**Lbj the Dallas Incident** Dr. John Chandler Griffin, 2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions chard questions that insulted both the WC s judgment and its objectivity As though that were not bad enough A few months later a New York attorney Mark Lane hired by Oswald s mother to vindicate her son published his myth shattering book Rush To Judgment The Warren Commission was blown out of the water But still no satisfactory answers were forthcoming Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy Anyone but themselves Then in New Orleans rose a new challenge District Attorney Jim Garrison began his investigation into the murders But again the Federal Government reared its ugly head State governors across the nation were advised to ignore subpoenas to testify in Garrison s trial And in almost every instance those governors obeyed their orders Other essential witnesses simply committed suicide Garrison himself was pilloried and held up to ridicule by the national news

media Still he persisted In the end with no witnesses 0 testify Garrison s trial ended in not guilty verdicts Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them And I do so with no apologies to anyone I will say that my heart goes out to Marina Oswald and her two daughters June Lee and Rachel May God be with them

**Who Shot JFK?** Robin Ramsay,2014-04-01 An updated edition discusses some startling recent work which seems to lead to an answer to the ultimate conspiracy theoryAfter nearly 1000 books half a dozen journals two official inquiries several million pages of declassified documents dozens of TV documentaries and hundreds of websites is there anything left to say about the assassination of President John F Kennedy Hell yes The Kennedy assassination remains both the greatest whodunit of the post World War II era and the best route into recent U S history In this short book taking it as proved that Lee Harvey Oswald was indeed the patsy he claimed to be before he was murdered Robin Ramsay looks at the assassination through the

work of the researchers who refused to buy the official cover up story that Lee Harvey Oswald was the assassin He explores the major alternative theories produced by the critics of the official version the major landmarks in the Kennedy assassination research and the disinformation produced on the subject since the event     *Motion Picture Herald* ,1925

*The Great War in America* Garrett Peck,2018-12-04 The Great War s bitter outcome left the experience largely overlooked and forgotten in American history This timely book is a reexamination of America s first global experience as we commemorate WWI s centennial The U S steered clear of the Great War for more than two years but President Woodrow Wilson reluctantly led the divided country into the conflict with the goal of making the world safe for democracy The country assumed a global role for the first time and attempted to build the foundations for world peace only to witness the experience go badly awry and it retreated into isolationism The Great War was the first continent wide conflagration in a century and it drew much of the world into its fire By the end four empires and their royal houses had fallen communism was unleashed the map of the Middle East was redrawn and the United States emerged as a global power only to withdraw from the world s stage The United States was disillusioned with what it achieved in the earlier war and withdrew into itself Americans have tried to forget about it ever since The Great War in America presents an opportunity to reexamine the country s role on the global stage and the tremendous political and social changes that overtook the nation because of the war     *The United States Catalog* ,1921
