Vernacular writings became popular for making the first interventions of their kind written by Indians for Indians and establishing new genres such as the biographical novel The Subhedar s Son an award winning Marathi novel was written in 1895 and published by the Bombay Tract and Book Society and comprised overlapping personal and political trajectories The author Rev Dinkar Shankar Sawarkar inscribed multiple viewpoints into his narrative including that of his own father Rev Shankar Nana 1819 1884 a Brahmin who was one of the early converts of the Church Missionary Society in Western India and served the CMS and the Anglican Church in various capacities for many years Apart from Shankar Nana s conversion story Sawarkar provides readers with a blueprint of what a Brahminical journey towards Christian conversion encompassed while describing his personal background of having lived a Christian life as a product of both Brahminism and Christianity Attempting to deconstruct Brahmanism through Christianity he claimed Brahmin roots as a Christian with an aim of combatting the stigma of conversion Contextualized within the early history of Maharashtra s missions and the specificities of individual conversions the novel allows modern researchers to appreciate the particularity of regional and vernacular Indian Christianity This culturally specific Christianity spurred the production of Christian vernacular print culture associating being Marathi with broader and more universal frameworks of Christianity But this new genre also produced nativist forms of Christian devotion and piety Deepra Dandekar introduces this annotated translation of The Subhedar s Son with an examination of the Church Missionary Society s socio political context a biography of Shankar Nana gleaned from archival

Something Is Always Right Melissa Sullivan, 2020-11-19 Troubled by the apparent necessity of accepting others' views of her struggles, the girl's anger at being placed on the spectrum and given treatment forms a solid trauma identity. Unable to see herself at the same level as her peers and overwhelmed by the expectations of living in a modern world, she struggles with emotional pain. Granted enrollment at the Corwin Russell School, she cowers under tables and paces in the corners. Feeling accepted by a handful of teachers and students, she rises to excel as a student, an athlete, and a girl who wants to just be. She is thrilled to be at college, is a varsity athlete, and a core part of student groups, but she cannot tell people about her time in school before college. The sense of triumph of being at college is covering an uneasy question: Why can't I talk about this? One day she tries to talk about it straight on with her new therapist. She goes into a trance and has an incredible journey to give her greater sight. In the days that follow, she is overcome by one of the migraine episodes she has had before, but this one does not go away. Finally, she accepts a need to change her whole mindset and embark on a journey of physical healing. She faces the version of the story that she was avoiding and takes actions to reclaim her whole life. Seizing the power of a farm girl and nature lover, she accepts the feeling of pressure that she must live by the power of her own views. She moves beyond the ideas that she is special and talented while also inherently different and deficient. She can live with the curse of medication or psychology theories no longer fending off the doubts of her loving parents and friends; she chooses answers that unify doubts and confidence.

Stay Safe Antony Vitale, 2012-10 The book covers a period in time when the author was in law enforcement. It tells of his time on the streets and what he encountered from day to day: the deaths, shootings, stabbings, robberies, and police corruption. The book describes the effects all of this had on the author's personal and professional life. The book is very graphic as to the way it describes the incidents throughout. The names have been changed as to not identify persons living or deceased.

The Day After He Left for Iraq Melissa Seligman, 2008-10-17 The emotional true story of a family separated by war. We feel for the men and women who are risking their lives at war but what of the families they've left behind. In gorgeous prose, a military wife describes a year in her family's life, a year in which her husband leaves for war and returns and prepares again to leave.

Melissa Seligman's son is a newborn and her daughter a toddler when her husband ships out to Iraq. Starting with that day and focusing on the months that follow, she movingly describes the balancing act her life has become: being a loving mother to her young children with the haunting knowledge that her husband, their father, could be killed at any time. Seligman doesn't hesitate to express her inner pain. She watches her daughter acting out in fury. Then there's her own anger. Ultimately, though, she comes to accept her life and appreciate the strength and determination of her loving children and husband. It's a book to read in one sitting and to think about for years. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Bookkeeper Grace Langston, 2023-03-15 Set in a time of swords and kingdoms, you find Matthew, a man trying to live a life after everything is taken away from him. Fates push Matthew into an unknown village called Frayla, a surreal place filled with virtue and Godly people. Words of destiny surround Matthew in a suffocating cage as he is asked to partake in a dire mission to save Frayla. As Matthew tries to avoid his past and avoid failure, he is challenged physically, emotionally, and mentally as he navigates new relationships and fights for what is good. A mashup of fiction, adventure, action, love, humor, fantasy, tragedy, and Christian values, *Bookkeeper* explores life on all levels as it shows Matthew's first steps in recovering.

Woman's Talisman Mahrouyeh Maghzi, 2015-10-02 *Woman's Talisman* is a guide for readers to examine their feelings and come to terms with their gender. The book follows a man who has been diagnosed with a terminal illness and has a short time to live. He is an echo of the original man, Adam, and is seeking the knowledge and compassion of Eve, the primal soul of a woman. This journey illuminates readers' journeys and prompts them to think, dream, and imagine the many realms of spiritual understanding. The journey proceeds through several days of experiences in this world and others. It is a process of enlightenment. In two different parts of the world, one man and one woman were mourning for different reasons but for one ultimate goal: finding their beloved. The dying man was fighting with death's glory to find his beloved, and the moaning woman was fighting with life's glory to find her beloved. *Woman's Talisman* is written in a flowing, lyrical style similar to ancient texts and the Bible. It is part poetry and part metaphorical narrative.
