experience all that she did in order for her to find the love that she longed for It has been 16 years since she has found this love and it hasn't faded away for her nor did it ever leave or hurt her not one time Because of this very reason Antoinette would like to share who gave her this love and let you know that this love is being given to you too I must assure you Antoinette is of NO exception to this very love by any means and she would just like to share her story with you in hopes that you will find this very same love too It doesn't matter who we are where we come from or even what we did in our life because we too are worth being loved the very same way that she was at all costs This love that Antoinette found was totally worth finding She found it so worthy that she is willingly choosing to share it with all of us in hopes of us accepting the value of our own worth to accept this very same love too Contact Information secreatagent4jesus@gmail.com *The Kingdom of God* Ruth Odia, 2009-06 By the time Jesus was twelve years old He was so well grounded in the Word that all who heard Him were amazed at His understanding Parents and guardians can use this devotional as a resource to lead family devotions if they have a young family or to train and disciple younger children who cannot read This daily devotional is also a tool that children can use to develop a personal time of fellowship with God as soon as they are able to read on their own As soon as children can read for themselves they can develop the habit of beginning each day by planting a seed from God's Word in their hearts In obedience to Jesus' command we as parents need to do our part faithfully to make disciples of our children ensuring that they are rooted firmly in the Word of God The Holy Spirit will do the rest Jesus also said Here is what God's kingdom is like A farmer scatters seed on the ground Night and day the seed comes up and grows It happens whether the farmer sleeps or gets up He doesn't know how it happens All by itself the soil produces grain First the stalk comes up Then the head appears Finally the full grain appears in the head Before long the grain ripens So the farmer cuts it down because the harvest is ready Mark 4:26-29 NIRV The author currently lives in Kitchener Ontario with her husband Judah and their five children When she is not busy mothering Ruth likes to spend time reading writing and enjoying the great outdoors
