**Shooting Scripts** Bob Herzberg, 2005-04-07 In their heyday pulp westerns were one of America's most popular forms of entertainment Often selling for less than 50 cents the paperback books introduced generations to the exploits of Billy the Kid and Jesse James brought to life numerous villains usually named Black something e g Black Bart and Black Pete and created a West that existed only in the minds of several talented writers It was only natural that filmmakers would look to the pulps for stories adapting many of the works for the big screen and shaping the Western film genre The adaptations of seven of the pulps best writers Ernest Haycox Luke Short Frank Gruber Norman A Fox Louis L Amour Marvin H Albert and Clair Huffaker are analyzed here Insightful and humorous the work looks at how the pulp novels and the movie adaptations reflected the times in which they were produced It examines the cliches that became a part of the story the rescue of the heroine the

Pictorial** ,1926 **The Detective and the Artist** J.K. Van Dover,2019-02-11 This book focuses on the distinctive role that artists have played in detective fiction as detectives as villains and victims and as bystanders With a few significant exceptions literary detectives have always identified themselves as essentially the deconstructors of the artful crimes of others They may use various methods ratiocinative scientific or hard boiled but they always unravel the threads that the villains have woven into deceptive covers for their crimes The detective does in the end produce a work of art a narrative that explains everything that needs explanation But the detective s moral work is often juxtaposed to the aesthetic work of the painters poets and writers that the detective encounters during an investigation The author surveys this juxtaposition in works by important authors from the early development of the genre Poe Conan Doyle the golden age Bentley Christie Sayers James et al and the hard boiled era Hammett Chandler Macdonald Spicer et al **In Search of The Thin Man** Philip Zwerling,2024-02-14 The man who created the boldest hard boiled fiction Dashiell Hammett wrote The Thin
