Hogarth A Life And A World

Jenny Uglow

Hogarth A Life And A World:

William Hogarth Jenny Uglow, 2011-02-03 William Hogarth is a household name across the country his prints hang in our pubs and leap out from our history books He painted the great and good but also the common people His art is comically exuberant carried away by a passion for the ridiculous as Hazlitt said Jenny Uglow acclaimed author of *Elizabeth Gaskell Nature's Engraver* and *In These Times* uncovers the man but also the world he sprang from and the lives he pictured He moved in the worlds of theatre literature journalism and politics and found subjects for his work over the whole gamut of eighteenth century London from street scenes to drawing rooms and from churches to gambling halls and prisons After striving years as an engraver and painter Hogarth leapt into lasting fame with *A Harlot's Progress* and *A Rake's Progress* but remained highly critical of the growing gulf between the luxurious lives of the ruling elite and the wretched poverty of the masses William Hogarth was an artist of flamboyant overflowing imagination he was a satirist with an unerring eye a painter of vibrant colour and tenderness an ambitious professional who broke all the art world taboos Never content he wanted to excel at everything from engraving to history painting and a note of risk runs through his life Shortlisted for the Whitbread Prize *Hogarth A Life and a World* brings art history to life in the voices of Hogarth's own age The result is an unforgettable portrait of a great artist and a proud stubborn comic vulnerable man *Hogarth* Jennifer S. Uglow, 1997 Traces the career of the English artist and satirist and depicts life in eighteenth century England *Hogarth* Jenny Uglow, 2000-02-01 **The Visual Worlds of Life Writing** Kerstin Maria Pahl, 2025-01-04 An Open Access edition is available *The Visual Worlds of Life Writing* brings into conversation the two most popular genres in long eighteenth century England portraits and biographies As key instruments of social formation when Britain was forging the nation Linda Colley they were wielded alike by Whigs and Tories the aristocracy and the commercial middle classes high class artists and grub street writers They were most persuasive however when used jointly portrait prints ideally accompanied by *Brief Lives* sold by the thousands National histories were reissued to include pictures Portraitists were required to stage their sitters as though taken from real life situations Embedded into such interplay between texts and images was an aesthetic claim doing biography was a multimedia enterprise Far from being just words on a page eighteenth century life writing came with frontispiece portraits illustrations or elaborate title pages Biographers directed their readers to existing portraits of their subjects to enhance the reading experience Portraits made of calligraphic writing blurred the boundaries between text and image As a thorough reassessment of visual culture's role in producing biographies this book offers an in depth analysis of the rhetorics of portraiture and life writing an historical account of their sister arts tradition and an inquiry into the social function of profiling people **The Biography Book** Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people *A E's Biography* best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction

biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Hogarth's Works (with Life) John Ireland,1874 **Hogarth's Works with Life and Anecdotal Descriptions of his Pictures (Complete)** John Ireland,John Gough Nichols,2020-09-28

