has long been recognized as a children s fantasy classic and the heroic romance the Lord of the Rings has been called the most influential story of all time These stories have sold over 150 million copies worldwide and have been translated into over forty languages and they along with works such as the Silmarillion and the History of Middle Earth have convinced scores of readers and critics that Tolkien is the master writer of fantasy Whether you ve been a fan for years or you ve just recently been hooked by the blockbuster Lord of the Rings movies I Am in Fact a Hobbit is an excellent starting point into the life and work of J R R Tolkien Book jacket      **The Hobbit and History** Nancy R. Reagin, Janice Liedl, 2014-11-04 What do Gandalf and Merlin have in common besides robes and magical staffs Where do hobbits get their recipes riddles and love of rambling What other Rings of Power were circulating in medieval Europe How did Thorin violate the rules of medieval kingship You ll find the answers and more in this book which explores the magic and creativity behind J R R Tolkien s bestselling story from a historical perspective Tolkien was a professor of medieval languages and literature at Oxford University and he drew on his scholarship and the homely comforts common in his own day to build the world of The Hobbit The Hobbit and History uncovers the parallels between the Middle Ages and the intricate culture of Middle earth that Tolkien created in The Hobbit showing how historical cultures provided the models for Tolkien s characters foods riddles and battle tactics The book explores how European myths and legends inspired Tolkien s wizards dragons and the monsters he created Seeing Middle earth and its peoples against these historical backdrops shines new light on the richness of Tolkien s world which is rooted in knowledge of European cultures as deep as the archive that Gandalf explores in Minas Tirith Filled with fascinating facts and reproductions of Tolkien s original artwork of Smaug and other aspects of Middle earth The Hobbit and History is the missing piece for every book and movie fan and anyone who thought their J R R Tolkien collection was complete      **Switzerland in Tolkien's Middle-Earth** Martin S. Monsch, 2021-07-29 A journey in search of Middle earth In 1911 at the age of nineteen J R R Tolkien embarked on an adventurous journey through the Swiss Alps with a heavy pack he hiked over many high passes More than fifty years later he mentioned in a letter to his son Michael that this trip had deeply affected him Bilbo s journey in The Hobbit from Rivendell to the other side of the Misty Mountains he said was based on his own adventures in 1911 Tolkien himself named a few specific sources of inspiration most explicitly the Silberhorn Silverhorn So I wondered Was this perhaps only the tip of the iceberg Following in Tolkien s footsteps I myself set out into the spectacular mountain world with its stories myths and legends in search of his sources of inspiration and

little by little a vivid and mysterious world revealed itself to me a world that helped shape Middle earth More than 100 color images accompany the author s research and discovery journey along with 11 hiking and 3 road trip suggestions that allow readers to recreate Tolkien s experience with all its impressions themselves in the Swiss mountains This book is above all else an invitation to step into Tolkien s hiking shoes shoulder his pack and step back a century into a world which is as far from today as Middle earth is from our world a guidebook of impressions a walking tour of the nature of imagination and the imagination of nature John Howe Life In A Postcard Rosemary Bailey,2013-04-29 I wake to the sun striking gold on a stone wall If I lean out of the window I can see Mount Canigou newly iced with snow It is wonderful to live in a building with windows all around to see both sunrise and sunset to be constantly aware of the passage of the sun and moon In 1988 Rosemary Bailey and her husband were travelling in the French Pyrenees when they fell in love with and subsequently bought a ruined medieval monastery surrounded by peach orchards and snow capped peaks Traces of the monks were everywhere in the frescoed 13th century chapel the buried crypt the stone arches of the cloister For the next few years the couple visited Corbiac whenever they could until in 1997 they took the plunge and moved from central London to rural France with their six year old son Entirely reliant on their earnings as freelance writers they put their Apple Macs in the room with the fewest leaks and sent Theo to the village school With vision and determination they have restored the monastery to its former glory testing their relationship and resolve to the limit and finding unexpected inspiration in the place Life in a Postcard is not just Rosemary Bailey s enthralling account of the challenges of life in a small mountain community but also a celebration of the rugged beauty of French Catalonia the pleasures of Catalan cooking and an exploration of an alternative often magical world **J. R. R. Tolkien Postcard Book** J. R. R. Tolkien,1998-05-31 This postcard collection contains 20 full colour illustrations by Tolkien some well known ones from The Hobbit plus many other lesser known works The Hobbit Encyclopedia Damien Bador,Vivien Stocker,Coralie Potot,Dominique Vigot,2024-09-03 A comprehensive companion to The Hobbit and Tolkien s universe This encyclopedia includes a hundred entries spread out over seven chapters describing all the books characters the places Bilbo visited the creatures met during the journey magical items and great legendary myths that fed Tolkien s imagination The Making of Middle-earth Christopher A. Snyder,2024-10-08 This volume is perhaps the most in depth exploration ever undertaken of Tolkien s world Accessible but authoritative and fully illustrated it is now being reissued with a stunning new cover treatment and updated commentary on new books films games and shows This book originally published in 2013 and richly illustrated with photographs and artwork was the first to connect all the threads of influence on Tolkien that infused his creation of Middle earth from the languages poetry and mythology of medieval Europe and ancient Greece and Rome to the halls of Oxford and the battlefields of World War I Snyder examines the impact of these works on our modern culture from 1960s counterculture to fantasy publishing gaming music and beyond The reissue has a gorgeous updated cover design with a custom illustration on foil stamped faux

