The Hoffa Wars Dan E. Moldea, 2015-03-03 The definitive portrait of the powerful corruption ridden Teamsters union and its legendary president Jimmy Hoffa organizer gangster convict and conspirator with a new afterword by the author James Riddle Jimmy Hoffa was one of the most fascinating and controversial figures in twentieth century America His remarkable journey from young union organizer to all powerful head of the International Brotherhood of Teamsters is an epic tale worthy of a Hollywood blockbuster jam packed with intrigue subterfuge violence and corruption His successes were monumental his fall truly spectacular and his bizarre disappearance in the summer of 1975 remains one of the great mysteries in American history Widely considered to be the definitive volume on the career and crimes of Jimmy Hoffa *The Hoffa Wars* by acclaimed investigative journalist Dan E Moldea is an eye opening extensively researched account of the steady rise and fall of an ingenious ambitious man who was instrumental in transforming a small union of seventy five thousand truckers into the most powerful labor brotherhood in world Shocking disclosures in Moldea s no holds barred account include the devil s bargain that put Hoffa and his union in the pockets of the Mob Hoffa s role in the joint CIA Mafia plots to kill Cuban leader Fidel Castro the deal Hoffa made with US president Richard Nixon that released the disgraced Teamster president from prison eight years early and the truth behind Hoffa s eventual disappearance and likely murder But perhaps the most startling revelation of all concerns the integral part Jimmy Hoffa played in concert with underworld kingpins Carlos Marcello and Santos Trafficante in America s most terrible twentieth century crime the assassination of President John F Kennedy

Watergate: The Hidden History Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author s customary style The New York Observer While Richard Nixon s culpability for Watergate has long been established what s truly remarkable is that after almost fifty years conventional accounts of the scandal still don t address Nixon s motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in *Watergate: The Hidden History* provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn t get and that wasn t available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon s motivation for Watergate but also answers the two most important remaining

questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The Hidden History reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times Contract on America David E. Scheim,1988 Presents evidence of long suspected Mafia culpability in the murder of John F Kennedy **Deep Politics and the Death of JFK** Peter Dale Scott,1993 Meticulously documented investigation uncovering the political secrets surrounding John F Kennedy s assassination Borgata: Clash of Titans Louis Ferrante,2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia s existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia s unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general s brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia s ruling body the Commission in a situation that decides if the Commission s central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Pro Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body *Robert Kennedy* James Hilty,2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy s assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power **In Hoffa's Shadow** Jack Goldsmith,2019-09-24 The Irishman is great art but it is

not as we know great history Frank Sheeran surely didn't kill Hoffa But who pulled the trigger For some of the real story and for a great American tale in itself you want to go to Jack Goldsmith's book *In Hoffa's Shadow* Peggy Noonan *The Wall Street Journal* *In Hoffa's Shadow* is compulsively readable deeply affecting and truly groundbreaking in its re-examination of the Hoffa case a monumental achievement James Rosen *The Wall Street Journal* As a young man Jack Goldsmith revered his stepfather longtime Jimmy Hoffa associate Chuckie O'Brien But as he grew older and pursued a career in law and government he came to doubt and distance himself from the man long suspected by the FBI of perpetrating Hoffa's disappearance on behalf of the mob It was only years later when Goldsmith was serving as assistant attorney general in the George W Bush administration and questioning its misuse of surveillance and other powers that he began to reconsider his stepfather and to understand Hoffa's true legacy *In Hoffa's Shadow* tells the moving story of how Goldsmith reunited with the stepfather he'd disowned and then set out to unravel one of the twentieth century's most persistent mysteries and Chuckie's role in it Along the way Goldsmith explores Hoffa's rise and fall and why the golden age of blue collar America came to an end while also casting new light on the century-old surveillance state the architects of Hoffa's disappearance and the heartrending complexities of love and loyalty **Perfect Villains, Imperfect Heroes** Ronald L. Goldfarb, 2002 a compelling piece of work strongly evocative of an era that seems more and more to have been one of the most extraordinary periods in our history The unions the mobs the plots the characters Don DeLillo **The Wages of War** Richard Severo, Lewis Milford, 2016-03-08 A disturbing chronicle of the US government's mistreatment of American soldiers and veterans throughout history with a new introduction by Charles Sheehan Miles Time and time again the sacrifices made by veterans and their families have been repaid with scorn discrimination lack of health services scant financial compensation and other indignities This injustice dates back as far as the American Revolution when troops came home penniless and without prospects for work yet had to wait decades before the government paid them the wages they were owed When soldiers returned from the Cuban campaign after the Spanish American War they were riddled with malaria typhoid yellow fever and dysentery but the government refused to acknowledge their illnesses and finally dumped them in a makeshift tent city on Long Island where they were left to starve and die Perhaps the most infamous case of disgraceful behavior toward veterans happened after the Vietnam War when soldiers were forced to battle bureaucrats and lawyers and suffer media slander because they asked the government and chemical industry to help them cope with the toxic aftereffects of Agent Orange In *The Wages of War* authors Richard Severo and Lewis Milford not only uncover new information about the controversial use of this defoliant in Vietnam and the subsequent class action suit brought against its manufacturers but also present fresh information on every war in US history The result is exhaustive proof that save for the treatment of soldiers in the aftermath of World War II the government's behavior towards American servicemen has been more like that of a slippery insurance company than a policy rooted in the idea of justice and fair reward **Bufalino v. Corruption and Reform in the Teamsters Union David Scott Witwer,2003

