Moss MA MD,2018-03-26 The sphygmograph was one of the promising instruments of precision that captured the imagination of mid and late nineteenth century physicians eager to plumb the secrets of the circulatory system Literally a pulse writer the sphygmograph allowed physicians to study a permanent record sphygmogram of the contours and rhythms of the pulse wave The early masters of the sphygmograph were hopeful that images of the pulse at the wrist could reveal much about the action of the heart and major blood vessels that would prove useful in research and practice Although the sphygmograph proved to be a frustrating instrument and its pulse recordings confusing it prepared early twentieth century physicians to embrace more reliable technologies such as the sphygmomanometer blood pressure cuff and the electrocardiograph This book traces the European invention development and application of the sphygmograph before turning to a detailed study of the novel instruments and clinical investigations of three heretofore unremarked American sphygmograph men and the role of the sphygmograph in American medical practice most notably in the hands of Dr Mary Putnam Jacobi A final chapter examines the pervasive problems of the sphygmograph in the context of recent literature on apparent failures of technology **Selected Stories** Rudyard Kipling,2001-06-28 This collection opens with The Gate of the Hundred Sorrows the first story Kipling published as a young journalist in india and ends with an acknowledged masterpiece The Gardener written 50 years later in the aftermath of the great war **Uneven** Charity Parkerson,2023-12-05 Holden wants stability Sam wants the world They both crave each other Since the day Holden walked into the gym where Sam works Sam has been infatuated For some reason he can t explain when Holden s around Sam can t stop talking No one else in the world knows as much about him The only thing he s kept to himself is his hunger for Holden s attention That is until the day Sam catches Holden watching him with the same longing Holden loves the sound of Sam s voice He can t get enough of the up and coming strongman competitor s time There s nothing platonic sane or calm about the way Sam makes him burn That s exactly why Holden has kept his feelings to himself Holden has seen what having a passionate heart does to people and he wants no part of it Holden s reluctance is only one obstacle standing in Sam s way There s another problem waiting in the shadows and undermining Sam s every attempt at winning Holden s heart Can they find their way to middle ground or are they doomed to always be uneven **The Adventures of Holden Heng** Robert Yeo,2011 Enter the world of Holden Heng the not so lucky in love protagonist of this comic realist novel that documents social currents transforming the Lion City
