Hobo on the Way to Heaven Art Linkletter, George Victor Bishop, 1980 **Hobo on the Way to Heaven** Outlet, Outlet Book Company Staff, Random House Value Publishing Staff, 1984-10-01 *South of Heaven* Jim Thompson, 2024-09-24

Orphaned by a tragic accident at sixteen Tommy Burwell s been scraping out a meager existence working dead end jobs for years When he and fellow nomad Four Trey Whitey get jobs working with dynamite making way for a new pipeline across the deserted plains of Far West Texas disaster ensues In a matter of days Tommy is brutally beaten and witness to an act of cold blooded murder the law can t be bothered to investigate When Carol a knockout beauty shows up looking to follow the caravan of workers Tommy falls for her almost immediately There aren t any jobs for women on the pipeline but Carol knows a few things she could do for the workers to keep afloat an arrangement that Tommy can t bear for long As Tommy s about to find out when you re South of Heaven you re far from grace and sometimes the only way out is down *The Booze Route* John E. Main, 1907 The Road Jack London, 2019-11-19 In The Road Jack London masterfully weaves a tale of adventure that mirrors both the physical and emotional journeys of its characters Set against the backdrop of early 20th century America the narrative encapsulates the spirit of the age exploring themes of existentialism resilience and the struggle for survival in a rapidly changing world London s prose blends vivid imagery with a rugged naturalism reflecting his belief in the primal instincts that drive humanity This novella not only serves as a testament to the strength of the human spirit but also critiques the socio economic realities of the time positioning it within the literary canon of social realism Jack London an influential figure in American literature drew from his diverse experiences from the Klondike Gold Rush to his travels in the South Seas His background in journalism and exploration imbued his writings with authenticity and depth London s own battles with poverty and his fervent passion for social reform shaped his worldview informing the narrative of The Road as it grapples with themes of aspiration and hardship I wholeheartedly recommend The Road to readers who seek a profound exploration of the human condition threaded with adventure and stark realism London s eloquent prose invites us to examine our own journeys and the roads we choose making this work not only timely but also timeless in its relevance **Citizen Hobo** Todd DePastino, 2010-03-15 In the years following the Civil War a veritable army of homeless men swept across America s wageworkers frontier and forged a beguiling and bedeviling counterculture known as hoboemia Celebrating unfettered masculinity and jealously guarding the American road as the preserve of white manhood hoboes took command of downtown districts and swaggered onto center stage of the new urban culture Less obviously perhaps they also staked their own claims on the American polity claims that would in fact transform the very entitlements of American citizenship In this eye opening work of American history Todd DePastino tells the epic story of hoboemia s rise and fall and crafts a stunning new interpretation of the American century in the process Drawing on sources ranging from diaries letters and police reports to movies and memoirs Citizen Hobo breathes life into the largely forgotten world of the road but it also crucially shows how

the hobo army so haunted the American body politic that it prompted the creation of an entirely new social order and political economy DePastino shows how hoboes with their reputation as dangers to civilization sexual savages and professional idlers became a cultural and political force influencing the creation of welfare state measures the promotion of mass consumption and the suburbanization of America Citizen Hobo s sweeping retelling of American nationhood in light of enduring struggles over home does more than chart the change from homelessness to houselessness In its breadth and scope the book offers nothing less than an essential new context for thinking about Americans struggles against inequality and alienation

Glimpses Regis Auffray,2014-02-12 Poetry like other forms of creative arts such as painting music sculpture etc is a way for the poet to share life experiences feelings emotions images and thus express his or her personality Most human beings Earthians have a desire to be with others and one of the ways this is done is through communication by whatever means are available Poetry is one way of expressing one s self The poems in this book offer glimpses into the poet s soul They touch on a myriad of themes that are common to all who have undertaken the journey through this particular life in this place known as Earth It is the author s hope that the reader will be able to identify with to understand and perhaps to empathize with the various situations dilemmas conflicts miseries euphoria etc that are shared by means of his verses *Glimpses* is the author s first poetry collection of a non limerick genre

Judge ,1920 **A Hobo's Son and an Orphan Girl** Bob Bristow,2024-06-06 This book started out as a set of adventure stories that have been published locally in several outdoor newsletters These stories were so well received that the adventures in other parts of the life of the author and his family were added A love story naturally evolved because that was what kept them going and led them from the wilderness where they grew up to the big cities working in politics aerospace and other advanced technologies They combined this city work with many kinds of adventures mostly adventures in wild and unexplored mountains The love became obvious as Bob struggled for over 50 years to satisfy a promise he made to a 13 year old girl in grade school Someday I will build you a castle on a mountain The book is interesting because it describes a lifetime of outdoor adventures and the effort of two kids to stay alive and progress up the social ladder The relevant message is that two very poor kids at the bottom of the social ladder can not only survive but rise to the top The story is unique because the adventures have been experienced by no one else From Bob falling off an 80 foot cliff to Luci battling a new form of cancer that was supposed to take her life Readers should take away a good feeling reading about successfully living through many adventures in the mountains and in social life About the Author Bob Bristow has a BS in Mechanical Engineering an MS in aeronautical Engineering and all PhD coursework completed in Aerospace Engineering He worked for Boeing for over 60 years where he built and ran his own research lab He was an elder in his church and was involved in many professional organizations Bob enjoys skiing scuba diving mountain climbing fishing and hunting He is most passionate about prospecting and mining

Living the Dream Allen Wellenstein,2020-11-24 My first book was The Life and times of the Rich Hobo This book Living the Dream is an extension of the last book I picked the name Living the Dream In all of my books I say that all the time Some days I feel like I am living the dream I wrote the book because I had so many stories to tell everyone so many things I have done places I have seen and people I have met over the years I am hoping and praying that my book will help people get closer to God I get to share my experiences strengths and hope with my readers I get to write about my Christian walk with God One day at a time how I have been in recovery for thirty two years There are some crazy stories I want to tell people about God and how He has changed my life How God takes care of me so much I get to write about His love and grace in my life A lot of stories of the wacky things I have done The miracles I have seen on the streets Also the miracles I have seen in Church My traveling stories freight train hoping street living I want to let people know the stories of street living Living with so much pain off and on the streets My mental and physical problems I deal with daily The things that haunt me In my book I want to let people know about my business and my daily struggles How I get treated selling my wares I also write about how many nice people have blessed me writing about me being a hobo at heart I put a God story in each chapter or I write it at the end of the chapter I really enjoy telling and writing stories That is what living the dream all about Loving what I do for a living Getting to do what I want when I want to Life is a vacation I get to tell stories of the angels that are watching over me How a man can live off of God s blessing and his wits Telling stories of how much I love trains even when I
