Hockey's Legend Bobby Orr:

Orr Bobby Orr, 2013-10-15 Hockey legend Bobby Orr tells his story from his Ontario childhood to his years with the Bruins and Blackhawks to today in this New York Times bestselling sports memoir Bobby Orr is often referred to as the greatest defenseman ever to play the game of hockey But all the brilliant achievements leave unsaid as much as they reveal They don't tell what inspired Orr what drove him what it was like for a shy small town kid to suddenly land in the full glare of the media They don't tell what it was like when the agent he regarded as a brother betrayed him and left him in financial ruin They don't tell what he thinks of the game of hockey today Now he breaks his silence in a memoir as unique as the man himself INCLUDES PHOTOGRAPHS Hockey's Legend, Bobby Orr Jay H. Smith, 1977-01-01 Describes Bobby Orr's legendary ten year career with the Boston Bruins

Bobby Bobby Orr, 2018-10-30 One of the greatest sports figures of all time at last breaks his silence in a memoir as unique as the man himself Number 4 It is just about the most common number in hockey but invoke that number and you can only be talking about one player the man often referred to as the greatest ever to play the game Bobby Orr From 1966 through the mid 70s he could change a game just by stepping on the ice Orr could do things that others simply couldn't and while teammates and opponents alike scrambled to keep up at times they could do little more than stop and watch Many of his records still stand today and he remains the gold standard by which all other players are judged Mention his name to any hockey fan or to anyone in New England and a look of awe will appear But skill on the ice is only a part of his story All of the trophies records and press clippings leave unsaid as much about the man as they reveal They tell us what Orr did but don't tell us what inspired him who taught him or what he learned along the way They don't tell what it was like for a shy small town kid to become one of the most celebrated athletes in the history of the game all the while in the full glare of the media They don't tell us what it was like when the agent he regarded as his brother betrayed him and left him in financial ruin at the same time his battered knee left him unable to play the game he himself had redefined only a few seasons earlier They don't tell about the players and people he learned to most admire along the way They don't tell what he thinks of the game of hockey today Orr himself has never put all this into words until now After decades of refusing to speak of his past in articles or authorized biographies he finally tells his story because he has something to share I am a parent and a grandparent and I believe that I have lessons worth passing along In the end this is not just a book about hockey The most meaningful biographies and memoirs rise above the careers out of which they grew Bobby Orr's life goes far deeper than Stanley Cup rings trophies and recognitions His story is not only about the game but also the age in which it was played It's the story of a small town kid who came to define its highs and lows and inevitably it is a story of the lessons he learned along the way *Bobby Orr and the Hand-me-down Skates* Kara Kootstra, Bobby Orr, 2020-09-22 Even hockey legends start with hand-me-downs A beautifully illustrated true childhood story about hockey great Bobby Orr Bobby eats sleeps and breathes hockey So when his birthday is coming up he only wants one thing new

skates He's seen the exact pair he wants in the shop window sparkling blades shiny leather clean new laces tied in perfect bows But when Bobby opens his gift he's dismayed to find hand me down skates scuffed leather nicked blades floppy laces Once Bobby breaks them in though he and the hand me down skates become inseparable and he can't imagine life without them until the brand new skates come into his life How can he leave his hand me down skates behind Log Driver's Waltz illustrator Jennifer Phelan brings this classic story to life with timeless gorgeous art and Kara Kootsra's words evoke the joy and dedication that Bobby Orr brought to his favorite sport A perfect gift for readers and fans big and small this book is destined to be a classic that is reached for time and time again **Hockey Legends: Bobby Orr** Millie Godwin,2025-07-17
