**Merlin: Seducing Gwen** Zoey Indiana,2022-05-12 I hated to admit it but I d given up hope on finding a solution to my little spell problem Not that I d say it out loud where Arthur might hear me because if I did he d have another reason to grumble at me for another millenia Arthur wasn t the worst person to be trapped in Avalon with No that award would go to Morgana It would be hell Literally We d find creative ways to kill each other just to remember that we couldn t die not while still in Avalon I should clarify We d die but Avalon heals all wounds which would basically be a loop of murder and death Yeah hell When I d dragged Arthur through the portal I hoped he d heal and we could be on our way back to Camelot But Morgana had other ideas She d tried to come through and magically shove Arthur back into a world of final death He was mostly annoying but I liked the guy and he didn t deserve that because Morgana was a crazy witch It s not my fault she convinced the dragon to lie to me about a prophecy involving her and I If I could go back and kill that dragon for pulling Arthur into it I would in a heartbeat Fucker ruined his life Though it was my fault that I tried to kill her after I found out the truth Sure I d uttered words with double meanings

when I'd thrown up a barrier to keep Morgana out of Avalon but the last thing I needed was a woman to distract me Fifteen hundred years that was how long I'd accidentally trapped us in Avalon with no back portal out of this place I couldn't survive on apples forever oh wait yes I could I just didn't want to Then Morgana shoved Gwen into Avalon and into my life Everything about Gwen drew me to her especially her take no shit attitude Arthur always said I fell in love too easily But something about Gwen left me wondering if she fell into the true love category I hadn't seen a new woman since I cast the barrier spell over a millenia ago and she intrigued me Of course the insanity didn't stop there How was I supposed to know Gwen would weaken the barrier And the key she carried Something about it looked felt familiar I needed a second look because it might be the thing I've been searching for Honestly I think my spell may have sought out Gwen and given her the power she has now but why She'll hate me if she finds out everything that happened to her is my fault No She can't find out the truth The spell I uttered in a moment when my life passed before my eyes called for unity Deep down I suspected it referred to Gwen Arthur and me and that strange cat man she kept as a pet Which meant we had to all get along Whenever Gwen was in the room with me she was all I could think about Kissing her had been a mistake The strange sensation in my gut when I was around her was dangerous To save Avalon I needed to get close enough to Gwen for the spell to work without falling for her But first I had to heal her Then I'd seduce her It was impossible to seduce someone I loved right I scooped out the healing salve and drew the base spell on Gwen's stomach The feel of her skin under my fingers sent a spark through me Touching her like this was almost unbearable Though I suspected Arthur had purposely taken Lance with him so I could have alone time with Gwen With the potions applied I whispered the spell with far more emotional attachment than I had the first time The pull of magic was much stronger than before Proof that I was falling for her My mind ran through the spell I'd cast seconds before Arthur and I would have died I was certain Gwen was the one power tied to the fate of Avalon But if we were to achieve unity she had to love me as much as I was starting to love her With my mind made up I stood and took Gwen's hand I guided her over to my bed and pulled my shirt off Seducing Gwen was just the beginning

*Sweeping Away the Syndicate* Zoey Indiana, Discovering your fated mates should be where the fairy tale ends where you bask in the warmth of a happily ever after But for me that was just the beginning of betrayal If finding out that my deadbeat dad was actually a big bad demon wasn't enough of a downer try being conscripted into a secret supernatural division of the military Did you think the misfortune ended there not hardly Despite all of my mates being fated for me I was unable to bond with one of them As my heart breaks for Ryker Rhiot is by my side He's ever the calm to my chaos Not to mention as the team's demonologist he's my only hope at learning to control my demon powers before they do something unintended and deadly Except as I learn more about the team and their handlers something isn't right When demons get involved nothing is as it seems *Sweeping Away the Syndicate* is the third riveting tale in a series featuring rugged tattooed veteran trash panda shifters polyam romances If you're a fan of diverse pairings MMMFFMM suspense spice and heart thumping adventure ending in a
