1_3 John and Revelation; New Testament Commentary Christopher Lambe,2021-02-16 Unlike any other commentary on the New Testament Chris digs into ancient religious culture throughout the known world at the time John wrote his epistles and book on Revelation As the church started to accept and adopt false teaching in their day they began to worship idols in place of God like the Jews when they were sent to Babylon Both Old and New Testament Jewish cultures adopted the same images from the surrounding nations and began to worship pagan gods No matter Jew or Gentile John s teachings were all understood In today s world though it is different many are not taught after the manner of ancient culture and when one reads the Bible either the Old and New Testaments that references any form of symbolism as figurative language let alone Revelation it is foreign with descriptions of strange beasts candlesticks trumpets vials of wrath harps etc making no modern sense whatsoever However when looked upon with the view from ancient culture religion and myths about the heavens one can better understand the context John taught to the early church The way mainstream interprets the scriptures today has brought about much confusion **Shine Your Light** Joakim Lundqvist,2024-10 The greatness of God cannot be contained in mere words It must be shared through the light He s given each of us After reading this book I will desire to have the same kind of godly impact on the world as the heroes of faith did from Scripture No longer will I be fearful to shine God s good and perfect light Instead I will step out in boldness and bravery to do exactly what God has called me to do Pastor Joakim Lundqvist beckons readers to embrace their divine purpose and radiate God s love like never before Exploring God as light and the pivotal role light plays in creation Shine Your Light challenges believers to be the lights of our world by discovering the unique way they are gifted to radiate God s love Renowned for his captivating storytelling Lundqvist weaves inspiring tales of biblical and historical figures who dared to shine their light in unique ways leaving an indelible mark on their eras Through these narratives readers discover the power God has given them to make a positive impact on the world around them With humor and insight Lundqvist empowers readers to recognize that God has bestowed upon each person a distinctive light that is essential for someone else Readers will gain confidence to embrace their unique light break free from doubt and make a lasting difference for Jesus right here and now Believers will uncover the joy and fulfillment that come from understanding their profound purpose and the unique needed light God has placed within them to transform the world

Biblical And Non-biblical Evidences For The Book Of Mormon Joseph Dean DeBarthe, 2018-08-29 What about the Book of Mormon That it is a controversial book cannot be denied Many do not accept it as scripture They believe that Joseph Smith Jr wrote it They also believe that the Bible is the only scripture ever written but nowhere does the Bible make that claim This belief is not biblical In fact just the opposite is true The Bible testifies to the existence of other written scriptures and specifically a second scripture written about the tribe of Joseph Ezekiel 37 19 This Joseph is the same Joseph of the coat of many colors the same Joseph sold into slavery in Egypt and the same Joseph that saved Egypt and all of the tribes of Israel from the seven year famine that occurred Due to his lack of knowledge and education if Joseph Smith Jr had written The Book of Mormon it would have been disproven years ago Instead as time passes more and more of it is proven to be correct Joseph Smith could not have written it for many reasons not the least of which is the fact that he was a barely literate man He knew very little of the scriptures and no Hebrew at all Yet The Book of Mormon is clearly written by highly educated men with a strong background in Hebrew customs and writing techniques none of which were known by any American in the 1800s More information on this subject will be explored within this book This book was begun by direction of the Holy Spirit and written to the entire body of Christ Some might ask why they should read it Some will read it to try to refute it others will read it to learn and still others will use it to further their own agendas However you should read it and pray over it asking God through His Holy Spirit to give you a witness as to its validity We need direction from the Holy Spirit because we are always vulnerable to error Even prophets can be deceived 2 Chronicles Chapter 18 Satan will do anything he can to prevent us from gaining unity in our fight against him For years he has used the divide and conquer plan and we have fallen prey to it It is time we stop fighting over our petty differences and start working together for the salvation of all mankind The harvest is plentiful it is time to bring it in and we can do it With the help of God through His Son Jesus Christ and His Holy Spirit we can accomplish what would otherwise be impossible on our own
