Holiday for Edith and the Bears Dare Wright, 2013-04-04 Edith and her friends Mr Bear and Little Bear vacation on Ocracoke Island N C enjoying the beach and getting into mischief in a rowboat Illustrated with photographs Holiday For Edith And The Bears Dare Wright, 2015-09-01 Edith the doll featured in Dare Wright s best selling The Lonely Doll book series together with her friends Mr Bear and Little Bear leave their city home for a vacation on Ocracoke Island in the Outer Banks of North Carolina Their summer is spent playing on pristine beaches discovering the seaside wildlife getting acquainted with wild ponies and imagining adventures on the high seas Little Bear ignores Mr Bear s warning never to go on a boat without him and he and Edith soon find themselves drifting dangerously out to sea Luckily Mr Bear comes to their rescue and the two learn a valuable lesson before their vacation ends *Holiday for Edith and the Bears. Photographs by the Author* Dare WRIGHT, 1960 The Secret Life of the Lonely Doll Jean Nathan, 2013-05-17 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children s book In 1957 a children s book called The Lonely Doll was published With its pink and white checked cover and photographs featuring a wide eyed doll it captured the imaginations of young girls and made the author Dare Wright a household name Close to forty years after its publication the book was out of print but not forgotten When the cover image inexplicably came to journalist Jean Nathan one afternoon she went in search of the book and ultimately its author Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens New York Over the next five years Nathan pieced together a glamorous life Blond beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author But there was a dark side to the story a brother lost in childhood ill fated marriage plans a complicated controlling mother Edith Stevenson Wright herself a successful portrait painter played such a dominant role in her daughter s life that Dare was never able to find her way into the adult world Only through her work could she speak for herself in her books she created the happy family she d always yearned for while her self portraits betrayed an unresolved tension between sexuality and innocence a desire to belong and painful isolation Illustrated with stunning photographs The Secret Life of the Lonely Doll tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art *LIFE* , 1958-04-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Seven Aunts* Staci Lola Drouillard, 2022-06-14 Part memoir part cultural history these memories of seven aunts holding home and family together tell a crucial often overlooked story of women of the twentieth century They were German and English Anishinaabe and French born in the north woods and Midwestern farm country They moved again and again and they fought for each other when men turned mean when money ran out when babies and there were so many added more trouble but

even more love These are the aunties Faye who lived in California and Lila who lived just down the street Doreen who took on the bullies taunting her mixed blood brothers and sisters Gloria who raised six children no thanks to all of her stupid husbands Betty who left a marriage of indenture to a misogynistic southerner to find love and acceptance with a Norwegian logger and Carol and Diane who broke the warped molds of their own upbringing From the fabric of these women s lives Staci Lola Drouillard stitches a colorful quilt its brightly patterned pieces as different as her aunties yet alike in their warmth and spirit and resilience their persistence in speaking for their generation Seven Aunts is an inspired patchwork of memoir and reminiscence poetry testimony love letters and family lore In this multifaceted unconventional portrait Drouillard summons ways of life largely lost to history even as the possibilities created by these women live on Unfolding against a personal view of the settler invasion of the Midwest by men who farmed and logged fished and hunted and mined it reveals the true heart and soul of that history the lives of the women who held together family home and community women who defied expectations and overwhelming odds to make a place in the world for the next generation *The Publishers Weekly*, 1892 The Lonely Doll Dare Wright, Once there was a little doll Her name was Edith She lived in a nice house and had everything she needed except someone to play with She was lonely Then one morning Edith looked into the garden and there stood two bears Since it was first published in 1957 The Lonely Doll has established itself as a unique children s classic Through innovative photography Dare Wright brings the world of dolls to life and entertains us with much more than just a story Edith the star of the show is a doll from Wright s childhood and Wright selected the bear family with the help of her brother With simple poses and wonderful expressions the cast of characters is vividly brought to life to tell a story of friendship **The Publishers Weekly**, 1958 *LIFE*, 1958-04-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **A to Zoo** Carolyn W.