Hogarth is essentially English brave straight forward manly never pandering to fashion or fancy When he had to deal with sin and misery he met them full in the face bating no whit of their repulsiveness and in all his works wherever a moral is to be drawn it is a noble and a healthy one In his merry moods he is irresistibly comic when he stands forward as a censor of morals he is terrible in his truth when he creates a character it is always human and complete a true reflex of the age in which he lived Times may change and costumes but humanity remains much the same Take any series of the splendid list and the people who crowd the canvas live and move amongst us with different names and other attire Such suggestive cognomens as Mary Hackabout are not in use nor do procuresses haunt such localities as Wood Street in pursuit of their vile calling The course of fashion as of empire has taken its way westward but the whole story of the Harlot s Progress is as fresh and as applicable to a season in 1873 as it was a hundred and forty years before Have we not Tom Rakewells in scores among us and had Hogarth been living now would he not have interpolated another picture of the degradation attained by the spendthrift when he enters the employment of the moneylender as a decoy to poor flies such as he was himself at the beginning of the chapter The function of the satirist is still needed and there is no danger of the works of William Hogarth proving to be out of date Probably no artist ever told stories so well certainly no one ever acquired such a reputation and there is no reason why his splendid monuments should be found only in the libraries of the wealthy Every one should know something of him besides his moral lessons since of all the moral lessons he ever taught his life formed the most pointed Fearlessness and honesty were his watchwords from his early career of art after being released from the silversmith s apprenticeship in 1720 until the day of his death in 1764 when he retired from mundane existence full of years and honours As Ireland declares him to have asserted his drawings were meant for the crowd rather than for the critics and with that intention his book was commenced the original design being to comprise in one volume a moral and analytical description of seventy eight prints but as the work advanced such an amount of anecdote and illustrative comment suggested itself that he was compelled to adopt the three volume form which is here followed with the further addition to which we have alluded of such a full description and reproduction as the original compiler from accident or design omitted These will be found in the third volume and include many of the most important and meritorious works of the great artist It has been found advisable to change the ornamental and sometimes indistinct lettering of the original plates and to adopt a consistent and uniform style of titles At the same time

the elaborate catalogue compiled by Ireland is preserved since it is still highly valuable as a chronological list of every effort of Hogarth's hand although it would be folly to attempt a reproduction of every variation it contains The system pursued by Ireland and Nichols is followed and the Publishers venture to congratulate themselves on submitting to the notice of the artistic and literary world as well as to the public generally the best and cheapest edition of Hogarth's complete works ever brought forward **Hogarth's London** Henry Benjamin Wheatley,1909 Hogarth's Harlot Ronald Paulson,2003-12-03 In 1732 a blasphemous burlesque of the Christian Atonement was published in England without comment from the government or Church of England The author explains this absence of censure through a detailed examination of the parameters of blasphemy in 18th century England *Art Books* Wolfgang M. Freitag,2013-10-28 First published in 1997 For this second edition of *Art Books A Basic Bibliography of Monographs on Artists* the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition *The College Magazine* ,1858 LIFE ,1946-12-16 *LIFE Magazine* is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use *Mr. Hogarth's Will* Catherine Helen Spence,2021-05-18 In *Mr Hogarth's Will* Catherine Helen Spence weaves a compelling narrative that delves into themes of gender social reform and the complexities of inheritance in 19th century colonial Australia Spence employs a rich and engaging literary style blending sharp wit with keen observations of societal norms encapsulating the intricate dance between personal desires and societal expectations The novel is not only a commentary on the economic struggles faced by women but also serves as an exposé on the restrictive legal frameworks of the time all set against the backdrop of Australia's burgeoning identity Catherine Helen Spence an early advocate for women's rights and one of the first female novelists in Australia drew from her own experiences and social activism to craft this novel Her passion for social reform and deep understanding of the challenges faced by women in a patriarchal society is evident throughout the narrative As a pioneer in advocating for suffrage and education Spence's insights into the lives of her characters reflect her commitment to challenging the status quo and improving the conditions of her contemporaries *Mr Hogarth's Will* is essential reading for anyone interested in Australian literature women's rights or the socio political landscape of the 19th century Spence's powerful storytelling and incisive critique of societal norms resonate deeply making

this a poignant exploration of resilience and reform that continues to inspire modern readers **Natural Beauty, National Type** Melissa Geisler Trafton,1998 **Boys' Life** ,1972-11 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Life* ,1908 **Country Life** ,1910 **Life** John Ames Mitchell,1911 **Dictionary of Artists: Herring - Koonrnstra** Emmanuel Bénézit,2006 First English language edition of Emmanuel B n zit s Dictionnaire critique et documentaire des peintres sculpteurs dessinateurs et graveurs based on the 14 volume French edition published in 1999 It has been revised adapted and updated Preface **Basil; a Story of Modern Life** Wilkie Collins,1875
