## **Hollywoods Stephen King:**

**Hollywood's Stephen King** T. Magistrale, 2003-11-22 For the past three decades Hollywood has faithfully adapted much of Stephen King's fiction into film. Of the many major films that have been made, not one has lost money. Part of this may be explained in terms of King's own popularity in American culture; he has been, after all, a best-selling writer since the late 1970s. But more interesting is what this cinematic fascination reveals about postmodern American culture. In the first overview of Hollywood's major cinematic interpretations of Stephen King, Tony Magistrale examines the various thematic narrative and character interconnections that highlight the relationships among his films. Opening with a revealing interview with Stephen King, the book takes us through chapters that explore such popular films as *Stand By Me*, *Misery*, *The Shining*, *The Green Mile*, and *The Shawshank Redemption* among others. [Hollywood's Stephen King](#) Tony Magistrale, 2003-11-22 Tony Magistrale explores many of the movie versions of Stephen King's works and provides important insights into both the films and the fiction on which they are based. [Stephen King Goes to Hollywood](#) Jeff Conner, 1987 Discusses each of the films and TV movies made from King's novels and short stories and shares his comments on them. [Stephen King Goes to the Movies](#) Stephen King, 2009-02-05 It came from the mind of Stephen King. You've seen the films, now read the original stories and get a unique insight into Stephen King's take on the productions. For Stephen King, the experience of seeing his works of short fiction adapted for major Hollywood films has created its own tales, and he shares them here: five of his celebrated short stories plus King's personal commentary, his all-new introductions, and the essential behind-the-scenes revelations. Read on to discover the truth behind *The Shawshank Redemption* based on the novella *Rita Hayworth and Shawshank Redemption*, *1408*, *Children of the Corn*, *The Mangler*, *Hearts in Atlantis* based on *Low Men in Yellow Coats*.

**Stephen King Goes to Hollywood** Jeff Conner, Tim Underwood, 1987 Discusses each of the films and TV movies made from King's novels and short stories and shares his comments on them. **Stephen King at the Movies** Ian Nathan, 2019 Surely America's greatest storyteller, no single author has been adapted more regularly than Stephen King. With 65 existing movies and 30 television shows, and many more to come, the concept of the King adaptation lies at the core of what we understand as Hollywood entertainment: the essence of horror and the landscape of American life. Illustrated with a fabulous array of familiar and unusual iconography, this is the most comprehensive account of the films and television series adapted from the work of Stephen King ever put together. Every *Children of the Corn* movie has been accounted for; every remake and reboot wrestled into submission; all the dark recesses of King's imagination brought out into the light. Including fresh critical analysis, interviews, behind-the-scenes revelations, and biographical detail, this is both a King completist's dream and a must for all movie fans. Here is the chance to delve deep into such terrifying and beloved movies and TV shows as *Carrie*, *Salem's Lot*, *The Shining*, *Cujo*, *Stand By Me*, *Misery*, *The Shawshank Redemption*, *The Green Mile*, and such modern marvels as *Castle Rock*, *Mr. Mercedes*, *Pet Sematary*, *It*, *Chapters One and Two*, and *Doctor Sleep*. **Landscape of Fear** Tony Magistrale, 1988

One of the very first books to take Stephen King seriously Landscape of Fear originally published in 1988 reveals the source of King's horror in the sociopolitical anxieties of the post Vietnam post Watergate era In this groundbreaking study Tony Magistrale shows how King's fiction transcends the escapism typical of its genre to tap into our deepest cultural fears that the government we have installed through the democratic process is not only corrupt but actively pursuing our destruction that our technologies have progressed to the point at which the individual has now become expendable and that our fundamental social institutions school marriage workplace and the church have beneath their veneers of respectability evolved into perverse manifestations of narcissism greed and violence Tracing King's moralist vision to the likes of Twain Hawthorne and Melville Landscape of Fear establishes the place of this popular writer within the grand tradition of American literature Like his literary forbears King gives us characters that have the capacity to make ethical choices in an imperfect often evil world Yet he inscribes that conflict within unmistakably modern settings From the industrial nightmare of Graveyard Shift to the breakdown of the domestic sphere in The Shining from the techno horrors of The Stand to the religious fanaticism and adolescent cruelty depicted in Carrie Magistrale charts the contours of King's fictional landscape in its first decade

Dawidziak, 2019-08-09 A 25th anniversary history and celebration of The Shawshank Redemption one of the most cherished American films of the late twentieth century and one of the finest movies made from a Stephen King story The movie not only boasts a great story it has a great backstory starting with the dollar deal that eventually led King and co stars Tim Robbins and Morgan Freeman to put their trust in a largely untested director making his first feature film Although the film received mostly positive reviews on its release in September 1994 the box office was disappointing and it failed to win many awards But as Andy tells Red in the film no good thing ever dies The movie found new life reaching an ever growing audience on cable and home video through word of mouth it became one of the top rented movies of 1995 Each year The Shawshank Redemption rises in polls asking film fans to name their favorite movies It has become nothing less than this generation's The Grapes of Wrath an inspiring story about keeping hope alive in bleak times and under the most horrendous conditions
