Foucault And His Interlocutors

James Bernauer

Foucault And His Interlocutors:

Foucault and His Interlocutors Arnold Ira Davidson, 1997 This volume also includes several important works by Foucault previously unpublished in English *Foucault, Christianity and Interfaith Dialogue* Henrique Pinto, 2020-11-25 Foucault Christianity and Interfaith Dialogue develops a new model for interfaith dialogue using the work of the French historian of ideas Michel Foucault The author argues that it is the injustice done to the Other by Roman Catholic Protestant and other centred and unitary models of religious pluralism that allows the introduction of Foucault's de-centring of transcendence and human reason as an alternative model for understanding religious diversity and the role it ought to play in the constitution of the self and the making of society This Foucaultian approach provides a new direction for interfaith dialogue in the modern world and leads to an ethical rather than a nihilistic position while fostering a non-unitary theology of religious pluralism and an open textured process of self transformation The author's original and imaginative application and expansion of Foucault's concept of the More from *The Archaeology of Knowledge* 1969 makes important and original contributions to academic work on Foucault and contemporary theology **Foucault and the Politics of Rights** Ben Golder, 2015-10-07 This book focuses on Michel Foucault's late work on rights in order to address broader questions about the politics of rights in the contemporary era As several commentators have observed something quite remarkable happens in this late work In his early career Foucault had been a great critic of the liberal discourse of rights Suddenly from about 1976 onward he makes increasing appeals to rights in his philosophical writings political statements interviews and journalism He not only defends their importance he argues for rights new and as yet unrecognized Does Foucault simply revise his former positions and endorse a liberal politics of rights Ben Golder proposes an answer to this puzzle which is that Foucault approaches rights in a spirit of creative and critical appropriation He uses rights strategically for a range of political purposes that cannot be reduced to a simple endorsement of political liberalism Golder develops this interpretation of Foucault's work while analyzing its shortcomings and relating it to the approaches taken by a series of current thinkers also engaged in considering the place of rights in contemporary politics including Wendy Brown Judith Butler and Jacques Rancière **Foucault in Brazil** Marcelo Hoffman, 2024-02-20 Philosopher Michel Foucault's cultural criticism crosses disciplines and is well known as an influence on modern conceptions of knowledge and power Less well known are the five trips he took to Brazil between 1965 and 1976 Although a coup in 1964 had installed a military dictatorship Foucault kept his opinion on the Brazilian government largely to himself until October 23 1975 On that date he delivered a manifesto at a student assembly in S o Paulo expressing his solidarity with students and professors protesting a wave of arrests and torture This manifesto caught the government's attention and became the focal point of the dictatorship's surveillance of Foucault Foucault in Brazil explores the production of the public antagonism between the philosopher and the dictatorship through a meticulous consideration of each of his visits to Brazil Marcelo Hoffman connects history philosophy and political theory to open new ways of thinking

about Foucault as a person and thinker and about Brazil and authoritarianism Foucault and Theology Jonathan Tran, 2011-06-16 Near the end of his life Michel Foucault turned his attention to the early church Fathers He did so not for anything like a return to God but rather because he found in those sources alternatives for re imaging the self And though Foucault never seriously entertained Christianity beyond theorizing its aesthetic style one might argue that Christian practices like confession or Eucharist share family resemblances to Foucaultian sensibilities This book will explain how to do theology in light of Foucault or more precisely to read Foucault as if God mattered Therefore it will seek to articulate practices like confession prayer and so on as techniques for the self situate the church as politics within present constellations of power disclose theological knowledges as modes of critical intervention or what Foucault called archaeology and conceptualize Christian existence in time through mnemonic practices of genealogy **The Political Philosophy of Michel Foucault** Mark G.E. Kelly, 2010-06-21 This book is the first to systematically reconstruct Foucault's political and philosophical thought across his career arguing that Foucault had a consistent but ever growing political and philosophical viewpoint **Michel Foucault and Theology** James Bernauer, 2017-03-02 Whilst Foucault's work has become a major strand of postmodern theology the wider relevance of his work for theology still remains largely unexamined Foucault both engages the Christian tradition and critically challenges its disciplinary regime Michel Foucault and Theology brings together a selection of essays by leading Foucault scholars on a variety of themes within the history thought and practice of theology Revealing the diverse ways that the work of Michel Foucault 1926-1984 has been employed to rethink theology in terms of power discourse sexuality and the politics of knowledge the authors examine power and sexuality in the church in late antiquity Castelli Clark Schuld raise questions about the relationship between theology and politics Bernauer Leezenberg Caputo consider new challenges to the nature of theological knowledge in terms of Foucault's critical project Flynn Cutrofello Beadoin Pinto and rethink theology in terms of Foucault's work on the history of sexuality Carrette Jordan Mahon This book demonstrates for the first time the influence and growing importance of Foucault's work for contemporary theology **Foucault on Freedom** Johanna Oksala, 2005-06-16 Oksala identifies the different interpretations of freedom in Foucault's philosophy and examines its three major divisions *Foucault, Neoliberalism, and Beyond* Stephen W. Sawyer, Daniel Steinmetz-Jenkins, 2019-04-30 Few philosophers have garnered as much attention globally as Michel Foucault But even within this wide reception the consideration given to his relationship to neoliberalism has been noteworthy However the debate over this relationship has given rise to a great deal of polemics and confusion This volume brings together leading figures in the field to provide a reliable guide to one of the most controversial subjects in recent continental thought It puts across the case for Foucault's importance for post colonial race queer and feminist studies among other areas and opens up his relationship to neoliberalism to offer a broader picture of tensions brewing within the left more generally **The Early Foucault** Stuart Elden, 2021-05-20 It was not until 1961 that Foucault published his first major book History

