**Holiness and the Spirit of the Age** Floyd McClung,1990 **The Holy Spirit** Gregg Allison,Andreas J. Köstenberger,2020-06-01 This book studies the Holy Spirit through the lens of both biblical and systematic theology

**Pentecostal Rationality** Simo Frestadius, 2019-11-14 This book not only articulates a tradition specific Pentecostal rationality of Biblical Pragmatism but also provides the first intellectual history of a major British classical Pentecostal denomination the Elim Pentecostal Church Pentecostal theologians increasingly acknowledge that their theological methodology should be informed by a Pentecostal rationality epistemology and theological hermeneutics Simo Frestadius offers such a Pentecostal rationality from a Foursquare perspective Frestadius first analyses and evaluates some of the main contemporary Pentecostal rationalities and epistemologies to date with a particular emphasis on the works of Amos Yong and James K A Smith and L William Oliverio Jr before proposing that Alasdair MacIntyre's tradition focused and historically minded narrative approach is conducive in providing a more tradition constituted Pentecostal rationality Utilising the methodological insights of MacIntyre the book then provides a philosophically informed historical narrative of a major British Pentecostal tradition namely the Elim Foursquare Gospel Alliance by exploring its underlying context and roots as a classical Pentecostal movement its emergence as a religious tradition and its two major epistemological crises Based on this historical narration and analysis it is argued that Elim's tacit Pentecostal rationality is best defined as Pentecostal Biblical Pragmatism in a Foursquare Gospel framework This form of rationality is then developed vis vis Elim's Pentecostal concept of truth biblical hermeneutics and pragmatic epistemic justification in dialogue with William P Alston In doing the above the book not only articulates a tradition specific Pentecostal rationality of Biblical Pragmatism but also provides the first intellectual history of a major British classical Pentecostal denomination A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture **The Asiatic Quarterly Review**, 1913 Rediscovering the Holy Spirit Michael Horton, 2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the

blind man's own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1 2 all the way to Revelation 22 17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives Discourses Illustrative of the Nature and Work of the Holy Spirit and Other Papers Samuel Seabury, 1874 The Holy Spirit in the Theology of Karl **Barth** John Thompson, 1991-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers The Work of the Holy Spirit Abraham Kuyper, 1900 Spirit, Holy Living Antipas L. What do you do with a term that has been negatively socialized even among churches when the God of the Bible clearly states that He wants His people to be holy Holy Spirit Holy Living aims to dust off the discarded idiom and rediscover the depth and splendor of holiness What are some practical implications for theological and spiritual practice Two broad categories express the particularity of the Church in the world As such the Church must maintain peculiarity to the world First holiness properly understood speaks to being and acting in a way that reflects both a regenerated life in Christ and the ongoing renewal in Christ by the power of the Holy Spirit Secondly holiness as a lifestyle must include at least three principles rest being and doing These three standards undergird a life of conviction of faith and practice worship for God and service to others A holy life follows Christ and is Spirit filled It is unbent by society which is numb to what God wants We Believe in the Holy Spirit Cheryl M. The Spirit with Our Spirit Witness Lee,2025-03-14 The revelation of the Spirit in the Bible points to God's desire to be received experienced and enjoyed by man The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God Through faith in Christ our human spirit is born of the Holy Spirit we are joined to the Lord as one spirit and the Spirit witnesses with our spirit that we are the children of God In The Spirit with Our Spirit Witness Lee presents a deep enlightening yet wonderfully practical view of the believers experience of God in the New Testament By presenting a complete scriptural view of both the divine Spirit and the human spirit Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations Rather genuine spirituality comes from knowing the Spirit who is with our human spirit God's desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit The Spirit with Our Spirit is an invaluable guide in this learning process