Almost since its creation at the close of the nineteenth century the Teamsters Union has had recurring problems with corruption This book is the first in depth historical study of the forces that have contributed to the Teamsters troubled past as well as the various mechanisms the union has employed from top down directives to grass roots measures to combat the spread of corruption Arguing that the Teamsters Union was by its very nature especially vulnerable to certain forms of corruption David Witwer charts the process by which organized crime came to play a significant role in sectors of the union from low level involvements of the 1930s to suspicions of mob ties among the union s upper echelons beginning in the 1950s Witwer includes a detailed account of the links forged between the mafia and union head Jimmy Hoffa as well as the highly revealing McLellan Committee investigation that first brought these links to light David Witwer is a former employee of the New York County District Attorney s Office and the U S Attorney s Office Drawing on hundreds of hours of tapes of activities and conversations in the offices of corrupt union officials he brings his experience and insight to bear on the union s history considering the subject from a range of perspectives that include the rank and file the Teamster leadership and the criminal element He also examines the persistent efforts of labor opponents to capitalize on the union s unsavory reputation fanning the flames of crises of corruption in order to influence popular and legislative opinion *Ultimate Sacrifice* Lamar

Waldron,Thom Hartmann,2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews *Ultimate Sacrifice* re creates and in many ways rewrites the crucial period of our history leading up to November 22 1963 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from ant previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA s code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history *Ultimate Sacrifice* will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK s assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which *Ultimate Sacrifice* reveals for the first time in any book *Ultimate Sacrifice* has finally pieced together the whole

story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams **Act of Treason** Mark North, 2011-07 Examination of how J Edgar Hoover knew President Kennedy would be assassinated and the coverup that followed the assassination **The Hidden History of the Korean War, 1950-1951** I. F. Stone, 2014-09-16 A great journalist raises troubling questions about the forgotten war in this courageous controversial book with a new introduction by Bruce Cumings The Baltimore Sun Much about the Korean War is still hidden and much will long remain hidden I believe I have succeeded in throwing new light on its origins From the author's preface In 1945 US troops arrived in Korea for what would become America's longest lasting conflict While history books claim without equivocation that the war lasted from 1950 to 1953 those who have actually served there know better By closely analyzing US intelligence before June 25 1950 the war's official start and the actions of key players like John Foster Dulles General Douglas MacArthur and Chiang Kai shek the great investigative reporter I F Stone demolishes the official story of America's forgotten war by shedding new light on the tangled sequence of events that led to it The Hidden History of the Korean War was first published in 1952 during the Korean War and then republished during the Vietnam War In the 1990s documents from the former Soviet archives became available further illuminating this controversial period in history The Road to Dallas David Kaiser, 2009-11-30 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government's campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency's links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy's relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources The Road to

Dallas adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath
