Are You Ready For Change? Read, Reminisce, Receive, Restore. Ever dated someone and felt the need to take drastic measures to preserve your feelings? Yeah, me too. You want to give more of you, show more of yourself, and open up a little more. But you're afraid. You're afraid that something so sweet could become so bitter. So you caution yourself. See the beauty in Robot Love; is it doesn't have to end. So take your time and be mindful of your emotions. But keep in mind that it's OK for one Robot to love and miss another. Have you ever received a call from someone and felt the need to go into IMMEDIATE Prayer? You think Lord should I answer this call? Sometimes you have to push the call end button. Quite frankly, I find myself doing it more often. It's not because I don't want to be of service, but it's hard to help someone who becomes rebellious against assistance. So help if you can. But know that it's OK to let him/her go so you can grow. Remember when you were a kid and had imaginary talks with yourself about growing up? Yeah, me too. I can still hear my mother saying, "You better stay a child as long as you can." Momma told me there would be days when I wish I were still a kid. And you know what? She ain't ever lied. Despite my age, I still need her help. I never anticipated facing so many challenges as an adult. From me to you: Just be careful with what you wish. **The Love Below** is an empowering self-help guide for overcoming life-changing situations. But there are way too many obstacles preventing him getting his friends together in one place this close to Christmas. Or so everyone keeps telling him. Rick loves his partner Eliot and is very fond of his friends. But a man's patience can only stretch so far. The day of Auntie's birthday turns out to be a very confusing and distracting time for him, and everyone except him seems to be in on it. From

covert meetings to secret recipes to mysteriously vanishing decorations and even through a very hot but surprising seduction Rick is led astray until the day is almost over And then his friends show another side of their meddling Auntie Pop had love and respect from many of the escorts at the Haven and it looks like her day will be fondly remembered after all And Rick and Eliot may have the chance at last to make their own special commitment that s if Rick ever forgives all the subterfuge this Christmas special is a self contained story but it features all the characters who live and work at the Haven so it may be more fun if you ve read the previous books
