Holiday Shenanigans Celebrating Through The Year:

Holiday Shenanigans Pepper McGraw,2021-04-15 It was just supposed to be a one night stand Instamate and babies weren't on the menu Gigi's on a mission All she has to do is inform Adam he's going to be a father listen to him claim zero responsibility and then she can head back to her lonely life in the city Too bad his wolf pack has a whole other plan in mind One night and one night only That's what they agreed to So why is Adam's one night stand wandering around pack lands with a ridiculous pink poodle at her side Even worse the woman's conned his entire pack and his mother into adopting the duo

Warriors of Antiquity: A Humor-Packed Journey Through History Pasquale De Marco,2025-03-08 Prepare for a side splitting journey through the annals of history with our new book Warriors of Antiquity A Humor Packed Journey Through History This rib tickling expedition delves into the hilarious mishaps blunders and absurdities that have shaped the human experience Get ready to laugh out loud as we uncover the lighter side of history where time travelers find themselves in comical predicaments historical figures make epic faux pas and legendary heroes stumble into uproarious situations In this laugh filled odyssey we'll explore the hilarious side of royal courts where bumbling monarchs and their mischievous courtiers create a whirlwind of side splitting antics Witness epic battles turn into comedic skirmishes with soldiers tripping over their own feet and generals making hilariously poor decisions And as we journey through different cultures we'll encounter hilarious misunderstandings and cultural faux pas that will leave you in stitches Our intrepid time travelers add a new dimension to the historical comedy finding themselves entangled in a tangled web of temporal mishaps Watch them navigate the perils of historical hotspots only to find themselves caught in a whirlwind of anachronistic blunders and reality remixes From ancient civilizations to modern metropolises no era is spared from the hilarious misadventures that await We'll also encounter a cast of unforgettable characters including bumbling inventors whose contraptions go hilariously wrong mad scientists whose experiments yield hysterical results and mischievous scholars who play hilarious pranks in the halls of academia And let's not forget the animal antics that add a touch of furry chaos to the pages of history With each chapter you'll discover a fresh dose of humor guaranteed to leave you in stitches So buckle up and prepare for a wild witty and unforgettably funny ride through the ages Warriors of Antiquity A Humor Packed Journey Through History is the perfect antidote to the seriousness of traditional history books offering a hilarious perspective on the human experience that will leave you laughing long after you've finished reading If you like this book write a review

British post war culture British Art film theatre dance literature and music have attracted international recognition from the Angry Young Men to the Sex Pistols to Grayson Perry Now gaming the internet and social media enable creative communities to flourish and either fight for social justice or just be entertained Can we find the creative inspiration to succeed in a post capitalist future a wonderfully scholarly readable and useful treat on the perils of labelling culture Helen Lederer Comedienne It is the delinquents deviants and subversive Counterculturalists that embody the true grittiness of British Culture Subversive and volatile beings of anarchy freeing the masses from the commodification of commercialised expression Lurking in the margins Mark Edwards in Counterculture UK A Celebration expresses the liberated and reactionary nature of dance to mainstream culture through his euphoric exploration of free expression movement and identity A sensitive reflection of the youth within the northern powerhouse during socially and politically turbulent times that hyperextends itself to our present day discourses As dance is digitised through meme and viral media so to does the Counterculturalist constantly dancing their own revolution and liberating those who dare to be free in expression Kristian Gath QWERTY Theatre This is a good introduction to a diverse range of topics some of which of course will hold more interest than others but I think overall most are dealt with in a knowledgeable and capable way The writers know the subjects well enough that they can provide a clear overview as well as zoom in on the specific events or people who drove the movement or changes within the different fields and I like that we get different voices for each chapter There is nothing new or revolutionary in the book and the examples provided for most of the topics would be well known to the point of mainstream to most people but I still rather enjoyed reading the individual essays and seeing it in a context where the impact of certain events are shown on a variety of different stages The book can be used as a short starter to the different subjects If you want to delve deeper there is not much help in the book but as long as you are aware of that from the outset I doubt it will disappoint JBM 1776 Amazon 100 Reviewer I found it interesting when the author questioned the idea of whether counter culture declines when it becomes the culture and is therefore no longer pushing against anything I also enjoyed the way the author reminded the reader that the new technology of today s world really helps give space for people to explore their interests fantasies and share them with others I wonder where that will take us in the future Gemma Raishbrook Amazon

Debunking the Yule Log Myth Robert E. May, 2024-12-01 A powerful new book that corrects a false myth in African American history that Kirkus Reviews calls a thoughtful antidote to white Southern propaganda According to an oft repeated legend during Christmas before the Civil War all enslaved people in the American South enjoyed lengthy vacations of a week or more depending on how long an oversized Yule log burned in their master s fireplace As long as the log held out slaves escaped heavy labor and their masters whips and enjoyed a rare freedom of movement to go and do what they wished as well as gorge themselves on food and drink they never got the rest of the year No wonder they soaked those logs in swamps to make them burn even longer But is it true In this book historian Robert May takes readers on a detective caper as he investigates a story that reaches back to colonial America and continues today May finds no evidence of the Yule log tradition in the historical record instead showing that it originated with pro Confederate Lost Cause propagandists attempting to present the South s prewar system of human bondage in as soft tones as possible Tales about good natured masters and unresentful slaves jovially sharing Christmases played to this impulse beautifully Debunking the Yule Log Myth does more than correct the historical record It serves as a highly instructive case study in the process of historical mythmaking This captivating tale will appeal to all readers interested in African American history and the long struggle to support white supremacy by creating a mythical antebellum American South
