Hobo Joe Freight Train To Riches:

Lonesome Kevin Lewis, 2009-09-30 There is another loneliness wrote the American poet Emily Dickinson Not want of friend occasions it but nature sometimes sometimes thought For Kevin Lewis that other loneliness is uniquely expressive of a rich and resonant state of being that is distinctive to the American psyche as well as central to the mythology of America itself He calls this state of being lonesomeness It evokes the luminous landscapes of the West and the cathedral like space of the Great Plains It lies at the root of personal identity and is inseparable from notions of personal discovery and of communion with the varied topography of the United States whether it be rural hinterland or industrial urban rustbelt In this continuously stimulating reflection Kevin Lewis explores in religion poetry fiction country songwriting and art the multiple meanings of that peculiarly American notion of solitariness Discussing quintessential American writers like Henry David Thoreau Walt Whitman Jack Kerouac and Ernest Hemingway creative artists who have all embraced positive conceptions of solitude and wilderness Lewis finds the apex of American lonesomeness in the melancholic and reflective paintings of Edward Hopper Lewis argues that in expressive works like Nighthawks and Morning Sun one sees Hopper's solitude redeemed by something more by the notion that in isolation the individual may yet be touched by transcendence Kevin Lewis argues that those echoes of something else reveal a great deal about the American character that we would do well to heed as well as deep rooted cultural attitudes towards religion individualism and self belief The Railroad Trainman , 1910

Tales of an American Hobo Charles Elmer Fox, 1989. Reefer Charlie Fox rode the rails from 1928 to 1939, from 1939 to 1965 he hitched rides in automobiles and traveled by foot. From Indiana to British Columbia, from Arkansas to Texas, from Utah to Mexico, he was part of the grand hobo tradition that has all but passed away from American life. He camped in hobo jungles, slept under bridges and in sand houses at railroad yards, ate rattlesnake meat, fresh California grapes, and fish speared by the Indians of the Northwest. He quickly learned both the beauty and the dangers of his chosen way of life. One lesson learned early on was that there are distinct differences among hoboes, tramps, and bums. As the all-time king of hoboes, Jeff Davis used to say: Hoboes will work, tramps won't, and bums can't. *Tales of an American Hobo* is a lasting legacy to conventional society, teaching about a bygone era of American history and a rare breed of humanity who chose to live by the rails and on the road.
