Holy Horatio! Ray Russell, 1976 Children of the Series and how They Grew, Or, A Century of Heroines and Heroes, Romantic, Comic, Moral Faye Riter Kensinger, 1987 Children's series fiction comprises tales incorporating innocence and hard reality along with romance wit and character Heavy streaks of morality diminished as the entertainment element increased Heroes performed in a wide range of adventures but restrictions often kept heroines close to home Series fiction peaked then waned but such writers as Beverly Cleary and Madeleine L Engle carried on the style **Great Awakenings** Frank Hoffmann, Marshall Fishwick, Beulah B Ramirez, 2013-11-12 As religious fervor grows Dr Fishwick a recipient of the Ray and Pat Browne Award for Lifetime Achievement from The American Culture Association takes a sweeping look at religion in the United States the country with the highest church attendance in the Western world Popular religion can take many shapes and forms It can wax and wane but it cannot be eliminated or ignored That is what prompted him to write Great Awakenings Popular Religion and Popular Culture He ponders how religion affects American life and popular culture and why religion has become a major force in contemporary politics How has the Electronic Revolution furthered the religious right What does popular religion tell us about popular culture And about our faith He identifies and explores five great religious revivals or Great Awakenings the Atlantic Seaboard Awakening the Urban Awakening the Modernist Awakening the Celebrity Preacher Awakening the Electronic Awakening Fishwick explores the current events preceding and during each awakening its leaders followers and critics Great Awakenings gives a new understanding of the American religious past and leaves us with an anticipation for the next great awakening **Horatio's Boys** Edwin Palmer Hoyt, 1974 Although Hoyt reveals Alger's sexual attraction to boys he relies on previous biographers for most of his book Hoyt's biography is in fact a collection of misinformation Scharnhorst Gary The lost life of Horatio Alger Jr p xviii **Easterns, Westerns, and Private Eyes** Marcus Klein, 1994 Marcus Klein makes major contributions to American studies literary criticism and intellectual and social history In a perfectly crystalline and crystallized way he brilliantly exhibits how the American imagination was rapidly unexpectedly and utterly transformed as we made for the twentieth century Klein demonstrates how immigration popular literature the rise of ethnicity new psychological fears and old fables mixed together to make modern America No one has seen the underside of the American imagination so clearly and originally but once we are allowed to see what Klein does our understanding of our history and its vicissitudes is changed for good Jay Martin University of Southern California *The Very, Very Rich and How They Got That Way (Harriman Classics)* Max Gunther, 2021-09-07 Max Gunther's classic study of the super rich now back in a new edition The Very Very Rich and How They Got That Way provides revealing insights into the intriguing world of big money recounting the spectacular success stories of 15 people who made it to the very very top In 1972 Max Gunther invited readers to take a journey with him through a gallery of America's most prominent millionaires The inhabitants framed here are by no means merely ordinary millionaires though the minimum qualifying standard to be

considered for inclusion was ownership of assets valued at 100 million or more the equivalent of 650 million today This classic is now nearly 50 years old but its value endures since the key steps on the route to wealth do not change with time These secrets can be learned from adapted and applied by anyone today **The Holy Terror** H.G. Wells,2017-04-30 When Cook s newborn baby entered the world he had nothing but hope for its future However it was immediately clear that this was no ordinary child it s murderous screams seemed a dark portent As it grew things only got worse and the child s mother began to despair The new parents hoped their child would grow out of it but soon came to realise that its inauspicious beginnings were only a sign of things to come You Can Always Tell A Harvard Man Richard Bissell, The history and culture of Harvard told by Harvard graduate and renowned humorist novelist and playwright Richard Bissell Filled with historical facts and anecdotes about the formation and evolution of Harvard from 1636 1962 **The Holy Bible Containing the Old and New Testaments** Adam Clarke,1825 *The Holy Bible* Adam Clarke,1837 The Holy Bible, Containing the Old and New Testaments: Authorized Translations, Including the Marginal Readings and Parallel Texts, With a Commentary and Critical Notes Adam Clarke,2025-08-10 Reprint of the original first published in 1843 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Lives of the Novelists** John Sutherland,2012-03-27 No previous author has attempted a book such as this a complete history of novels written in the English language from the genre s seventeenth century origins to the present day In the spirit of Dr Johnson s *Lives of the Poets* acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction from gothic penny dreadful and pornography to fantasy romance and high literature Each author was chosen Professor Sutherland explains because his or her books are well worth reading and are likely to remain so for at least another century Sutherland presents these authors in chronological order in each case deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer s work Taken together these novelists provide both a history of the novel and a guide to its rich variety Always entertaining and sometimes shocking Sutherland considers writers as diverse as Daniel Defoe Henry James James Joyce Edgar Allan Poe Virginia Woolf Michael Crichton Jeffrey Archer and Jacqueline Susann Written for all lovers of fiction *Lives of the Novelists* succeeds both as introduction and re introduction as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings The holy Bible, with a comm. and critical notes by A. Clarke Thornley Smith,1881 *A Genealogical and Heraldic Dictionary of the Landed Gentry of Great Britain and Ireland* Bernard Burke,1863 **The Holy Bible ...
