

An aerial night photograph of a city. In the background, a castle sits atop a hill, illuminated by warm lights. The city below is mostly dark, with some lights visible. The sky is a deep blue with some clouds. The title 'FOUCHÉ, THE MAN NAPOLEON FEARED' is overlaid in white serif font. Below the title, the authors' names 'Anna Barwell' and 'Nils Forsell' are listed in a smaller white serif font, separated by a thin horizontal line.

FOUCHE NILS. FORSSELL,2018 **Fouche** Nils Forssell,2015-07-20 Excerpt from Fouche The Man Napoleon Feared

The name of Joseph Fouche is intimately and inextricably connected with the important period of the French Revolution and the Napoleonic era Just as his career is impressed throughout by the great events of the time so it bears to a very great degree plain marks of his own will For Fouche has not only like many others filled important posts during the heroic age of the Republic in the stern Reign of Terror through the Directoire with its plots and intrigues the Consulate regime of inner equilibrium and outward brilliance the Empire s formal splendour the errors and defeat of the hundred days and lastly the desperate Government of the second Restoration a record which is in itself no slight proof of political adaptability but he was also one of those who exercised influence and power in the mighty movements of this long and ever changing drama It is true that Fouche but seldom crosses the stage in the full glare of the footlights But if we fix our attention on the decisive turning points in the course of events we discover him at last much as we see the details appear on the dark background of a negative in process of development For in the background appears little by little a tall thin angular figure an impenetrable face pale as death with eyes that avoid our glance We meet him behind the scenes in the Convention Hall when the sands of Robespierre s dictatorship are running low About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Fouché, the Man Napoleon Feared* Nils Forssell,Anna Barwell,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Joseph Fouché** Stefan Zweig,1930

Medusa's Head Rand Mirante,2014 Minister of Police Joseph Fouch was universally distrusted feared and hated in his time but was nevertheless considered indispensable In *Medusa s Head* Rand Mirante recounts the chameleonic and astonishing career of Napoleon s security chief who created the modern police state and wielded immense power that threatened the other main organs of government Fouch was one of the most important fascinating and controversial figures

of the French Revolution the First Empire and the Bourbon Restoration and this biography captures and unravels the highlights of Fouché's life including his infamous roles as A priest in training who became a radical Jacobin and de Christianizer A regicide who cast a dramatic swing vote for Louis XVI's immediate execution The grim and remorseless Butcher of Lyon Mastermind of the conspiracy that sent Robespierre to the guillotine The head of Napoleon's police privy to everyone's secrets shaping the media deploying 10 000 informants in Paris alone and securing funding from the Empire's casinos and brothels Cunning enabler of Napoleon's 1799 coup and subsequent repeated betrayer of the Emperor Acting president after Waterloo and traitor to France Louis XVIII's Minister of Police in spite of his responsibility for the death of the King's brother A wealthy but disgraced exile who met an unusual end in Trieste on the Adriatic Medusa's Head provides fresh insights and perspectives on this enormously influential and fearsome individual
