Hockneys People:

The Hockneys John Hockney, 2021-08-31 The most charming portrait of this ever popular artist so enormously appealing good natured bluntly told skimmed with Yorkshire humour This is a story of sticky jam tarts catching tadpoles in jars torchlit conversations under the bedclothes gossipy queues at the butcher s and hikes among the hedgerows under swallow strewn skies The Telegraph Never worry what the neighbours think was the philosophy that Kenneth Hockney used to inspire his children David Hockney one of the world s greatest living artists and siblings John Paul Philip and Margaret to each choose their own route in life The Hockney s is a never before seen insight into the lives of the family by youngest brother John from growing up in the Second World War in Bradford through to their diverse lives across three continents Hardship successes as well as close and complex relationships are poignantly illustrated with private photographs With a rare and spirited look into the lives of an ordinary family with extraordinary stories we begin to understand the creative freedom that led to their successful careers and the launchpad for an artist s work that has inspired and continues to inspire generations across the world

David Hockney Christopher Simon Sykes, 2014-11-11 In this fascinating and entertaining second volume Christopher Simon Sykes explores the life and work of Britain s most popular living artist David Hockney is one of the most influential and best loved artists of the twentieth century His career has spanned and epitomized the art movements of the past five decades Picking up Hockney s story in 1975 this book finds him flitting between Notting Hill and California where he took inspiration for the swimming pool series of paintings creating acclaimed set designs for operas around the world and embracing emerging technologies the Polaroid camera and fax machine in the seventies and eighties and most recently the iPad Hockney s boundless energy extends to his personal life too and this volume illuminates the glamorous circles he moves in as well as his sometimes turbulent relationships Christopher Simon Sykes has been granted exclusive and unprecedented access to Hockney s paintings notebooks and diaries and a great number of them are reproduced here Featuring interviews with family friends and Hockney himself this is a lively and revelatory account of an acclaimed artist and an extraordinary man

A Bigger Message: Conversations with David Hockney (Revised Edition) Martin Gayford, 2016-08-16 Sumptuously illustrated this radiant volume encapsulates what it truly means to be a visual artist Booklist David Hockney's exuberant work is highly praised and widely celebrated he is perhaps the world's most popular living painter But he is also something else an incisive and original thinker on art This new edition includes a revised introduction and five new chapters which cover Hockney's production since 2011 including preparations for the Bigger Picture exhibition held at the Royal Academy in 2012 and the making of Hockney's iPad drawings and plans for the show A difficult period followed the exhibition's huge success marked first by a stroke which left Hockney unable to speak for a long period followed by the vandalism of the artist's Totem tree trunk and the tragic suicide of his assistant shortly thereafter Escaping the gloom in spring 2013 Hockney moved back to L A A few months later Martin Gayford visited Hockney in the L A studio where the fully recovered artist was hard at work on his *Com die humaine* a series of full length portraits painted in the studio The conversations between Hockney and Gayford are punctuated by surprising and revealing observations on other artists Van Gogh Vermeer and Picasso among them and enlivened by shrewd insights into the contrasting social and physical landscapes of Yorkshire Hockney's birthplace and California

Modernists and Mavericks: Bacon, Freud, Hockney and the London Painters Martin Gayford, 2018-06-12 Martin Gayford's masterful account of painting in London from the Second World War to the 1970s illustrated by documentary photographs and the works themselves The development of painting in London from the Second World War to the 1970s has never before been told before as a single narrative R B Kitaj's proposal made in 1976 that there was a substantial School of London was essentially correct but it caused confusion because it implied that there was a movement or stylistic group at work when in reality no one style could cover the likes of Francis Bacon and also Bridget Riley *Modernists and Mavericks* explores this period based on an exceptionally deep well of firsthand interviews often unpublished with such artists as Victor Pasmore John Craxton Lucian Freud Frank Auerbach Allen Jones R B Kitaj Euan Uglow Howard Hodgkin Terry Frost Gillian Ayres Bridget Riley David Hockney Frank Bowling Leon Kossoff John Hoyland and Patrick Caulfield But Martin Gayford also teases out the thread weaving these individual lives together and demonstrates how and

why long after it was officially declared dead painting lived and thrived in London Simultaneously aware of the influences of Jackson Pollock Giacometti and through the teaching passed down at the major art school the traditions of Western art from Piero della Francesca to Picasso and Matisse the postwar painters were bound by their confidence that this ancient medium could do fresh and marvelous things and explored in their diverse ways the possibilities of paint **The Rolex Mentor and Protégé Arts Initiative: Visual arts: David Hockney and Matthias Weischer, a hand in the mirror** Rolex Mentor and Protégé Arts Initiative,2005 **David Hockney Photographs** David Hockney,1982 This exhibition is dedicated to the photographic work of American painter David Hockney Only 212 photographs will be exhibited some 30 000 that the artist collected for twenty years in a hundred albums This selection perfectly represents the complexity of his hectic activity