of Madness He had already been working as an academic for a decade teaching in Lille and Paris writing organizing cultural programmes and lecturing in Uppsala Warsaw and Hamburg Although he published little in this period Foucault wrote much more some of which has been preserved and only recently become available to researchers Drawing on archives in France Germany Switzerland Sweden and the USA this is the most detailed study yet of Foucault's early career It recounts his debt to teachers including Louis Althusser Jean Hyppolite Maurice Merleau Ponty and Jean Wahl his diploma thesis on Hegel and his early teaching career It explores his initial encounters with Georges Canguilhem Jacques Lacan and Georges Dumzil and analyses his sustained reading of Friedrich Nietzsche Edmund Husserl and Martin Heidegger Also included are detailed discussions of his translations of Ludwig Binswanger Victor von Weizsäcker and Immanuel Kant his clinical work with Georges and Jacqueline Verdeaux and his cultural work outside of France Investigating how Foucault came to write History of Madness Stuart Elden shows this great thinker's deep engagement with phenomenology anthropology and psychology An outstanding meticulous work of intellectual history The Early Foucault sheds new light on the formation of a major twentieth century figure

Truth in the Late Foucault Paul Allen Miller, 2024-05-30 The first full treatment of truth as a core philosophical concept in the late Foucault this volume examines his work on the ancient world and the early church Each essay features a deep examination as to how the topics of truth and sexuality intersect with and focus on Foucault's engagement with ancient philosophy and thought Truth in the Late Foucault offers readings on Plato Artemidorus Cicero Sophocles and the Stoics and pays close attention to Cassian Paulinus of Nola and early Christian practices of confession With the publication of the long awaited volume 4 of the History of Sexuality Confessions of the Flesh the shape of the final Foucault is now brought into stark relief As well as looking at ancient thought the contributors explore Foucault's work in relation to philosophers such as Gadamer Heidegger Derrida and Descartes Foucault's long running and often contentious dialogue with psychoanalysis on the relation between truth and the subject is also examined Each essay not only makes an important statement but also is part of an interconnected arc of topics and understanding covering both the ancient and modern periods This book reveals that Foucault's concern with antiquity raises questions deeply pertinent to the present moment

Handbook on Governmentality William Walters, Martina Tazzioli, 2023-01-20 The Handbook on Governmentality discusses the development of an interdisciplinary field of research focusing on Michel Foucault's post foundationalist concept of governmentality and the ways it has been used to write genealogies of modern states the governance of societal problems and the governance of the self

Adorno, Foucault and the Critique of the West Deborah Cook, 2018-11-27 Adorno Foucault and the Critique of the West argues that critical theory continues to offer valuable resources for critique and contestation during this turbulent period in our history To assess these resources it examines the work of two of the twentieth century's more prominent social theorists Theodor W Adorno and Michel Foucault Although Adorno was situated squarely in the Marxist tradition that Foucault would occasionally challenge Cook demonstrates that their critiques of our

current predicament are complementary in important respects Among other things they converge in their focus on the historical conditions economic in Adorno and political in Foucault that gave rise to the racist and authoritarian tendencies that continue to blight the West But this book will also show that as Adorno and Foucault plumb the economic and political forces that have shaped our identities they offer remarkably similar answers to the perennial question What is to be done

Jane Austen and Other Minds Eric Reid Lindstrom,2022-10-27 Jane Austen s fiction is itself philosophy a fact to which Stanley Cavell attested when he honored his philosophical teacher J L Austin through homage to her and her work Engaging equally in criticism and in philosophy Jane Austen and Other Minds demonstrates the standing of Austen s fiction as a philosophical investigation both in its own right and as a resource to ordinary language philosophy in the twentieth and twenty first centuries Eric Reid Lindstrom addresses a long standing shortcoming of Austen scholarship by locating in her fiction a linguistic phenomenology available to the novelistic everyday but not afforded her in intellectual history He simultaneously advances recognition and understanding of J L Austin and Stanley Cavell and of ordinary language philosophy within Austen scholarship and the broader field of contemporary literary studies This book argues compellingly for Cavell s choice of Austen as a means to pursue passionate exchange reimagining her common association with restriction and confinement

Philosophy in a Time of Lost Spirit Ronald Beiner,Conference for the Study of Political Thought,1997-01-01 In this collection of his essays and reviews Ronald Beiner probes the boundaries of our social world and develops his own intellectual challenge to liberalism in a critical review of contemporary thinkers

