Mémoires de Gourville: 1646-1669 Jean Hérault Gourville, 1894 **The Moderate Cabal** Luke Milbourne, 1710 **The Christian world magazine (and family visitor).**, 1871 **A Lady of Resources: A steampunk adventure novel featuring smart, brave women** Shelley Adina, 2019-12-21 You can choose your friends but you cannot choose your family or can you Now sixteen the twins Lizzie and Maggie are educated young ladies who have not been called the Mopsies in years except by their guardian Lady Claire Trevelyan With the happy prospect of choosing their own future the girls can leave their dodgy past behind and Lizzie can bury her deepest childhood memories where they can do no harm But is she ready to be separated from Maggie and become the woman she believes she was meant to be Or will old habits tempt her into defiance

like picking the wrong man's pocket and plunge her into disaster But sometimes disaster leads to dreams coming unexpectedly true dreams of family and a place in the world Lizzie must decide whether her true family is the one she was born to or the one she chose long ago when the Lady of Devices steamed into their lives This story is an excellent introduction into a new chapter in the Magnificent Devices series showing the world can continue even with Lady Claire taking a back seat This makes me immensely happy because it means one of my favourite steampunk series now has nearly infinite scope for continuation and expansion May the series continue going from strength to strength Fangs for the Fantasy on A Lady of Resources A Lady of Resources is the fifth novel in the Magnificent Devices steampunk cozy fantasy series Books 5 and 6 form a duet No strong language just a very proper kiss or two and a satisfying solution If you like books by Gail Carriger Lindsay Buroker or Emma Jane Holloway you're in the right place Enjoy

Magnificent Devices: Books 5-6

Shelley Adina, 2020-10-05 This two book set contains the Mopsies Twin Set A Lady of Resources and A Lady of Spirit an edition of over 140 000 words You can choose your friends but you cannot choose your family or can you Under normal circumstances sixteen year old twins Maggie and Lizzie would be delighted to meet their long lost relatives and be reunited with those who had believed them dead but when are the Mopsies circumstances ever to be considered normal They are joyfully ready to embrace family and welcome them into the loyal circle that the Lady of Devices Claire Trevelyan has created from a formerly ragtag lot of alley mice But the more time the Mopsies spend in Lizzie's father's castle in the Cotswolds and then their grandparents cliff-top mansion in Cornwall the more they realize that the events surrounding their mothers deaths are more mysterious and dangerous than anyone alive suspects Worse the events of the past are still reaching out to trigger the dangers of the present and only a lady of resources and a lady of spirit may stand between the people they love and certain death

Beryl's triumph Eglanton Thorne, 2025-03-02 In Beryl's Triumph Eglanton Thorne masterfully weaves a rich tapestry of resilience and self discovery against the backdrop of early 20th century societal constraints Thorne employs a lyrical prose style that evokes deep emotion blending vivid imagery with introspective monologues that reveal the complex inner lives of his characters The narrative explores themes of ambition love and the struggle for autonomy positioned within a literary context that reflects the influences of modernism and existential thought making it a significant contribution to the canon of feminist literature Eglanton Thorne a notable figure in contemporary literature draws inspiration from his own experiences and the social movements of his time Raised in a progressive household that embraced the ideals of gender equality Thorne's passion for illuminating women's struggles significantly shapes the narrative of Beryl's Triumph His keen observations of society serve as a compelling backdrop enabling readers to engage deeply with Beryl's journey as a reflection of broader societal themes particularly the fight for personal agency and dignity I wholeheartedly recommend Beryl's Triumph to anyone seeking a profound exploration of female empowerment through the lens of historical fiction Thorne's ability to evoke empathy and understanding invites readers to reflect on their own definitions of success making this work
