With these two new novellas Martha Wells shows that the world of the Raksura has many more stories to tell. The Star Rover Jack London, 2017-06-15 A work of true power. Andrew Sinclair A lifer at San Quentin escapes the horrors of his incarceration through astral travel. A moving indictment of the brutal prison system that also illustrates the sustaining power of imagination. Father May Be an Elephant, and Mother only a Small Basket, but... Gogu Shyamala, 2022-03-31 Dalit feminist stories of a south Indian village that dissolve the borders of realism, allegory and political fable. A young girl is sent away to school to save her from being declared the sexual property of the village's upper caste men. The village water tank laments to a passing child. A Brahmin boy is considered polluted by the touch of a Dalit girl, the same action that saved his life. Rendered with idiomatic vitality, humour and lightness, these stories revel in rural childhood without nostalgia or romanticism, forcing the reader to question their expectation of violence in the representation of certain lives and of what the short story can be and do. Shifts in tone and perspective reveal relationships between the different castes that make up a village, between an individual and the wider community, between identities and the seasonal rhythms of the land. Imbued throughout with a Dalit feminist philosophy that is above all a philosophy of life to be lived with wit, ingenuity and defiance. **The Jacket** Jack London, 1915 *Peculiar: A Tale of the Great Transition* Epes Sargent, 2022-08-21 In *Peculiar: A Tale of the Great Transition* Epes Sargent masterfully explores the complexities of societal change during a turbulent era in American history. Set against the backdrop of the post-Civil War Reconstruction, this novel intricately weaves together themes of race, identity and morality. Sargent's vivid prose and keen observations illuminate the struggles of individuals navigating their lives amidst shifting social norms, embodying a style steeped in realism yet driven by an undercurrent of romantic idealism. His characterization is richly developed, allowing readers to witness the personal ramifications of broader historical forces at play. Epes Sargent, a notable figure in 19th-century American literature, was deeply engaged with the social issues of his time, including abolition and the rights of African Americans. His background as a journalist and playwright enriched his ability to portray the nuanced interactions between characters from diverse backgrounds. Sargent's own experiences with societal upheaval likely informed the depth of his narrative, making it not just a tale of individual struggle but a reflection of a nation in transition. This book is a recommendable read for anyone interested in the intersections of literature and history or the moral dilemmas faced by individuals in periods of change. Readers will find Sargent's insights both poignant and prescient as the themes resonate deeply in today's discussions about race and society. **London, Jack: The Complete Novels (Oregon Classics) (The Greatest Writers of All Time)** Jack London, 2017-03-13 This book contains all the novels of Jack London in the
