Hobos Christmas:

An Old-Fashioned Christmas Patrick Regan, 2010-09-15 Nothing captures the magic of Christmas like the drooling face of a child and a cheap ass little fake tree An Old Fashioned Christmas In the tradition of Holidays on Ice and Bad Santa Patrick Regan counters saccharine seasonal sentiment with a dose of holiday noir Remember Christmases of old Simpler times when four year old orphans were used for market research and Santa could call a pretty elf Sweet Cheeks and not get slapped with a sexual harassment suit In An Old Fashioned Christmas author Patrick Regan collects images from the golden days of Christmas and pairs them with wryly sardonic captions to offer a reminder of what Christmas is really all about namely hobos orphans boozed up Santas pill popping housewives and the shattered dreams of adorable children Fans of Regan s The Book of Bad Habits will take twisted delight in his skewering of the most cherished and overstuffed holiday of all The 1940s 50s and 60s vintage photos are odd enough on their own but when Regan s caustic captions start flying no tradition is safe from mockery Christmas just ain t what it used to be and judging from the subversive gems in this more naughty than nice book we should all be extremely grateful for that *Christmas Letters from Hell* Michael Lent, 2007-11-06 Who doesn t love to open the mailbox during the holidays and find a newsletter Whether it s a juicy missive from a college roommate inadvertently revealing her husband s wandering eye a self congratulatory account of a cousin s rise to power at the local fast food joint or a mind numbingly detailed account of a year s medical ailments including photos from a coworker they re always entertaining Christmas Letters from Hell skewers holiday letters of all shapes and sizes from the ones that come crammed with cheesy graphics or written from the perspective of the recently neutered family dog to those filled with stories of perfect family vacations that were clearly anything but Here Santa uses his holiday letter to let the elves know that he ll be outsourcing to China effective immediately a bipolar mom tells two very different versions of the year s events and Osama bin Laden touches base with his high school host family in Minneapolis Christmas Letters from Hell serves up a steaming savory blend of the holiday cheer humor and twisted truth in our well intended attempts to stay in touch gone horribly horribly wrong **Child of the World** Anthony LaBranche, 2001-02 Child of the World is an action adventure set in Bangkok Chiang Mai and the northern hilltribe villages of Thailand A hapless professor joins an animal relocation project but soon discovers through his whimsical mentor and a blonde Swedish Quaker that the true project is to hamper the trade in hilltribe children being brought down to service the city brothels Along the way he encounters a Bengali game warden of suspicious identity and an attractive local prostitute who he finds is not simply that and who becomes much more than that to him The true game is more politically convoluted and more personally perilous than he ever imagined **THE BOY WHO FOUND CHRISTMAS & THE MAN WHO FORGOT CHRISTMAS** Max Brand, 2017-10-16 This eBook edition of THE BOY WHO FOUND CHRISTMAS or else the mountains caught the wind in a funnel and poured a venomous blast in which the snow hardened and became cold teeth The two men lying in a covert saw Skinner Mountain due south of them withdraw into
