Searching for the Mind of God Pastor Tran Thi Ngoc Linh Ferguson with Pastor Richard Dean Ferguson, 2019-09-05 The Bible is unlimited in wisdom and information but too many people limit their knowledge to what they hear in church The New Testament tells us what we must do to live a Christian life but the Old Testament gives us examples of how to do it This book explains many areas that we must work at to have a close personal relationship with God It gives a deeper understanding of the teachings of the prophets and apostles The Bible tells us there is one baptism that has three parts There are three levels of anointing and five levels of faith These are just a few of the things a person must be aware of to have that close personal relationship with God This book is designed to help people draw closer to God As you do He will bless you abundantly
