Forgotten Frontier Myanmar:

Winning by Process Jacques Bertrand, Alexandre Pelletier, Ardeth Maung Thawngmung, 2022-08-15 Winning by Process asks why the peace process stalled in the decade from 2011 to 2021 despite a liberalizing regime a national ceasefire agreement and a multilateral peace dialogue between the state and ethnic minorities Winning by Process argues that stalled conflicts are more than pauses or stalemates Winning by process as opposed to winning by war or agreement represents the state's ability to gain advantage by manipulating the rules of negotiation bargaining process and sites of power and resources In Myanmar five such strategies allowed the state to gain through process locking in sequencing layering outflanking and outgunning The Myanmar case shows how process can shift the balance of power in negotiations intended to bring an end to civil war During the last decade the Myanmar state and military controlled the process neutralized ethnic minority groups and continued to impose their vision of a centralized state even as they appeared to support federalism [The Rohingya, Justice and International Law](#) Kriangsak Kittichaisaree, 2021-10-31 Written by an international judge professor and former ambassador with decades of experience in the field this is an incisive and highly readable book about international law as well as realpolitik in bilateral and multilateral diplomacy in the quest for justice by victims of serious human rights violations amounting to grave crimes of international concern Focusing on the plight of the ethnic and religious group of persons called the Rohingya normally residing in Myanmar as the case study the book elaborates the complex legal technicalities and impediments in international courts and foreign domestic criminal courts exercising universal jurisdiction in relation to acts amounting to genocide crimes against humanity and or war crimes It builds on and adds value to existing literature on the international law applicable to the protection of human rights as interpreted by the International Court of Justice as well as that on the international criminal justice meted out by domestic criminal courts ad hoc international criminal tribunals and the permanent International Criminal Court The book will be essential reading for students researchers and academics in public international law international criminal law international human rights law as well as government officials and those working for NGOs and international organizations with mandates in these fields **Higher Education in Southeast Asia** Lorraine Pe Symaco, 2024-11-26 Chapters delve into the role of higher education in each Southeast Asian country with discussions such as quality access and equity globalisation and internationalisation in Higher Education governance sustainable development social responsibility aid in education culture and religion in education and more [Democratic Consolidation and Constitutional Endurance in Asia and Africa](#) Tom Gerald Daly, Dinesha Samararatne, 2024-01-23 What factors drive constitutional change and sustain positive transformation How are democratic values recognised restored and preserved through constitutional change Democratic Consolidation and Constitutional Endurance in Asia and Africa is a well articulated response to the growing scholarly conversation on democratic backsliding and resilience Bringing together leading and emerging voices in constitutional law this groundbreaking new collection considers recent democratising events

bloody conflict that dominates the news today Connelly and Loong survey three fundamental relationships that have shaped Myanmar before and after the coup between the military and the state between the majority Burmese and ethnic minorities and between Myanmar and the world to explain how opposition to the coup has shifted all of them in a more liberal pluralist and cosmopolitan direction

Malevolent Republic K.S. (Kapil Satish) Komireddi, 2024-03-28 After decades of imperfect secularism presided over by an often corrupt Congress establishment Nehru's diverse republic has yielded to Hindu nationalism India

the first major democracy to fall to demagogic populism in the twenty first century is racing to a point of no return Since 2014 the ruling BJP has unleashed forces that are irreversibly transforming the country Indian democracy honed over decades is now the chief enabler of Hindu extremism Bigotry has been ennobled as a healthy form of self assertion Anti Muslim vitriol has deluged the mainstream Religious minorities live in terror of a vengeful majority Congress now mimics Modi other parties pray for a miracle In this highly acclaimed critique of post Independence India from Nehru to Narendra Modi revised and expanded with a new chapter K S Komireddi charts the dismaying course of the world s largest democracy He argues that the missteps of the nation s founders the mistakes of Nehru the betrayals of his daughter and her sons the anti democratic fetish for technocracy carried to extremes by Manmohan Singh all of them prepared the way for Modi s march to absolute power If secularists fail to wrest the republic from Hindu supremacists Komireddi argues India may go the way of Yugoslavia and collapse under the burden of sinister ethno religious nationalism A gripping short history of modern India Malevolent Republic is also a passionate plea for India s reclamation *Social Transformations in India, Myanmar, and Thailand: Volume I* Chosein Yamahata, Donald M. Seekins, Makiko Takeda, 2021-01-02 This book focuses on the different challenges and opportunities for social transformation in India Myanmar and Thailand by centering communities and individuals as the main drivers of change In doing so it includes discussions on a wide array of issues including women s empowerment and political participation ethno religious tensions plurilingualism education reform community based healthcare climate change disaster management ecological systems and vulnerability reduction Two core foundations are introduced for ensuring broader transformations The first is the academic diplomacy project a framework for an engaged academic enquiry focusing on causative curative transformative and promotive factors The second is a community driven collective struggle that serves as a grassroots possibility to facilitate positive social transformation by using locally available resources and enabling the participation of the resident population As a whole the book conveys the importance of a diversification of engagement at the grassroots level to strengthen the capacity of individuals as decisive stakeholders where the process of social transformation makes communities more interconnected interdependent multicultural and vital in building an inclusive society On the Shadow Tracks Clare Hammond, 2024-06-06 On the Shadow Tracks harnesses the railway lines of Myanmar s complicated past to its turbulent present and the result is part travelogue part history and completely absorbing An astonishing achievement Joanna Lumley In 2016 while working as a journalist in Yangon Clare Hammond discovered an obscure map that showed a web of new railways spanning the length and breadth of the country railways not shown on any other publicly available maps She was determined to uncover the railways origins purpose and most of all the silence that surrounded them She would spend three months travelling on these mysterious railways and the next five years piecing their story together Her journey would take her from Myanmar s tropical south to the embattled mountain towns that border India and China In dilapidated carriages along tracks in disrepair through contested ethnic

states and former sites of forced labour visiting temples tea shops and festivals Clare encountered a colourful and contradictory Myanmar through the stories of its people Simultaneously a lush and evocative travelogue an unsparing account of Myanmar's recent history and an astonishing conversation shifting engagement with Britain's colonial legacy On the Shadow Tracks is that rare and necessary thing a book that finds and tells the truth
