Fort Wayne Is Seventh On Hitler's List:

Fort Wayne is Seventh on Hitler's List Michael Martone, 1993 Uncommon and uncanny hypnotic multidimensional realistic often hilarious these fifteen stories represent something new in American fiction Martone calls them mixtures of fact and fiction fame and obscurity their sources the little stories people repeat without thinking and then turn into myth

Wallace's Dialects Mary Shapiro, 2020-05-14 Mary Shapiro explores the use of regional and ethnic dialects in the works of David Foster Wallace not just as a device used to add realism to dialogue but as a vehicle for important social commentary about the role language plays in our daily lives how we express personal identity and how we navigate social relationships Wallace's Dialects straddles the fields of linguistic criticism and folk linguistics considering which linguistic variables of Jewish American English African American English Midwestern Southern and Boston regional dialects were salient enough for Wallace to represent and how he showed the intersectionality of these with gender and social class Wallace's own use of language is examined with respect to how it encodes his identity as a white male economically privileged Midwesterner while also foregrounding characteristic and distinctive idiolect features that allowed him to connect to readers across implied social boundaries [Legendary Locals of Fort Wayne](#) Randolph L. Harter, Craig S. Leonard, 2015-08-31 Fort Wayne sits astride the confluence where the St Joseph and St Mary's Rivers form the Maumee River Though occupied for over 10 000 years its modern history begins just over 200 years ago with Gen Anthony Wayne and his Miami nemesis Chief Little Turtle The pageant of Fort Wayne's history includes traders industrialists politicians athletes and movie stars Included here are such notables as Hollywood's Carole Lombard and Shelley Long Ian Rolland of Lincoln Life Big Boy's Alex Azar gangster Homer Van Meter football's Rod Woodson inventor Philo Farnsworth and over 150 more **Short Story Index**, 1994

Brooding Michael Martone, 2018 This collection of more than twenty five essays both meditative and formally inventive considers all kinds of subjects Throughout Martone's words inhabit spaces where the reconnection to people in the past and the metaphors of electronic memory converge *This Is Only a Test* B. J. Hollars, 2016-02-01 The Truman Capote Prize winning author provides an offbeat look at the fragility of human life and our resilience when faced with death Kirkus On April 27 2011 just days after learning of their pregnancy B J Hollars his wife and their future son endured the onslaught of an EF 4 tornado There while huddled in a bathtub in their Alabama home mortality flashed before their eyes With the last of his computer battery Hollars began recounting the experience and would continue to do so in the following years writing his way out of one disaster only to find himself caught up in another In this collection of personal essays Hollars faces tornadoes drownings and nuclear catastrophes These experiences force him to acknowledge the inexplicable while he attempts to overcome his greatest fear the impossibility of protecting his newborn son from the world's cruelties Through his and others stories Hollars creates a constellation of grief tapping into the rarely acknowledged intersection between fatherhood and fear sacrifice and safety and the humbling effect of losing control of our lives **Hoosiers** James H. Madison, 2014-08-05 The

Unconventions Michael Martone, 2010-02-25 Unconventions is a quirky and provocative miscellany that reveals Michael Martone's protean interests as a writer and a writing teacher Martone has shall we say a problem with authority His chief pleasure in knowing the rules of his vocation comes from trying out new ways to bend blend or otherwise defy them The pieces gathered in Unconventions are drawn from a long career spent loosening the creative strictures on writing Including articles public addresses essays interviews and even a eulogy these writings vary greatly in form but are unified in addressing the many technical and artistic issues that face all writers particularly those interested in experimental and nontraditional modes and forms Martone's approach has always been to synthesize to understand and use any technique formula or style available I find myself then he writes self-identifying as a formalist both and neither an experimenter and or a traditionalist In I Love a Parade An Afterword Martone writes about not fitting in and loving it as he recalls the time he marched alone in a local Labor Day parade as a one person delegation from the National Writers Union Elsewhere in writings formally stylistically purposely at odds with themselves Martone's expansive curiosity is on full display We learn about camouflage techniques how a baby acquires language how to read a WPA era post office mural and why Martone sold his stock in the New Yorker and reinvested his money in the company that makes Etch A Sketch Unconventions then is Martone's Frankensteinian monster a kind of unruly hybrid spawn of the

mainstream writing enterprise Writing seems to me an intrinsic pleasure an end in itself first says Martone The question for me is not whether my writing or any piece of writing is good or bad but what the writing is and what it is doing and how finally it is used or can be used by others
