

What's the Difference Between Holland & the Netherlands?

Holland refers to only the two provinces of North & South Holland

The term "Dutch" refers to someone of or from the Netherlands

Holland And The Netherlands

Thomas Colley Grattan

Holland And The Netherlands:

Holland: the History of the Netherlands Thomas Colley Grattan, 1901 **Holland** Thomas Colley Grattan, 2022-08-01 In Holland Thomas Colley Grattan presents a comprehensive narrative threading the rich tapestry of the Netherlands history As a special edition curated by DigiCat Publishing this work is not only a testament to Grattan s meticulous historical research but also an exhibition of his exquisite literary craftsmanship The prose navigates seamlessly through the complexities of the Dutch Golden Age the turmoil of the Napoleonic conflicts and the eventual emergence of a contemporary nation Grattan s work steeped in the literary tradition of historical monographs emerges as a timeless classic honored rightfully by its careful reproduction in both print and digital formats for a new era of scholars and literary enthusiasts Thomas Colley Grattan an eminent historian of his time hails from a period wherein the interest in documenting and understanding the histories of European nations was burgeoning His exploration into the Dutch realm might well have been influenced by his own geopolitical environment where the unfolding events of his day called for a deeper insight into the historical underpinnings of nations Grattan s approach is pedagogical yet engaging reflecting his erudition and possibly his own cultural experiences and observations during his extensive travels across Europe Holland is indisputably essential reading for those who share a fervor for European history and the narrative art of recounting it DigiCat Publishing s dedication to preserving such quintessential works affords the contemporary reader a bridge to the past through which Grattan s insights into the enduring spirit and heritage of the Dutch people may be keenly appreciated This book will not only satisfy the scholarly appetite but will also appeal to anyone intrigued by the Netherlands influential past and its implications for European history at large

Holland Thomas Colley Grattan, 2015-06-25 Excerpt from Holland The History of the Netherlands The Netherlands form a kingdom of moderate extent situated on the borders of the ocean opposite to the southeast coast of England and stretching from the frontiers of Prance to those of Hanover The country is principally composed of low and humid grounds presenting a vast plain irrigated by the waters from all those neighboring states which are traversed by the Rhine the Meuse and the Scheldt This plain gradually rising toward its eastern and southern extremities blends on the one hand with Prussia and on the other with France Having therefore no natural or strongly marked limits on those sides the extent of the kingdom could only be determined by convention and it must be at all times subject to the arbitrary and varying influence of European policy Its greatest length from north to south is about two hundred and twenty English miles and its breadth from east to west is nearly one hundred and forty Two distinct kinds of men inhabit this kingdom The one occupying the valleys of the Meuse and the Scheldt and the high grounds bordering on France speak a dialect of the language of that country and evidently belong to the Gallic race They are called Walloons and are distinguished from the others by many peculiar qualities About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally

reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Holland** Thomas Colley Grattan,2007-05 Holland Thomas Colley Grattan,1901 **Library of**
