Wiley Canby is baffled by Judy's lukewarm reception of his brilliant idea throwing a giant Christmas blowout to close one chapter of his life and usher in a new beginning with the woman he loves. He gets that she's never hosted a gala and his friends didn't exactly roll out the welcome mat for her, but it's Christmas, the season of good will. What could possibly go wrong? A fun story that can give you a new lease on the holidays just when they can seem overwhelming. **PatternDance**

Merry Cherry Christmas Keira Andrews, 2024-02-03 A nice boy gets naughty. Redheaded freshman Jeremy Cherry Rourke is certainly living up to his childhood nickname, although still being inexperienced is the least of his concerns. After coming out, his parents barely talk to him. He hasn't made any friends at university. Worst of all, he's about to spend Christmas completely alone in an empty dorm. Jeremy clearly needs a fairy godfather, so football captain Max Pimenta takes him under his wing to help him find his dating groove. But Jeremy's wound way too tight. He's too vulnerable. Max can't trust some random guy with him. He needs to take care of Jeremy himself and introduce him to no-pressure exploration. It's not about romance or feelings; he's just doing the kid a favor. Max is definitely not falling for this lonely beautiful boy. No way. And it's not like he can leave Jeremy all alone for the holidays. He'll bring him home to his family's maple syrup farm, strictly as friends, since his parents have rules. No more fooling around. No more eager, breathless fun. No more making Jeremy shiver and blush with suggestive whispers in his ear. No more sweeter than sugar kisses. All nice. No more naughty. But Jeremy's sleeping right across the hall, and Max wants him for himself. The twelve days of Christmas will last an eternity if they don't break the rules. Shhh. No one has to know. **Merry Cherry Christmas** is a feel-good holiday MM romance from Keira Andrews featuring a nervous nerd and protective jock opposites attracting, first times, and of course, a happy ending. **A Bad Boy for Christmas**

Jessica Lemmon, 2015-05-26 'Tis the Season to Be Naughty. Connor McClain knows what he wants. And after four harrowing years in Afghanistan, that's a quiet life in the lakeside town of Evergreen Cove. But coming home has land mines of its own, the most dangerous of them being long-legged bombshell Faith Garrett. Now getting her into his arms this holiday is going to require more than mistletoe. With a cheating ex behind her, all Faith wants is a relaxing holiday free from man drama. And even though every moment with gorgeous Connor is a sweet temptation, Faith is determined not to give in. But Jack Frost has other plans, and soon Faith and Connor are snowbound in a winter wonderland with only the sparks flying between them to keep them warm. As one hot kiss leads to another, they'll have to decide if they're ready to give each other the best gift of all: love. Everything I love in a romance. Lori Foster, 2014 **Christmas Sweater Weather**

Jaqueline Snowe, 2024-10-08 Christmas is both naughty and nice this year when a single dad and his best friend's sister celebrate with some secret steamy romance and festive fun, perfect for fans of Maggie Knox and Lyssa Kay Adams. Charlotte Calhoun has avoided Hayden Porter, her older brother's sexy as sin best friend, ever since that mortifying night when he flat out rejected her. Fine. Except this Christmas season, they're thrown together at a snowy ski resort for her brother's bachelor party, complete with mistletoe, cozy fireplaces, and adjoining rooms. She can tell herself to get over Hayden, but holiday cheer is turning to holiday lust every time.

he is within ten feet of her Between being a full time single father and his high pressure college coaching job a romantic relationship is off the table for Hayden But he's fought his attraction to Charlotte for as long as he can A one night stand is starting to sound like a good idea as long as her brother never finds out But with two long weeks until the wedding hiding their growing feelings is going to take a Christmas miracle *Ajax's Harpy Holiday* Mychal Daniels, 2016-12-22 **The Holiday from Hell** Carole and David McEntee-Taylor, 2011-11-19 The Adventure holiday of A lifetime It had been billed as the holiday of a lifetime A destination with everything a holiday maker could possibly want There were towns and cities where they could shop until they dropped and beaches clubs and nightlife with all kinds of exotic food and drink and anything else they might feel like trying There were desserts that stretched into infinity mountains that scaled incredible heights and seas that could challenge even the most jaded pallet For those of a quieter persuasion there was an abundance of gently rolling countryside in which to relax So just where did it all go wrong Just when was it that their dream holiday turned into the Holiday from Hell For many people on our planet this could be said to be an apt description of their journey through life From the pain of individual relationships to the devastation of natural disasters and wars it's no wonder we sometimes question the reasons we are here The Holiday from Hell describes our spiritual journey from the beginning of our holiday on the earth plane to the end of our time in this physical body It argues that if we change our perceptions of why we are here and begin to understand the origins of some of our political and religious conflicts we can at last begin to enjoy our lives
