Despite all this, Annabel succeeds in making the ranch a comfortable home. Then tragedy strikes. She loses the will to keep struggling and longs to return to Louisiana. Travis has to decide what matters most in his life. Can he make peace with his past in order to have a future with his wife?

What Was Lost Maureen O'Brien, 2021-02-23 When you hit rock bottom, it isn't rainbows and butterflies that you need; it's the words to express your deepest emotions without being judged for them. In this spiritual memoir, author Maureen O'Brien finds her words in the psalms. As a cancer survivor and heartbroken divorcee, O'Brien made a seemingly simple commitment to praying one psalm a day, no matter how uninspired she felt. And as she returned to the ancient poems day after day, she discovered something surprising: while the psalms did give her comfort, solace, and hope, they also gave her permission to rage, cry, and grieve. And what she found was that her most honest emotions pulled her nearer to God, not further away. This, O'Brien writes, is the gift of the psalms. At once relatable and inspiring, *What Was Lost* stands like a lighthouse on a stormy night, offering the reader a clear path to be led home.
