Hollywood Today:

The CIA in Hollywood Tricia Jenkins, 2016-03-08 An in depth study of the CIA's collaboration with Hollywood since the mid 1990s and the important and troubling questions it creates What's your impression of the CIA A bumbling agency that can't protect its own spies A rogue organization prone to covert operations and assassinations Or a dedicated public service that advances the interests of the United States Astute TV and movie viewers may have noticed that the CIA's image in popular media has spanned this entire range with a decided shift to more positive portrayals in recent years But what very few people know is that the Central Intelligence Agency has been actively engaged in shaping the content of film and television especially since it established an entertainment industry liaison program in the mid 1990s *The CIA in Hollywood* offers the first full scale investigation of the relationship between the Agency and the film and television industries Tricia Jenkins draws on numerous interviews with the CIA's public affairs staff operations officers and historians as well as with Hollywood technical consultants producers and screenwriters who have worked with the Agency to uncover the nature of the CIA's role in Hollywood In particular she delves into the Agency's and its officers involvement in the production of *The Agency* *In the Company of Spies* *Alias* *The Recruit* *The Sum of All Fears* *Enemy of the State* *Syriana* *The Good Shepherd* and more Her research reveals the significant influence that the CIA now wields in Hollywood and raises important and troubling questions about the ethics and legality of a government agency using popular media to manipulate its public image Fascinating highly readable Overall Jenkins's work is fresh and original and demonstrates sound scholarship The author has a passion for the topic that translates to vibrant writing It is also a concise as well as entertaining look at an aspect of the CIA its media relations with Hollywood of which little is known Enthusiastically written and incorporating effective illustrative case studies *The CIA in Hollywood* is definitely recommended to students of film media relations the CIA and U S interagency relations H War

Today's Sounds for Yesterday's Films K.J. Donnelly,Ann-Kristin Wallengren,2016-04-08 In recent years there has been something of an explosion in the performance of live music to silent films There is a wide range of films with live and new scores that run from the historically accurate orchestral scores to contemporary sounds by groups such as Pet Shop Boys or by experimental composers and gothic heavy metal bands It is no exaggeration to claim that music constitutes a bridge between the old silent

film and the modern audience music is also a channel for non scholarly audiences to gain an appreciation of silent films Music has become a means both for musicians and audiences to understand this bygone film art anew This book is the first of its kind in that it aims to bring together writings and interviews to delineate the culture of providing music for silent films It not only has the character of a scholarly work but is also something of a manual in that it discusses how to make music for silent films

Chinese Cinemas Felicia Chan, Andy Willis, 2016-05-20 Chinese Cinemas International Perspectives examines the impact the rapid expansion of Chinese filmmaking in mainland China has had on independent and popular Chinese cinemas both in and outside of China While the large Chinese markets are coveted by Hollywood the commercial film industry within the People's Republic of China has undergone rapid expansion since the 1990s Its own production distribution and exhibition capacities have increased exponentially in the past 20 years producing box office success both domestically and abroad This volume gathers the work of a range of established scholars and newer voices on Chinese cinemas to address questions that interrogate both Chinese films and the place and space of Chinese cinemas within the contemporary global film industries including the impact on independent filmmaking both within and outside of China the place of Chinese cinemas produced outside of China and the significance of new internal and external distribution and exhibition patterns on recent conceptions of Chinese cinemas This is an ideal book for students and researchers interested in Chinese and Asian Cinema as well as for students studying topics such as World Cinema and Asian Studies
