Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a

people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

Poems by Divine Appointment Dorothy Turner,2019-09-24 Poems by Divine Appointment are poems with purpose They were written to inspire and to stir up your spirit You will find some of these

poems are quite long while others are very short Nevertheless each poem has a message that's clear and get straight to the point leaving nothing to the imagination These poems are power packed and I hope every reader will experience the presence of God through reading these poems Yes Poems by Divine Appointment are mine but they came from God's creative mind Now allow me to give you a little peek inside of the book with this poem What's In the Sea I've seen deep in the sea Things we are about to see There are a lot of things in the sea But it's nothing that I can't see Fishermen are on the sea Trying to catch what they can't see The birds of the air the fish of the sea Will make do with what they see Don't be disturbed by what you see It's just the beginning of what it's going to be I've seen deep in the sea Trouble stirring in the sea Memphis Tennessee Will soon be nothing to see Things are stirring up in the sea Things you are about to see When I looked across the sea I saw things I didn't want to see I've been fishing in the sea To catch what the fishermen couldn't see Who made the sea The one you cannot see I've seen deep in the sea Things that's about to be Memphis Tennessee Is about to be nothing to see

Round in Circles Barry Kester, 2024-10-15 Round In Circles The Story of Rodgers Hammerstein's Carousel is intended not only for those who share the author's love of the Golden Age Broadway musicals but also for students of the genre who want to learn about the trials and tribulations encountered in producing a musical at that time when Rodgers and Hammerstein were transforming such shows into the unique American art form we continue to enjoy today The book covers the history of Carousel from its beginning as Liliom a 1909 play by Hungarian author Ferenc Molnar to its latest 2021 London revival At first Rodgers and Hammerstein dismissed the idea of turning Liliom into a musical How they were persuaded to change their minds and the struggles the duo experienced in adapting the dark fantastical play is a key part of the story told by author Barry Kester But the book also shines the spotlight onto Rodgers and Hammerstein themselves looking at their lives their working methods and their relationship which was not always as harmonious as one might have thought Although Carousel was created by Rodgers and Hammerstein it would not have happened without the help of some extraordinary people both backstage and onstage and the book pays due tribute to them all Many of Carousel's songs have become well loved standards none more so than You'll Never Walk Alone and not just because of its association with football A chapter is devoted to this remarkable anthem Carousel's story did not end with its 1945 Broadway opening After an initial London run and a nationwide tour in the States there was a film version The author relates the many problems that were encountered on that production The book examines what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show's place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical Round in Circles The Story of Rodgers Hammerstein's Carousel is his first book