The Autobiography Effect Dennis Schep,2019-07-24 Since the advent of post structuralism various authors have problematized the modern conception of autobiography by questioning the status of authorship and interrogating the relation between language and reality Yet even after making autobiography into a theoretical problem many of these authors ended up writing about themselves This paradox stands at the center of this wide ranging study of the form and function of autobiography in the work of authors who have distanced themselves from its modern instantiation Discussing Roland Barthes Jacques Derrida Hélène Cixous and others this book grapples with the question of what it means to write the self when the self is understood as an effect of writing Combining close reading intellectual history and literary theory *The Autobiography Effect* traces how precisely its theoretically problematic nature made autobiography into a central scene for the negotiation of philosophical positions and anxieties after structuralism

On the Politics of the Living Federico Testa,2025-04-17 Bringing the philosophies of Michel Foucault and Georges Canguilhem into dialogue Federico Testa examines the notions of life and norms underlying our modern experience of politics Today s global health crisis acts as a stark reminder that life is at the core of our political debates and dilemmas We can no longer think of forms of political organization citizenship and participation without considering the materiality and precarity of our own organic life Ours is a politics of the living Within this context this book examines Foucault s work on the politicization of life and biopolitics through the lens of Canguilhem s

notion of norms Testa extracts from Canguilhem's philosophy the conceptual tools to re-interpret Foucault's ideas on power and reconceptualises normativity as a process of the creation of norms that provide tools for political and social analysis and for thinking resistance In so doing he uncovers new and important possibilities for biopolitical resistance Demonstrating not only Canguilhem's underexplored social and political concerns but also the intellectual osmosis between the two thinkers On the Politics of the Living is an urgent examination of the ever increasing significance of the concepts of life care and health in today's political discourse

Care of the Self Vladislav Suvák, Livia Flachbartová, Pavol Sucharek, 2017-11-13 The studies included in the Care of the Self Ancient Problematizations of Life and Contemporary Thought focus on different manifestations of taking care of the self present in ancient and contemporary thought Each of these studies approaches the issue of taking care of the self from a different perspective Part I by Vladislav Suvák focuses on Socrates' therapeutic education Part II by Livia Flachbartová centres on Diogenes' ascetic practices and Part III by Pavol Sucharek concentrates on Henri Maldiney's existential phenomenology Taking care of the self *epimeleia heautou* is not just one of a great many topics associated with ancient ethics Echoing Michel Foucault we could say that the care of the self applies to all problematizations of life

Concept and Form, Volume 2 Peter Hallward, Knox Peden, 2012-12-12 Edited by a small group of students including Alain Badiou Jacques Alain Miller and François Regnault at the École normale supérieure in Paris the Cahiers pour l'Analyse appeared in ten volumes between 1966 to 1969 The journal was conceived as a contribution to a philosophy based on the primacy of concepts and the rigor of logic and formalization as opposed to lived experience or the interpretation of meaning The Cahiers published landmark texts by the most influential thinkers of the day including Derrida Foucault Irigaray and Lacan and were soon recognized as one of the most significant and innovative philosophical projects of the time The two volumes of Concept and Form offer the first systematic presentation and assessment of the Cahiers' legacy in any language The second volume is a collection of newly commissioned essays on the journal and substantial interviews with members of the editorial board

Religion and Culture Michel Foucault, 2013-09-13 First Published in 1999 Postmodern theorist Michel Foucault is best known for his work on power knowledge and on the regulation of sexuality in modern society Yet throughout his life Foucault was continually concerned with Christianity other spiritual movements and religious traditions and the death of God and these themes and materials scattered are throughout his many writings Religion and Culture collects for the first time this important thinker's work on religion religious experience and society Here are classic essays such as The Battle for Chastity alongside those that have been less widely read in English or in French Selections are arranged in three groupings Madness Religion and the Avant Garde Religions Politics and the East and Christianity Sexuality and the Self Fragments of an Unpublished Volume Ranging from Foucault's earliest studies of madness to Confessions of the Flesh the unpublished fourth volume of his History of Sexuality his final thoughts on early Christianity Religion and Culture makes Foucault's work an indispensable part of contemporary religious thought while also making an important link between

religious studies and cultural studies

Foucault And His Interlocutors Introduction

In today's digital age, the availability of Foucault And His Interlocutors books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Foucault And His Interlocutors books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Foucault And His Interlocutors books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Foucault And His Interlocutors versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Foucault And His Interlocutors books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Foucault And His Interlocutors books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Foucault And His Interlocutors books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Foucault And His Interlocutors books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Foucault And His Interlocutors books and manuals for download and embark on your journey of knowledge?

FAQs About Foucault And His Interlocutors Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Foucault And His Interlocutors is one of the best book in our library for free trial. We provide copy of Foucault And His Interlocutors in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Foucault And His Interlocutors. Where to download Foucault And His Interlocutors online for free? Are you looking for Foucault And His Interlocutors PDF? This is definitely going to save you time and cash in something you should think about.