cloth and additional pages of material covering new developments

**The Worlds of J. R. R. Tolkien** John Garth, 2020-06-09 An illustrated journey into the life and imagination of one of the world's best loved authors Tolkien's Worlds provides a unique exploration of the relationship between the real and the fantastical and is an essential companion for anyone who wants to follow in Tolkien's footsteps

**Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004

**Auction Catalogs, Hodgson's Rooms** Sotheby Parke Bernet & Co, 1977

**Ocean City** Gianni DeVincent Hayes, Nan DeVincent-Hayes, John E. Jacob, 1999 Ocean City Maryland's own seaside resort has become so popular that it is almost too small five square miles to hold all its tourists The last few decades have brought tremendous growth to the area in the form of both population and development Bridges and tunnels have been built high rise hotels and condominiums have grown up and amusements of all kinds have become available to the summertime crowds In this second volume of Ocean City images of beach life from the late 1940s to the present day capture the spirit of this popular vacation spot From funnel cakes to Ferris wheels and deep sea fishing to seasonal festivals Ocean City now a year round retreat has offered millions of visitors an endless variety of entertainment Having survived destruction caused by storms problems associated with the real estate boom and the overwhelming surge of visitors who each summer crowd the boardwalk and Coastal Highway this small town has matured over the last few decades into the jewel of Maryland's shore

**Tolkien's Mythic Meaning** Quinn A. J. Gervel, 2025-05-27 Perhaps you have read The Lord of the Rings multiple times because it is a captivating story Maybe you experienced an awakening through the narrative that drew you back to Middle earth again Some have chosen to relive the journey from The Shire and back again because the adventure continues to bring new unexpected clarity about life Whatever the reason the story was compelling enough for you to revisit those hundreds and hundreds of pages all over again Tolkien's Mythic Meaning explores how and why After J R R Tolkien's The Hobbit debuted in 1937 readers were so enchanted by Bilbo's adventures they demanded more It took Tolkien over a decade to write The Lord of the Rings a monumental undertaking but one well worth the time invested to produce something he perceived readers were desperately hungry for Tolkien's Mythic Meaning demonstrates how Tolkien intentionally crafted The Lord of the Rings so that its narrative would mediate meaning to readers on a personal level deeper than words

**Tolkien's Dragons and Monsters** John Ronald Reuel Tolkien, Alan Lee, Ted Naismith, John Howe, 1993 A book featuring paintings inspired by the books of J R R Tolkien Artists include Alan Lee and others Cover

Catalogues of Sales Sotheby Parke Bernet & Co, 1978-08

**The Body in Tolkien's Legendarium** Christopher Vaccaro, 2013-08-29 The timely collection of essays is thematically unified around the subject of corporeality Its theoretical underpinnings emerge out of feminist Foucauldian patristic and queer hermeneutics The book is organized into categories specific to transformation spirit versus body discourse and source material More than one essay focuses on female bodies and on the monstrous or evil body While Tolkien's The Lord of the Rings is central to most analyses authors also cover The Hobbit The Silmarillion and material in The History of Middle earth

