using or abusing animals as we once did Whether it s medicine product testing entertainment clothing or food there are now better options to all the uses animals once served in human life We can substitute warmer lighter faux fleece for wool choose vegan versions of everything from shrimp to marshmallows reap the benefits of animal free medical research and scrap captive orca exhibits and elephant rides for virtual reality and animatronics Animalkind provides a fascinating look at why our fellow living beings deserve our respect and lays out the steps everyone can take to put this new understanding into action

**The Historical Animal** Susan Nance,2015-09-22 The conventional history of animals could be more accurately described as the history of human ideas about animals Only in the last few decades have scholars from a wide variety of disciplines attempted to document the lives of historical animals in ways that recognize their agency as sentient beings with complex intelligence This collection advances the field further inviting us to examine our recorded history through an animal centric lens to discover how animals have altered the course of our collective past The seventeen scholars gathered here present case studies from the Pacific Ocean Africa Europe and the Americas involving species ranging from gorillas and horses to salamanders and orcas Together they seek out new methodologies questions and stories that challenge accepted historical assumptions and structures Drawing upon environmental social and political history the contributors employ research from such wide ranging fields as philosophy and veterinary medicine embracing a radical interdisciplinarity that is crucial to understanding our nonhuman past Grounded in the knowledge that there has never been a purely human time in world history this collection asks and answers an incredibly urgent question for historians and others interested in the nonhuman past in an age of mass extinctions mass animal captivity and climate change when we know much of what animals have done in the past which of our activities will we want to change in the future Reel Cowboys of the Santa Susanas
