Estonia Alexander Theroux,2011-11-21 Any journey with Alexander Theroux is an education Possessed of a razor sharp and hyperliterate mind he stands beside Thomas Pynchon as one of the sharpest cultural commentators of our time So when he decided to accompany his wife the artist Sarah Son Theroux on her Fulbright Scholarship to Estonia it occasioned this penetrating examination of a country that for many seems alien and distanced from the modern world For Theroux the country and its people become a puzzle His fascination with their language manners and legacy of occupation and subordination lead him to a revelatory examination of Estonia s peculiar place in European history All the while his
