abandoned Off Broadway nightclub just after WWII it was a catalyst for the Off Broadway movement The building had a unique arena shaped performance space that became Circle in the Square theatre New York's first Off Broadway arena stage and currently Broadway's only arena stage The theatre was precedent setting in many other regards including operating as a non profit contracting with trade unions establishing a school and serving as a home for blacklisted artists It sparked a resurgence of interest in playwright Eugene O'Neill's canon and was famous for landmark revivals and American premieres of his plays The theatre also fostered the careers of such luminaries as Geraldine Page Colleen Dewhurst George C Scott Jason Robards James Earl Jones Cecily Tyson Dustin Hoffman Irene Papas Alan Arkin Philip Bosco Al Pacino Amy Irving Pamela Payton Wright Vanessa Redgrave Julie Christie John Malkovich Lynn Redgrave and Annette Bening **Analecta** Jim Whiting, 2005 If you're looking for a trite phrase to describe the essence of this book try A trip down memory lane It might be as apt as any And Jim Whiting's *Analecta* fits that mold His bittersweet telling of a childhood filled with sometimes warm and fuzzy anecdotes may trigger fond memories of your own younger days The more unpleasant aspects of growing up are also visited here and these tales will have you grateful that your experiences perhaps similar are in the past only to be remembered sometimes painfully *Analecta* begins at a critical point in the author's life He is on the final lap of a solo car journey from upstate New York to Southern California Six days ago he had left a life that had become routine comfortable and very much a part of himself in retrospect perhaps too much so He would in a matter of hours be reunited with his wife who had taken a job a month prior in Solana Beach In New York State they had left behind four of five of their grown children and five grandchildren He also left behind almost twenty nine years in broadcasting and an overlapping career in cartooning that's his resume Flashbacks to his preteen years reveal a kid who shows very early entrepreneurial leanings He has a tendency to want to belong but he has difficulty being at ease in belonging Whiting touches on the uneasy relationship with his older brother is that so different from many siblings have There are interludes about a twelve year old kid getting lost in on his first visit to New York City a high school girl friend Navy boot camp magic in New Orleans personalities in Radio poems some very good some not so but fun observations made in classrooms business offices and on the tennis court Don't look for gossip accusations or grievances none of them are in this book It's definitely not a downer Returning to Mell Lazarus's Introduction for a final note It's a great book If you're like me you'll love it If you're not like me you'll love it

Encyclopedia of Television Film Directors Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers* long form television programs have been helmed by some of the most creative and accomplished names in directing *Encyclopedia of Television Film Directors* brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards
