Holiness And High Country:

Holiness and High Country A. F. Harper, 1965-01-23 A favorite yearly devotional guide with the theme of Holiness

Holiness and High Country A. F. Harper, 2003 [Toward Conformity to the Image of Christ](#) Fred R. Johnson, 2005-02

Religion, Law, and the Land Brian E. Brown, 1999-11-30 Examining a series of court decisions made during the 1980s regarding the legal claims of several Native American tribes who attempted to protect ancestrally revered lands from development schemes by the federal government this book looks at important questions raised about the religious status of land The tribes used the First Amendment right of free exercise of religion as the basis of their claim since governmental action threatened to alter the land which served as the primordial sacred reality without which their derivative religious practices would be meaningless Brown argues that a constricted notion of religion on the part of the courts combined with a pervasive cultural predisposition towards land as private property marred the Constitutional analysis of the courts to deprive the Native American plaintiffs of religious liberty Brown looks at four cases which raised the issue at the federal district and appellate court levels centered on lands in Tennessee Utah South Dakota and Arizona then it considers a fifth case regarding land in northwestern California which ultimately went to the U S Supreme Court In all cases the author identifies serious deficiencies in the judicial evaluations The lower courts applied a conception of religion as a set of beliefs and practices that are discrete and essentially separate from land thus distorting and devaluing the fundamental basis of the tribal claims It was this reductive fixation of land as property implicit in the rulings of the first four cases that became explicitly sanctioned and codified in the Supreme Court's decision in *Lyng v Northwest Indian Cemetery Protective Association* of 1988 In reaching such a position the Supreme Court injudiciously engaged in a policy determination to protect government land holdings and did so through a shocking repudiation of its own long established jurisprudential procedure in cases concerning the free exercise of religion

Poems for Praise, Comfort, and Joy Ronald Jirovec, 2014-08-05 My poetry covers a wide variety of topics with the main one being scriptural instruction and wisdom I also write about life mysteriousness hard times and testing adventurous hiking other people intellectual and philosophical introspection comfort and hope for the future I will challenge you to seek God and discover his plan for you

The Doctrine of the Holy Spirit: Subject analysis and indexes Esther Dech Schandorff, 1995 [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) , 2004 **God Speaks Through His Word** Albert Foster Harper, 1985 *Discipleship* Neil B.

Wiseman, 1981 **The Doctrine of the Holy Spirit: Alphabetical list** Esther Dech Schandorff, 1995 **Transcendental Meditation in America** Joseph Weber, 2014-04-01 The Indian spiritual entrepreneur Maharishi Mahesh Yogi took the West by storm in the 1960s and 70s charming Baby Boomers fed up with war and social upheaval with his message of meditation and peace Heeding his call two thousand followers moved to tiny Fairfield Iowa to set up their own university on the campus of a failed denominational college Soon they started a school for prekindergarten through high school allowing followers to

immerse themselves in Transcendental Meditation from toddlerhood through PhDs Although Fairfield's longtime residents were relieved to see that their new neighbors were clean cut and respectably dressed not the wild haired drug using hippies they had feared the newcomers nevertheless quickly began to remake the town Stores selling exotic goods popped up TM followers built odd looking homes that modeled the guru's rules for peace inspiring architecture and the new university knocked down a historic chapel even as it erected massive golden domed buildings for meditators Some newcomers got elected and others were defeated when they ran for local and statewide offices At times thousands from across the globe visited the small town Yet Transcendental Meditation did not always achieve its aims of personal and social tranquility Suicides and a murder unsettled the meditating community over the years and some followers were fleeced by con men from their own ranks Some battled a local farmer over land use and one another over doctrine Notably the world has not gotten more peaceful Today the guru is dead His followers are graying and few of their children are moving into leadership roles The movement seems rudderless its financial muscle withering despite the efforts of high profile supporters such as filmmaker David Lynch and media magnate Oprah Winfrey Can TM reinvent itself And what will be the future of Fairfield itself By looking closely at the transformation of this small Iowa town author Joseph Weber assesses the movement's surprisingly potent effect on Western culture sketches out its peculiar past and explores its possible future

Secular Steeples 2nd edition Conrad Ostwalt, 2012-09-27 An exploration of secularization in America this book provides students with an innovative way of understanding the relationship between religion and secular culture In Secular Steeples Conrad Ostwalt challenges long held assumptions about the relationship between religion and culture and about the impact of secularization Moving away from the idea that religion will diminish as secularization continues Ostwalt identifies areas of popular culture where secular and sacred views and objectives interact and enrich each other The book demonstrates how religious institutions use the secular and popular media of television movies and music to make sacred teachings relevant From megachurches to sports arenas the Bible to Harry Potter biker churches to virtual worship communities Ostwalt demonstrates how religion persists across cultural forms secular and sacred with secular culture expressing religious messages and sometimes containing more authentic religious content than official religious teachings An ideal text for anyone studying religion and popular culture each chapter provides questions for discussion a list of important terms and guided readings

A Passion for Nature Donald Worster, 2008-10-21 I am hopelessly and forever a mountaineer John Muir wrote Civilization and fever and all the morbidity that has been hooted at me has not dimmed my glacial eye and I care to live only to entice people to look at Nature's loveliness My own special self is nothing In Donald Worster's magisterial biography John Muir's special self is fully explored as is his extraordinary ability then and now to get others to see the sacred beauty of the natural world A Passion for Nature is the most complete account of the great conservationist and founder of the Sierra Club ever written It is the first to be based on Muir's full private correspondence and to meet modern scholarly

standards Yet it is also full of rich detail and personal anecdote uncovering the complex inner life behind the legend of the solitary mountain man It traces Muir from his boyhood in Scotland and frontier Wisconsin to his adult life in California right after the Civil War up to his death on the eve of World War I It explores his marriage and family life his relationship with his abusive father his many friendships with the humble and famous including Theodore Roosevelt and Ralph Waldo Emerson and his role in founding the modern American conservation movement Inspired by Muir s passion for the wilderness Americans created a long and stunning list of national parks and wilderness areas Yosemite most prominent among them Yet the book also describes a Muir who was a successful fruit grower a talented scientist and world traveler a doting father and husband a self made man of wealth and political influence A man for whom mountaineering was a pathway to revelation and worship For anyone wishing to more fully understand America s first great environmentalist and the enormous influence he still exerts today Donald Worster s biography offers a wealth of insight into the passionate nature of a man whose passion for nature remains unsurpassed

Faith in Nature Thomas Dunlap, 2009-11-17 The human impulse to religion the drive to explain the world humans and humans place in the universe can be seen to encompass environmentalism as an offshoot of the secular material faith in human reason and power that dominates modern society *Faith in Nature* traces the history of environmentalism and its moral thrust from its roots in the Enlightenment and Romanticism through the Progressive Era to the present Drawing astonishing parallels between religion and environmentalism the book examines the passion of the movement s adherents and enemies alike its concern with the moral conduct of daily life and its attempt to answer fundamental questions about the underlying order of the world and of humanity s place within it Thomas Dunlap is among the leading environmental historians and historians of science in the United States Originally trained as a chemist he has a rigorous understanding of science and appreciates its vital importance to environmental thought But he is also a devout Catholic who believes that the insights of religious revelation need not necessarily be at odds with the insights of scientific investigation This book grew from his own religious journey and his attempts to understand human ethical obligations and spiritual debts to the natural world CHOICE Outstanding Academic Title 2005

Journal of the General Assembly Church of the Nazarene. General Assembly, 1964

The Doctrine of the Holy Spirit Esther Dech Schandorff, 1995 Exhaustively mines the vast English language literature on the Holy Spirit and includes both print and nonprint media this important massive bibliography is recommended for seminary libraries or others supporting religious study CHOICE

Recording for the Blind & Dyslexic, ... Catalog of Books ,1996

The Pope's Rhinoceros Lawrence Norfolk, 2003 The Pope s Rhinoceros is a vivid antic and picaresque novel spun around one of history s most bizarre chapters the sixteenth century attempt to procure a rhinoceros as a bribe for Pope Leo X In February 1516 a Portuguese ship sank off the coast of Italy The Nostra Senora de Ajuda had sailed fourteen thousand miles from the Indian kingdom of Gujarat Her mission to bribe the pleasure loving Pope into favoring expansionist Portugal over her rival Spain with the most exotic and least likely of gifts a living

rhinoceros Moving from the herring colonies of the Baltic Sea to the West African rain forest with a cast of characters including an order of reclusive monks and Rome s corrupt cardinals courtesans ambassadors and nobles The Pope s Rhinoceros is at once a fantastic adventure tale and a portrait of an age rushing headlong to its crisis
