wanted What I desired most with my life in disarray was the man who sat across from me He was tall dark and handsome but most notably forbidden It made every accidental touch more sinful and every session more addictive There was so much tragedy and he was supposed to fix me I shouldn't have wondered how it would feel to be trapped under his broad shoulders I shouldn't have focused on the way he licked his bottom lip every time his gaze dropped from mine and roamed my curves I shouldn't have dreamed about him breaking the rules to comfort me the way I desperately needed I did though and I was the first one to break He was my protector and my confidant and then he became my lover I teased him tempted the two of us and now there's no way to take it back With everything I've been through I didn't expect to fall for him There's only so much heartache I can take This is book 2 in the Love The Way You series Book 1 Kiss Me must be read first *Hold Me Tight and Tango Me Home* Maria Finn, 2010-02-09 Beautifully told Maria Finn relays her adventures in the world of tango with excitement wit and insight Robert Farris Thompson author of *Tango The Art History of Love* Maria Finn's husband was cheating First she threw him out Then she cried Then she signed up for tango lessons It turns out that tango has a lot to teach about understanding love and loss about learning how to follow and how to lead how to live with style and flair take risks and sort out what it is you really want As Maria's world begins to revolve around the friendships she makes in dance class and the milongas social dances she attends regularly in New York City we discover with her the fascinating culture history music moves and beauty of the Argentine tango With each new dance step she learns the embrace the walk the sweep the exit she is one step closer to returning to the world of the living Eventually Maria travels to Buenos Aires the birthplace of tango and finds the confidence to try romance again As exhilarating as the dance itself the story whirls us into the center