**Meditations on**

**Middle-Earth** Orson Scott Card, Ursula K. Le Guin, 2002-10-11 Hugo Award Nominee George R R Martin Ursula K Le Guin Terry Pratchett Harry Turtledove and others reveal how Tolkien inspired and influenced them When J R R Tolkien created the extraordinary world of Middle earth and populated it with fantastic archetypal denizens reinventing the heroic quest the world hardly noticed Sales of The Lord of the Rings languished for the better part of two decades until the Ballantine editions were published in America By the late 1950s however the books were selling well and beginning to change the face of fantasy forever A generation of students and aspiring writers had their hearts and imaginations captured by the rich tapestry of the Middle earth mythos the larger than life heroic characters the extraordinary and exquisite nature of Tolkien s prose and the unending quest to balance evil with good In Meditations on Middle earth writers share details of their personal relationships with Tolkien s mythos for it inspired them all Had there been no Lord of the Rings there would also have been no Earthsea books by Ursula K Le Guin no Song of Ice and Fire saga from George R R Martin no Tales of Discworld from Terry Pratchett no Legends of Alvin Maker from Orson Scott Card Each of them was influenced by the master mythmaker and now each reveals the nature of that influence and their personal relationships with the greatest fantasy novels ever written in the English language A Locus Award Nominee Middle-Earth in Magic Mirror Maps... Of the Wilderland in Wales... Of the Shire in England Stephen Ponty, 2014-07-28 This work is a fresh look at the Maps of the Wilderland in The Hobbit leading to the discovery that Professor Tolkien drew the imaginary maps from the Map of Wales back to front or in reverse The maps of the Shire in The Lord of The Rings are drawn likewise of England They are on their way to visit the land of their fathers away east beyond Mirkwood put in Gandalf Gandalf s talk of the land of their fathers is by translation of its national anthem Professor J R R Tolkien s hidden clue to the geography of Wales which we learn the Professor loved including its language The focal point of The Hobbit the Lonely Mountain is identified as Cadair Idris of North West Wales Many of the topographical features of the Mountain coincide The volcano mouth Lake of the Lonely Mountain so resembles Llyn Cau of Cadair Idris The marvel is that the lake has been overlooked so long not only by Smaug the Dragon but also by most commentators on The Hobbit Which reader remembers there is a lake at all Stephen interprets many of the allusions borrowed by Tolkien in his fantastic tale including Beorn at the Carrock the herons of Wales at Lake Town and dragon fire at the Withered Heath The work is divided into nine parts with three site groupings His unique focus on Tolkien s map making methodology will make his book relevant not only to Tolkien fans worldwide but those interested in geography too *J.R.R. Tolkien Encyclopedia* Michael D. C. Drout, 2007 A detailed work of reference and scholarship this one volume Encyclopedia includes discussions of all the fundamental issues in Tolkien scholarship written by the leading scholars in the field Coverage not only presents the most recent scholarship on J R R Tolkien but also introduces and explores the author and scholar s life and work within their historical and cultural contexts Tolkien s fiction and his sources of influence are examined along with his artistic and academic achievements including his translations of medieval texts teaching posts linguistic works and the

languages he created The 550 alphabetically arranged entries fall within the following categories of topics adaptations art and illustrations characters in Tolkien s work critical history and scholarship influence of Tolkien languages biography literary sources literature creatures and peoples of Middle earth objects in Tolkien s work places in Tolkien s work reception of Tolkien medieval scholars scholarship by Tolkien medieval literature stylistic elements themes in Tolkien s works theological philosophical concepts and philosophers Tolkien s contemporary history and culture works of literature

**STILL LOADING** Aman Khatri, 2025-06-26 Born in an Army cantonment raised in school assemblies across pin codes and trained in the art of packing and unpacking friendships this is my chaotically charmed life I made friends faster than Wi Fi connects and said goodbye even faster Emotional attachments came with expiry dates and posting orders From preparing for Monday tests to preparing presentations for Monday reviews the journey s been nothing short of comic evolution I ve had more school IDs than passwords and every classroom hostel and farewell taught me something the boardroom never could Being an Army kid meant learning adaptability before algebra and diplomacy before decimals This book isn t a guide to corporate success it s a survival kit filled with humour hope and just enough childhood trauma to make you smile It s not just about boardrooms and business cards it s about remembering who you were before you became your email signature So read on and maybe just maybe you ll find your inner child hiding behind that Excel sheet

## Whispering the Techniques of Language: An Psychological Journey through **Hobbit Postcard**

In a digitally-driven world where displays reign great and instant connection drowns out the subtleties of language, the profound secrets and psychological nuances hidden within phrases usually go unheard.
